Strategy recap: Direct lending investment focus

Investment size

- Focus on lending to established mid-market companies and assets
- Avoid smaller, venture-type companies which carry additional risk considerations

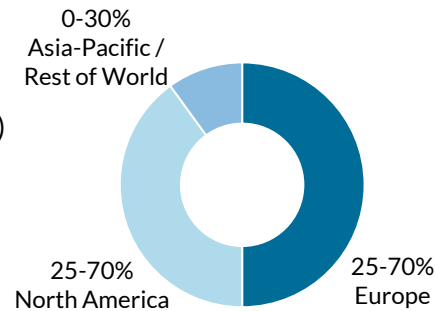

Debt tranche

Focus on the safest part of the capital structure

- First lien
- Unitranche
- Second lien
- Subordinated loan
- Equity kicker

Region

- Focus on developed markets (Western Europe and North America)
- Dynamically allocate according to relative value views

Types of company

- Focus on non-cyclical industry sectors
- Emphasis on established business with stable cash flow and attractive profitability

Private equity sponsor-backed	Established, profitable businesses
Stable, predictable cash flows	Conservative financial structures

Partners Group's Multi Asset Credit strategy

Source: Partners Group (2023). For illustration purposes only. There is no assurance that targets will be achieved. Senior debt includes first lien, second lien and unitranche. There is no assurance that the stated strategy will materialize. The actual development of the program depends on many factors and may differ significantly.
