representatives Councillors Richard Blunt, Tony Greenwood and Chris Frost to petition Blaby District Council to call on the Council to initiate a judicial review into their perverse decision to grant planning permission for Taylor Wimpey's planning application number 14/0917/1/0X at Barry Close/Barry Drive, Kirby Muxloe.

We the undersigned residents of Kirby Muxloe call upon Councillors Tony Greenwood, Chris Frost and all our Local Councillors for the Parish Council to offer financial support to Kirby Muxloe Residents Action Group to apply for a judicial review.

The safety of the residents of the Barry Drive Estate is already threatened at the Barry Close access and also along the rat run from the A47 Hinckley/Maytree Drive Junction, into Cherrytree Avenue, Barbara Avenue, Barry Drive and Station Road. Once the Lubbethorpe New Town has been built. In the next two years a minimum of 2000 cars will exit at the Beggars Lane/A47 junction many opting to use the rat run down Maytree Drive.

This will create a dangerous and chaotic situation and threatens the quality of life of local residents. Please give us the support we need."
