

Strategic Partnership Board

Priorities and Delivery Structure
2022/23

SPB Focus and Priorities for 2022/23

Core Purpose:

To provide system leadership and the strategic coordination required to prevent and reduce violence and vulnerability across Leicester, Leicestershire and Rutland. *Board to focus on the areas of business which require a system-level response (e.g. LLR-wide, cross sector)*

Responsible for:

- Discharging of shared legal duties including the forthcoming SV duty and VRN's core function to 'provide leadership and strategic co-ordination...'
- Providing the formal governance for VRN
- Agrees and owns relevant LLR-wide strategies (e.g. VRN/SV Response Strategy, SOC, Drugs, VAWG..)

2022 Priority: Reducing Violence and Vulnerability

Definition of Violence:

Embraces the WHO definition recognising the links between different types of violence and the common risk factors and causes

"The intentional use of physical force or power, threatened or actual, against oneself, another person, or against a group or community, that either results in or has a high likelihood of resulting in injury, death, psychological harm, maldevelopment or deprivation". (WHO, 2002)

Priority Focus:

Domestic Abuse, Sexual Violence and Public Place Violence

Approach:

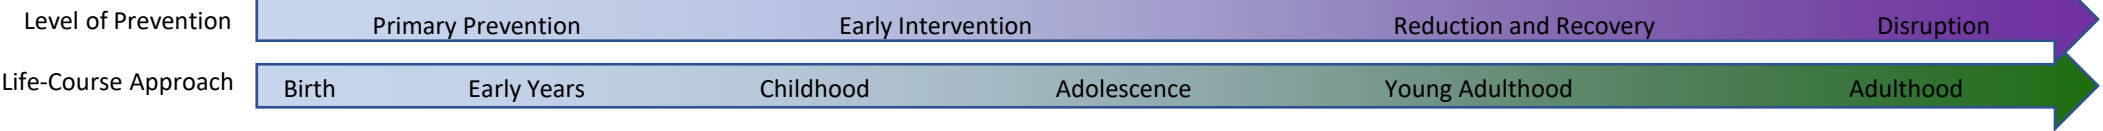

Embeds a Public Health approach into its governance structure, planning and delivery:

- Uses Data and Insights
- Population Focused
- With and For Communities
- Pursues short and long-term solutions (prevention)
- Evidence-based
- Whole System
