Summary and Explanation

Part 1 - Summary and Explanation

County Council's Constitution

1. This Constitution was formally adopted by the County Council on 11 April 2001. It sets out how the County Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the County Council to choose.
2. The Constitution is divided into 16 Articles which set out the basic rules governing the County Council's business. The Articles refer to more detailed procedures and Codes of Practice which are provided in separate Rules and Protocols in the later parts of the document. The Notes in italics do not form part of the Constitution.

What the Constitution covers

3. Article 1 of the Constitution commits the County Council to provide clear leadership to the community in partnership with citizens, businesses and other organisations, to take decisions efficiently and effectively, to hold decision-makers to public account, and to improve the delivery of services to the community. Articles 2 to 16 explain the rights of citizens and how the key parts of the County Council operate. These are:
 - Members of the County Council (Article 2).
 - Citizens and the County Council (Article 3).
 - The full County Council (Article 4).
 - Chairing the County Council (Article 5).
 - Overview and scrutiny committees (Article 6).
 - The Executive (Article 7).
 - The Health and Wellbeing Board (Article 7A).
 - Regulatory boards and other committees (Article 8).
 - The Corporate Governance Committee (Article 9).
 - Area committees and forums (Article 10).
 - Joint arrangements (Article 11).
 - Officers (Article 12).
 - Decision making (Article 13).
 - Finance, contracts and legal matters (Article 14).
 - Review and revision of the Constitution (Article 15).
 - Suspension, interpretation and publication of the Constitution (Article 16).

The County Council

4. The County Council is composed of 55 county councillors elected every four years. County councillors are democratically accountable to residents of their electoral division. The overriding duty of county councillors in their representational role is to the whole community, but they have a special duty to their constituents, including those who did not vote for them. The County Council has adopted a Code of Conduct dealing with the conduct that is expected of members when acting in that capacity.
5. All county councillors meet together as the full County Council. Meetings of the full County Council are normally open to the public. Here county councillors decide the County Council's overall policies and set the Budget (which includes the annual revenue budget and capital programme) each year. The full County Council also approves the Policy Framework which comprises a series of major Plans. The Executive has to work within the Budget and Policy Framework approved by the County Council. The County Council can approve (or reject) any proposals from the Executive for action which is outside the Budget or Policy Framework.

The Leader, Cabinet and Executive

6. The County Council appoints the Leader who in turn appoints the Cabinet. Cabinet members are designated Lead Members with responsibility for particular activities of the Council. The Council holds these members to account through Question Time and debating periodic Position Statements made by the Leader and other members of the Cabinet. The Leader will usually be the leader of the largest political group on the County Council. The Leader and the other members of the Cabinet together constitute the "Executive", which is the term used in the remainder of this Constitution. In the Articles and Rules which follow, the word "Executive" can be taken, in practice, to mean the Cabinet, whenever a meeting is involved.
7. Because the Leader is appointed by the full County Council, he or she is first and foremost the "Leader of the Council" - that is, having the political support of a majority of the County Council and, as such, leading the County Council forward and performing an important role in the County Council's external relations with other local authorities and local, regional and national organisations.
8. The Leader also has another, more internal, role as "Leader of the Executive" - that is, carrying the responsibilities and powers given to him or her by the Local Government Act 2000 and leading the work of the Executive.

9. The Leader will appoint one of the other members of the Executive as a Deputy Leader who will act in the Leader's place and preside at meetings of the Executive where the Leader is absent, in accordance with the law and the meeting procedure rules.

Non-executive members

10. Those county councillors who are not members of the Executive make a contribution to the operation of the County Council through membership of the County Council's committees (some of which are called "boards") - in the "Regulatory" and "Overview and Scrutiny" areas. The boards and committees in the Regulatory area will take decisions on "non-executive" functions (such as planning, employment, governance and audit, elections and members' code of conduct and allowances) which are outside the scope of the Executive.
11. Many of the day-to-day decisions within the Regulatory area will, in practice, be taken by professional officers acting in accordance with published schemes of delegation but ultimately still accountable to the relevant board or committee or the full County Council, depending on the decision involved.
12. In addition to approving the Policy Framework and Budget at the full County Council, county councillors may also contribute to policy formulation and review through membership of panels as mentioned in the Overview and Scrutiny section below.

