**Emerging ways
of working for
new team**

Leicestershire Education Excellence Partnership

Education Effectiveness Team

- First **point of contact between the LA and schools /** academies
- Knowledge of key issues, contacts and services – signpost help
- A relationship with, understanding of and advocacy for each school
- Not OFSTED but do support schools in the inspection process – often spotting issues first.
- To improve inclusion and educational outcomes for Leicestershire children
- Recent school leaders and teachers

Broadly geographical

LEEP Priorities

1. To **develop the educational system** in Leicestershire to support our ambition that *“every child should have access to good quality education to ensure they achieve their maximum potential”*
2. **“A focus on our most vulnerable learners”**, promoting and developing an emphasis on **inclusion** within our schools and academies
3. Implementing strategies and activities to maximise reportable outcomes, wellbeing and life chances, to ensure that *“every child gets the best possible start in life”* through facilitating activities to **develop the quality of teaching, learning and pupil support**, particularly **enabling identified under performing groups to narrow the attainment gap.**

Where We Are Now

- Increasing (positive) profile and trusted relationship with school / academy partners
- Cross phase education experience and credibility
- Ambition, energy and enthusiasm

7

Positive Impact - examples

- Headteacher Well-being
- Sharing of knowledge – big picture
- Signposting
- Improving presence of LA
- “Better join up”
- Leverage of external funding (eg. broadband)
