## British security minister says North Korea was behind WannaCry hack on NHS

'We can be as sure as possible. I obviously can't go into the detail of intelligence'

# Cyber Crime – what we set out to do

## Aims for the year

- Ensure fully trained teams to comply with national requirements
- Embed within a regional and national structure
- Ensure ability to investigate Cyber Crimes tested
- Ensure Protect Messaging delivery to Small and Medium Businesses
- Engage with partners to develop shared resources
- Promote Cyber Essentials and Key messages from National Cyber Security Centre
- Prepare with partners for the impact of cyber crime through the LRF

# Cyber Crime – what did we do

- Secure funding and messaging of Getsafeonline for the LLR Partnerships
- Sam Hancock landing everywhere!
- Secured Cyber Essentials Plus
- Successful investigation of crimes
- County Council had cyber resilience day to test plans
- North West, Hinckley and Blaby and Rutland arranged and delivered awareness events
- Regional agreement to how crimes assessed and investigated
- Volunteer network of specialists

Ensure capabilities present to deal with Cyber Crime and respond accordingly

# Still to do.....