How executive decisions are made

13. The Executive is the part of the County Council which is responsible for the more important executive decisions needed to implement the Policy Framework and Budget approved by the County Council. The Executive must consist of not fewer than three and not more than ten members – the Leader, Deputy Leader and the Cabinet. The Council may decide to appoint members to provide support and assistance to particular Cabinet Members. These are known as Cabinet Support Members and are not themselves members of the Executive.
14. The County Council has established a Health and Wellbeing Board as a Subcommittee of the Executive. It is responsible for producing the Joint Strategic Needs Assessment and Joint Local Health and Wellbeing Strategy and can also carry out such other functions as the Executive may permit.
15. Many day-to-day executive decisions are, taken by professional officers. They are, however, ultimately still accountable to the Executive.
16. The Executive has to make decisions which are in line with the County Council's overall policies and budget. If it wishes to make a decision which is outside the Budget or Policy Framework, this must be referred to the County Council as a whole to decide.

17. When major decisions are to be discussed or made, these are published in the Executive's Forward Plan in so far as they can be anticipated. If these major decisions are to be made at a meeting of the Executive, with professional officers present, this will generally be open for the public to attend, except where personal or confidential matters are being discussed. In the case of all personal or confidential matters to be discussed, these will be included in the Forward Plan as far as can be anticipated.

[Note: In adopting this Constitution the County Council went further than this: it decided, with the concurrence of the then Executive, that meetings of the Executive where any executive decisions (whether or not they are major) are to be taken, will generally be open to the public to attend, except where personal or confidential matters are being discussed. This is reflected in Article 7.06(a) in Part 2.

In addition, the County Council also decided, with the concurrence of the Executive, that no individual member of the Executive will be authorised to take an executive decision; such decisions will be taken either by the Executive collectively at a properly convened meeting of the Cabinet or by professional officers under the published schemes of delegation. This is reflected in Article 7.08 in Part 2]

Overview and Scrutiny

16. A number of Overview and Scrutiny bodies have been established in relation to the activities of the County Council, in accordance with the provisions of the Local Government Act 2000. Some bodies also exercise functions in relation to the National Health Service in the County under the Health and Social Care Act 2001. The operation of these bodies is described in paragraphs 17 to 22 below.
17. Social Services authorities such as the County Council are required to establish arrangements to review and scrutinise matters relating to the Health Services in the Authority's area and to make reports and recommendations.
18. There are a number of standing (i.e. permanent) overview and scrutiny committees including the Scrutiny Commission. These overview and scrutiny committees support the Executive and the County Council as a whole. The Health Overview and Scrutiny Committee has the task of scrutinising health bodies in the County.
19. The County Council will establish a joint committee with other Social Services Authorities to scrutinise any health issue or consultation which has an impact on an administrative area larger than the County Council where it considers it necessary or it is required to do so.
20. Scrutiny Committees allow citizens to have a greater say in County Council matters and things which the County Council is able to influence because at their meetings citizens may ask questions and present petitions provided that they

have followed the correct procedures. The Committees produce reports which advise the Executive and the County Council as a whole on its policies, budget and service delivery. Overview and scrutiny committees also monitor the decisions of the Executive. The Health Overview and Scrutiny Committee is able to make recommendations on a health service matter to the County Council who in turn may refer the matter to the Secretary of State.

21. In the case of County Council activities, any four members of the Council (at least two of which must be members of the Scrutiny Commission) can “call in” a decision which has been made by the Executive but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the Executive reconsiders the decision, although the final decision will still remain with the Executive. They may also be consulted by the Executive or the County Council on forthcoming decisions and the development of policy.
22. At any one time, there are a number of *ad hoc* (i.e. temporary) review panels which carry out specifically targeted reviews on issues identified as requiring special attention. These review panels are wound up once they have completed their work; other new review panels, with new remits, take their place. The purpose of these panels is not to exercise any formal powers associated with overview and scrutiny (which are the preserve of the overview and scrutiny committees) but to contribute to and inform the overview and scrutiny process. The panels, therefore, do not constitute formal committees; however, their final reports are submitted to the relevant overview and scrutiny committee for approval prior to their submission to the Executive and/or relevant partnership body.

