Applying capping and scaling to the Leicestershire School Funding Formula for 2026/27 will ensure the cost does not exceed the Schools Block Dedicated Schools Grant whilst continuing to fully reflect the National Funding Formula.

### **SCHOOL PLACES STRATEGY 2026 TO 2031.**

*Director of Children and Family Services*

- (a) That the outcome of consultation including the comments of the Children and Families Overview and Scrutiny Committee on the draft School Places Strategy 2026-2031 be noted;

To note the feedback received from the consultation on the Strategy which has informed the final version.

The School Places Strategy sets out how the Council will meet its statutory duties to ensure that there are sufficient high quality school places in Leicestershire which are in the right place, at the right time. It outlines the background, principles and challenges of delivering school places in the County and how the Council will work with stakeholders to fund and deliver places between 2026 and 2031.

The School Places Delivery Plan will set out how the ambitions detailed in the Strategy will be achieved.

**ITEM 6****CHILDREN AND FAMILY SERVICES

*Director of Children  
and Family Services*

That the Children and Family Services Departmental Plan 2026 to 2029 be approved.

**REASONS FOR DECISION:**

The Plan has been developed to fulfil statutory duties and provide a basis for the Children and Family Services' vision, planning, commissioning and delivery of services until 2029. The Plan and associated actions provide a vehicle for Children and Family Services to work together on shared priorities, maximise resources and expertise, and avoid duplication. Service delivery plans will be developed for each service area and progress will be monitored and reported to the Department Management Team on a quarterly basis.

**ITEM 7****CLIMATE RESILIENCE DELIVERY PLAN.**

*Director of  
Environment and  
Transport*

- (a) That the comments of the Environment, Flooding and Climate Change Overview and Scrutiny Committee be noted;
- (b) That the Climate Resilience Delivery Plan be approved.

**REASONS FOR DECISION:**

The Delivery Plan (previously the Net Zero Action Plans) has been produced in accordance with the Cabinet's decision from July 2025 to change the focus of activities from carbon reduction to climate adaptation and respond to severe weather events and projects that deliver financial savings or additional social, economic or environmental benefits.

The Delivery Plan includes actions reflecting the programme of flood mitigation and climate adaptation and resilience, as agreed by the Cabinet in October 2025.

**ITEM 8****LEICESTER AND LEICESTERSHIRE AUTHORITIES -  
STATEMENT OF COMMON GROUND RELATING TO  
HOUSING DISTRIBUTION.**

*Director of  
Environment and  
Transport*

- (a) That the County Council becomes a signatory to the Leicester and Leicestershire Authorities - Statement of Common Ground relating to housing distribution following the National Planning Policy Framework and new Standard Method published

December 2024 (December 2025) as set out in Appendix A to the report;

- (b) That the completion of associated evidence work on the Updated Housing Distribution Paper, which has informed the Statement of Common Ground, as set out in Appendix B, be noted.

#### REASONS FOR DECISION:

On 27 November 2025, the Government confirmed that the Duty to Co-operate will not be retained under the current plan making system and will cease to apply when new plan making regulations come into force (expected later in 2026). Notwithstanding this change, the National Planning Policy Framework (December 2024) requires “maintaining effective co-operation” across administrative boundaries (see paragraphs 24 to 28 below). Planning Inspectors are expected to continue to examine plans in line with these policies. In this context, Statements of Common Ground remain an appropriate method to document cross-boundary strategic matters, record areas of agreement and disagreement, and set out next steps, demonstrating that effective and ongoing joint working has taken place. This is particularly important for the County Council due to its responsibilities for highway and education matters, given the scale and criticality of infrastructure dependencies.

This Statement of Common Ground has been prepared jointly by the nine local authorities in Leicester and Leicestershire. It will directly support Blaby District Council, Hinckley and Bosworth Borough Council, North West Leicestershire District Council and Oadby and Wigston Borough Council in the submission of their respective Local Plans to the Planning Inspectorate before the end of December 2026.