The County Council's Staff

23. The County Council has people working for it (called ‘officers’) to give advice, implement decisions and manage the day-to-day delivery of its services. Some professional officers have a specific duty to ensure that the County Council acts within the law and uses its resources wisely. The Codes in Part 5 of this Constitution govern the relationships between officers and members of the County Council.
24. Officers may be authorised, either by the County Council, the Executive or a board/committee in the Regulatory area, to take decisions. The scope of these delegated powers is defined in the general scheme of delegation approved by the County Council and in the record of specific delegations made in further decisions of the County Council, the Executive and the boards and committees in the Regulatory area. All of these are published and appear in Part 9 of this Constitution.

Citizens' Rights

25. Citizens have a number of rights in their dealings with the County Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the County Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.
26. Where members of the public use specific County Council services, for example as a parent of a school pupil, they may have additional rights. These are not covered in this Constitution.
27. Citizens have the right to:
 - vote at local elections if they are registered;
 - contact their local county councillor about any matters of concern to them;
 - obtain a copy of the Constitution;
 - attend meetings of the County Council and its committees except where, for example, personal or confidential matters are being discussed;
 - petition to request a referendum on a mayoral form of Executive;
 - participate in question time at meetings of the standing overview and scrutiny committees and the boards and committees in the Regulatory area;
 - submit petitions to standing overview and scrutiny committees, the boards and committees in the Regulatory area, and, where fixed signatory thresholds are achieved, require senior officers to give evidence at a standing overview and scrutiny committee or prompt a debate at a meeting of the full County Council;
 - find out, from the Forward Plan, what major decisions are to be discussed by the Executive or decided by the Executive or officers, and when (Rule 14 in Part 4B);
 - attend meetings of the Executive where Key Decisions are being discussed or decided (Rule 12 in Part 4B);
 - see agendas, reports and background papers, and any record of decisions made by the County Council and Executive (Rules 5 to 8 in Part 4B);
 - find out, from the Forward Plan, what confidential or private matters are to be discussed or decided by the Executive;
 - make representations to the County Council on why an exempt matter to be considered by the Cabinet should be considered in public, rather than in private.
 - complain to the County Council about the services which it provides, in accordance with its Corporate Complaints Procedure;
 - complain to the Ombudsman if they think the County Council has not followed its procedures properly. However, they should only do this after using the County Council's own Complaints Procedure;
 - complain to the Chief Legal Officer and Monitoring Officer if they have evidence which they think shows that a county councillor has not followed the County Council's Code of Conduct; and

- inspect the County Council's accounts and make their views known to the external auditor.
28. The County Council welcomes participation by its citizens in its work. Further information on a citizen's rights in relation to the County Council can be obtained from Democratic Services, Department of Public Health, Communities, Law and Governance, County Hall, Glenfield, Leicester, LE3 8RA. (a) This general scheme of delegation relates to both executive and non-executive functions.

(b) This general scheme of delegation is supplemented by a series of specific decisions which:

- (i) define which officer is authorised to act as the “Proper Officer” for specified purposes; and*
- (ii) give additional delegated powers to heads of departments in relation to particular issues or areas of activity.*

The record of those specific decisions is maintained by the Chief Executive, is available for public inspection at County Hall during normal office hours and constitutes Part 9 of this Constitution.]

Preamble

1. The following delegated powers should be read in conjunction with Financial Procedure Rules (Part 4F) and Contract Procedure Rules (Part 4G).
2. Officers should also have regard to specific delegations to heads of departments, to the Standard Financial Procedures, to the personnel policies and procedures, and to any departmental rules and conventions, before exercising powers.
3. The powers delegated to officers under this scheme are in respect of executive or non-executive functions as the case may be.
4. In the case of a non-executive function, “relevant body” means the body responsible for the non-executive function concerned.

General conditions of delegation

5. Any exercise of delegated powers by officers:-
 - (a) shall comply with the Meeting Procedure Rules (Part 4A), Financial Procedure Rules (Part 4F) and Contract Procedure Rules (Part 4G) and the Standard Financial Instructions made by the Executive;

11. Where a power or duty is delegated to an officer, either directly or through designation as an authorised officer, and the exercise of that power or duty is contingent upon the opinion of the Council that particular conditions or factual circumstances exist, then the officer in question has the power to determine whether or not those circumstances exist or whether those conditions have been fulfilled in the name of and with the authority of the Council.
12. Delegation to officers shall be without prejudice to the overriding right of the County Council, Executive or other relevant body itself to decide any matter for which it has the capacity under the Local Government Act 2000 to take a decision or to call for information about a particular case or class of case relevant to its competence. In particular, a head of department may in any case, in lieu of exercising his or her delegated powers, refer a matter to the Executive or other relevant body, as the case may be, for decision.
13. Subject to the foregoing conditions and to any special conditions which may have been or may in future be applied in respect of particular matters, heads of departments will be expected to make such decisions and to initiate such action as they deem necessary in the interests of the efficient running of their departments and the services which they administer.
14. In the general scheme of delegation the term "employees" shall not include teachers employed by schools.
15. Delegations relate to all provisions for the time being in force under any applicable legislation. - (4) At any ordinary meeting of the Commission, boards or committees to which the press and public are admitted, any elector registered within the County may, subject to this Standing Order, ask the chairman of that body any question on any matter in relation to which it has powers and duties.
- (5) Any question submitted under paragraph (4) shall be submitted in writing to the Chief Executive not less than five clear days (including weekends and bank holidays) before the meeting at which the member or elector proposes to ask the question.

Scope of questions

- (6) The Chief Executive may decline to accept a proposed question if in his or her opinion it is:
 - (a) not relevant to the functions of the body concerned;
 - (b) contains personal remarks about an identifiable member or officer or language that is defamatory, frivolous, offensive , vexatious, derogatory or unlawful;
 - (c) is substantially similar to a question which has been put at a meeting in the past six months;
 - (d) relates to individual staffing matters or the personal information of Members or Officers;
 - (e) relates to complaints, investigations or conduct matters concerning identifiable members or officers;
 - (f) requires the disclosure of confidential or exempt information or compromises legal or commercial confidentiality;
 - (h) considered by the chairman to be inappropriate for the particular meeting.
- (7) Where a question is declined, the questioner will be advised of the reasons for that. Time permitting, the questioner will be given an opportunity to submit an amended question that will be considered afresh. For the avoidance of doubt, questions amended in this way must be delivered within the timescale referred to in paragraph 13.3 above

Putting and answering questions

- (8) Questions shall be put and answered in the order in which they were received and accepted by the Chief Executive.
- (9) The period allowed for the putting and answering of questions shall be ten minutes, commencing immediately following the confirmation of the minutes of the previous meeting, but it shall be open to any member of the body concerned to move an extension of this period should there be questions remaining unanswered. Such a motion shall be moved and seconded formally and be put without discussion.

Supplementary questions

- (10) After a question has been replied to, the elector who asked it may, if they are present at the meeting, ask one supplementary question for the purpose of clarifying the reply which has been given. An elector asking such a supplementary question shall comply with paragraph (3) above and confine himself or herself to the substance of the original question, and shall not introduce any new matter which did not fall within the scope of his or her original question. If the chairman of the meeting is of the opinion that the supplementary question is out of order, or of a personal character, or in the interests of the Council it is undesirable, he or she shall so inform the elector and shall not allow the question to be put. In paragraphs (11) – (14) of this Standing Order, the word "question" shall include such a supplementary question.

No discussion or decisions

- (11) Questions and supplementary questions and replies thereto shall be put and answered without discussion.
- (12) No decision can be made arising from a question except that a member of the body concerned may propose that the subject matter of the question be placed on the agenda of the next ordinary meeting of the body concerned. Such a motion shall be moved and seconded formally and be put without discussion.

Record of questions

- (13) Questions asked under this Procedure Rule will be recorded in the minutes of the meeting.
- (14) The Chief Executive will supply the questioner with a copy of the replies to their questions as soon as reasonably practicable after the meeting.

STANDING ORDER 33 **Petitions**

[Note: This Standing Order should be considered alongside the Petitions Scheme set out in Part 10 of the Council's Constitution.]

- (1) Petitions may be presented at meetings of the Commission, a board or committee, but not the Executive, in accordance with the conditions set out in the Petitions Scheme at Part 10 of this Constitution.
- (2) The Commission, board or committee shall receive only such petitions as have been lodged with the Chief Executive eight clear days before the meeting and are presented by a person who resides, studies or works in the County and/or is a recipient of County Council services and is associated with the petition. Petitions can also be presented by an elected member on behalf of such a person or can be considered in their absence. This Standing Order shall not apply to meetings of the Council or the Executive, subject to paragraphs (5) and (6) below.
- (3) Every petition shall be couched in proper language, must not be substantially similar to a petition which has been presented in the past six months but must be relevant to some question over which the Council or the Commission or board or committee concerned have authority, or which otherwise affects the County and shall involve a call for action. Signatories should record their name, address (and email address for electronic petitions) and date they signed the petition, and any residential, work or study addresses. The Chief Executive shall have the right to refuse to accept any petition which is considered to be frivolous, vexatious, discriminatory or otherwise inappropriate.
- (4) If the petitioner is present and wishes to do so, he or she may speak but only to the extent of formally repeating the wording of the petition and stating the number of signatories to it. The Commission, board or committee shall then debate the question raised by the petition at that meeting.
- (5) Nothing in this Standing Order will prevent a petition being presented elsewhere provided that it relates to a matter which is already before the body concerned.

- (6) Where a petition attracts significant support from the local community, defined as being signed by at least 10,000 persons living, working or studying in the Authority's area, it will be considered at a meeting of the full County Council.
- (7) Where a body considering a petition believes that a wider debate can be justified, it may report to a meeting of the full County Council, regardless of the number of signatories to that petition.
- (8) If the petition organiser feels unhappy with the way their petition was handled he/she can request that the Council review the steps taken in response to the petition. The petition organiser should contact Democratic Services and provide an explanation of the reasons why the way the petition has been dealt with is not considered to be adequate. The Council will consider the request and respond accordingly within 10 working days.

Section 3 – Interpretation, amendment and Suspension of Standing Orders

STANDING ORDER 34 Interpretation

The ruling of the Chairman as to the construction or application of any of these Standing Orders, or as to any proceedings of the Council, shall not be challenged at any meeting of the Council.

STANDING ORDER 36 Suspension

- (1) Subject to paragraph (2) of this Standing Order, any of the preceding Standing Orders may be suspended so far as regards any business at the meeting where its suspension is moved.
- (2) A motion to suspend any of the preceding Standing Orders shall not be moved without notice unless there shall be present at least one-half of the whole number of the members of the Council.

[Note: in various Rules in this Part, there are references to a period of notice for meetings, which is presently five days. The Government may make statutory regulations amending this period; if such regulations are made, then the relevant Rules will need to be read in the light of any changes brought about by those regulations. Similarly, the Government may amend the statutory definition of exempt information, which appears in the Schedule to these Rules; if such changes are made then the Schedule will be amended.]

The Government makes reference to clear days. Case law defines this as meaning, in effect, working days. Thus weekends and other days on which the Council's offices are closed are excluded as are the day of despatch and the day of the meeting.]

Part 4B - Access to Information Procedure Rules

RULE 1

Scope

These rules apply to all meetings of the County Council, overview and scrutiny committees, area committees (if any), the Member Conduct Panel and Regulatory boards and committees, and public meetings of the Executive (together called “meetings”).

RULE 2

Additional rights to information

These rules do not affect any more specific rights to information contained elsewhere in this Constitution or the law.

RULE 3

Rights to attend meetings

- (1) Members of the public may attend all meetings subject only to the exceptions in these Rules.
- (2) Members of the public attending meetings not covered by the exceptions in these rules shall be permitted to report on the proceedings of such meetings. Such reporting shall include filming or providing a commentary on proceedings using social media tools, providing that any such reporting does not cause obstruction so as to render the due and orderly despatch of business impossible.

RULE 4

Notices of meeting

The County Council will give at least five clear days notice of any meeting by posting details of the meeting at County Hall. It will also publish such details on its website.

RULE 5

Access to agenda and reports before the meeting

- (1) The County Council will make copies of the agenda and reports open to the public available for inspection at County Hall at least five clear days before the meeting and will publish these on its website. If an item is added to the agenda later, the revised agenda will be open to inspection from the time the item was added to the agenda. Where reports are prepared after the summons has been sent out, the Chief

Executive shall make each such report available to the public as soon as the report is completed and sent to County Councillors.

- (2) Where it is proposed to consider a matter in private at a meeting of the Executive, the agenda for that meeting will include:-
- (a) a statement of the reasons for the matter being considered in private;
 - (b) details of any representations received about why the matter should be considered in public;
 - (c) a statement of the response to any such representations;
 - (d) where the item has not been included on the Forward Plan and the agreement of the relevant persons has been obtained to enable the matter to be considered in accordance with Rule 16, a statement as to why the matter is urgent and cannot reasonably be deferred.
- (3) As the agenda for meetings of the Executive must be made available to the public and published on the Council's website, that document will constitute the necessary notices required under Section 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

RULE 6 ***Supply of copies***

The County Council will supply copies of:

any agenda and reports which are open to public inspection;
any further statements or particulars necessary to indicate the nature of the items in the agenda; and
if the Chief Executive thinks fit, any other documents supplied to County Councillors in connection with an item to any person;

on payment of a charge for postage and any other costs.

RULE 7 ***Access to minutes and decisions***

The County Council will make available copies of the following for six years after a meeting:

- (a) the minutes of the meeting or records of decisions taken, together with reasons, for all meetings of the Executive, excluding any part of the minutes of proceedings when the meeting was not open to the public or which disclose exempt or confidential information;
- (b) a summary of any proceedings not open to the public where the minutes open to inspection would not provide a reasonably fair and coherent record;

- (c) the agenda for the meeting; and
- (d) reports relating to items when the meeting was open to the public.

RULE 8

Background papers

The Proper Officer (in this context, the officer writing the report) will set out in every report a list of those documents (called background papers) relating to the subject matter of the report which in his/her opinion:

- (a) disclose any facts or matters on which the report or an important part of the report is based; and
- (b) which have been relied on to a material extent in preparing the report but does not include published works or those which disclose exempt or confidential information (as defined in Rule 10) and in respect of Executive reports, the advice of a political adviser (if any has been appointed).

The County Council will make available for public inspection for four years after the date of the meeting one copy of each of the documents on the list of background papers. In the case of reports submitted to the Executive, background papers will also be published on the County Council's website.

RULE 9

Summary of the public's rights

A written summary of the public's rights to attend meetings and to inspect and copy documents must be kept at and available to the public at County Hall. As the Constitution must be available to the public, then these Rules constitute the written summary.

RULE 10

Exclusion of access by the public to meetings

- (1) The public **must** be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed.
- (2) The public **may** be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed. Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

- (3) “Confidential information” means information given to the County Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.
- (4) “Exempt information” means information falling within the statutory categories (subject to any qualification) described in the schedule to these Rules. Information is not exempt if it relates to proposed development for which the local planning authority can grant itself planning permission under Regulation 3 of the Town and Country Planning General Regulations 1992. Information is only “exempt information” if and so long as in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

RULE 11

Exclusion of access by the public to reports

If the Chief Executive thinks fit, the County Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked “Not for publication” together with the category of information likely to be disclosed.

RULE 12

Application of Rules to the Executive

- (1) Rules 13 to 25 apply to the Executive and its committees (if any). If the Executive or its committees meet to take a Key Decision then it must also comply with Rules 1 to 11 unless Rule 15 (general exception) or Rule 17 (special urgency) apply. A Key Decision is as defined in Article 13.03 of this Constitution.
- (2) If the Executive or its committees (if any) meet to discuss a Key Decision, with an officer other than a political assistant present, within 28 days of the date according to the Forward Plan by which it is to be decided, then it must also comply with Rules 1 to 11 unless Rule 15 (general exception) or Rule 17 (special urgency) apply. This requirement does not include meetings, whose sole purpose is for officers to brief members.

RULE 13

Procedure before taking Key Decisions

Subject to Rule 15 (general exception) and Rule 17 (special urgency), a Key Decision may not be taken unless:

- (a) a notice (called here a Forward Plan) has been published in connection with the matter in question;
- (b) at least 28 clear days have elapsed since the publication of the Forward Plan; and
- (c) where the decision is to be taken at a meeting of the Executive or its committees (if any), notice of the meeting has been given in accordance with Rule 4 (notice of meetings).

[Note: a Key Decision is defined, in principle, in Article 13.03 in Part 2 (Articles). The local working definition of a Key Decision is in Rule 8 in Part 4D (Executive Procedure Rules)]

RULE 14 ***The Forward Plan***

- (1) At least 28 clear days before decisions of the nature set out in paragraph (2) are to be taken by a decision making body exercising executive functions the Chief Executive will produce a Forward Plan setting out the details. The Forward Plan will be published on the County Council's website and made available for inspection by members of the public.
- (2) The Forward Plan will contain matters which are considered to involve:-
 - (a) a key decision, and/or
 - (b) a matter where it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential or exempt information would be disclosed and therefore it is proposed that the public be excluded from the meeting (i.e. the matter will be considered in private).
- (3) Where a decision maker intends to make a key decision the Forward Plan will describe the following particulars in so far as the information is available or might reasonably be obtained:-
 - (a) that a key decision is to be made on behalf of the County Council
 - (b) the matter in respect of which the decision is to be made;
 - (c) where the decisions maker is an individual, that individual's name, and title if any and, where the decision maker is a decision-making body, its name and a list of its members;
 - (d) the date on which, or the period within which, the decision is to be made;
 - (e) a list of the documents submitted to the decision maker for consideration in relation to the matter in respect of which the key decision is to be made;
 - (f) the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed is available;

- (g) that other documents relevant to those matters may be submitted to the decision maker; and
 - (h) the procedure for requesting details of those documents (if any) as they become available.
- (4) Where a matter is to be considered in private the Forward Plan will give notice of the Authority's intentions and will give a statement of the reasons for doing so.

RULE 15

General exception

- (1) If a matter which is likely to be a Key Decision has not been included in the Forward Plan, then subject to Rules 16 (confidential and exempt items) and 17 (special urgency), the decision may still be taken if:
- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next Forward Plan;
 - (b) the Chief Executive has informed the chairman of a relevant overview and scrutiny committee, or if there is no such person, each member of that committee in writing, by notice, of the matter on which the decision is to be made and the reasons why inclusion on the Forward Plan is impractical;
 - (c) the Chief Executive has made copies of that notice available to the public at County Hall and the notice has been published on the Council's website; and
 - (d) at least five clear days have elapsed since the Chief Executive complied with (b) and (c).

RULE 16

Confidential and Exempt Items

Where confidential or exempt items have not been included on the Forward Plan in accordance with Rule 14 the matter may still be considered where agreement that the matter is urgent and cannot reasonably be deferred has been obtained from:-

- (a) the chairman of the relevant overview and scrutiny committee; or
- (b) if there is no such person, or if the chairman of the relevant overview and scrutiny committee is unable to act, the agreement of the chairman of the County Council or in his/her absence the vice-chairman will suffice.

RULE 17
Special urgency

- (1) If by virtue of the date by which a decision must be taken Rule 15 (general exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the chairman of the body making the decision, obtains the agreement of the chairman of a relevant overview and scrutiny committee that the taking of the decision cannot be reasonably deferred.
- (2) If there is no chairman of a relevant overview and scrutiny committee, or if the chairman of each relevant overview and scrutiny committee is unable to act, then the agreement of the Chairman of the County Council, or in his/her absence the Vice-chairman will suffice.
- (3) The decision taker must make available to the public a notice setting out the reasons why the meeting is urgent and cannot reasonably be deferred and must publish that notice on the County Council's website.

RULE 18
Report to County Council

- (1) If an overview and scrutiny committee thinks that a Key Decision has been taken which was not:
 - (a) included in the Forward Plan; or
 - (b) the subject of the general exception procedure; or
 - (c) the subject of an agreement with a relevant overview and scrutiny committee chairman, or the chairman / vice-chairman of the County Council under Rule 17;

the committee may require the Executive to submit a report to the County Council within such reasonable time as the committee specifies. The power to require a report rests with the committee, but is also delegated to the Chief Executive, who shall require such a report on behalf of the committee when so requested by its chairman or any four of its members. Alternatively, the requirement may be raised by resolution passed at a meeting of the relevant overview and scrutiny committee.

- (2) The Executive will prepare a report for submission to the next available meeting of the County Council. However, if the next meeting of the County Council is within seven days of receipt of the written notice, or the resolution of the committee, then the report may be submitted to the meeting after that. The report to County Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a Key Decision the reasons for that opinion.

- (3) In any event the Leader will submit annual reports to the County Council on any Executive decisions taken in the circumstances set out in Rule 17 (special urgency) in the preceding twelve months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

RULE 19 ***Record of decisions***

After any meeting of the Executive or any of its committees, whether held in public or private, the Chief Executive or, where no officer was present, the person presiding at the meeting will as soon as practical produce a statement of every decision taken at the meeting. The statement will include:-

- (a) a record of the decision including the date it was made;
- (b) a record of the reasons for the decision;
- (c) details of any alternative options considered and rejected by the decision-making body at the meeting at which the decision was made;
- (d) a record of any conflict of interest relating to the matter decided which is declared by any member of the decision-making body which made the decision; and
- (e) in respect of any declared conflict of interest, a note of dispensation granted by the Chief Executive.

RULE 20 ***Executive meetings relating to matters which are not Key Decisions***

Subject to Article 7.06(a) in Part 2 of this Constitution, the Executive will decide whether meetings relating to matters which are not Key Decisions will be held in public or private.

[Note: in Rules 21, 22 and 25(1) "private meeting of the Executive" means a meeting of the Executive at which decisions which are not Key Decisions are taken and which the Executive has decided should be held in private, as permitted by the Local Government Act 2000. Rule 20 restates the powers given to the Executive to do this by the Local Government Act 2000. However, in adopting this Constitution the County Council decided, with the concurrence of the then Executive, that all meetings of the Executive where any executive decisions (of whatever kind) are to be taken will be held in public, except where the public may be excluded in accordance with Rule 10. Therefore, while that County Council decision remains in operation and is reflected in Article 7.06(a), Rule 20 is effectively suspended and the provisions relating to "private meeting of the Executive" in Rules 21, 22 and 25(1) are of no practical effect]

RULE 21***Notice of private meeting of the Executive***

Members of the Executive or its committees will be entitled to receive three clear working days notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

RULE 22***Attendance at meetings of the Executive and its committees***

- (1) All members of the Executive will be served notice of a private meeting of a committee of the Executive (if any), whether or not they are members of that committee, and will be entitled to attend and speak at that meeting.
- (2) Members other than Executive members will not be entitled to attend private meetings of the Executive, and its committees.
- (3) In accordance with Standing Order 34(3) in Part 4A, any Council member may attend as an observer at decision-making meetings of the Executive, including meetings or items of business from which the public has been excluded. If given permission by the chairman of the meeting, a member attending as an observer may speak (but not vote) on any matter.
- (4) The Chief Executive as Head of the Paid Service, the Chief Financial Officer, and the Director of Law and Governance as Monitoring Officer (and their nominees) are entitled to attend any meeting of the Executive and its committees where any executive decisions are to be taken.
- (5) Where the Executive meets in private and without an officer being present, the person presiding will have responsibility for compliance with any relevant requirements of Rule 19 (recording and publicising decisions).

RULE 23***Decisions by individual members of the Executive and officers***

- (1) Where an individual member of the Executive receives a report which he/she intends to take into account in making any Key Decision, then he/she will not make the decision until at least 28 clear days notice has been given.
- (2) On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the chairman of every

relevant overview and scrutiny committee as soon as reasonably practicable, and make it publicly available at the same time.

- (3) As soon as reasonably practicable after an executive decision has been taken by an individual member of the Executive, he/she will prepare, or instruct the Chief Executive to prepare, a record of the decision, a statement of the reasons for it, any alternative options considered and rejected, a record of any conflict of interest declared by any executive member who is consulted by the officer which relates to the decision and, in respect of any declared conflict of interest, a note of dispensation granted by the Head of Paid Service.
- (4) As soon as reasonably practicable after an officer has made a relevant executive decision, he/she must produce a written statement which includes a record of the decision including the date it was made, a record of the reasons for the decision, details of any alternative options considered and rejected by the officer when making the decision, a record of any conflict of interest declared by any executive member who is consulted by the officer which relates to the decision and in respect of any declared conflict of interest, a note of dispensation granted by the Head of Paid Service.
- (5) The provisions of Rules 7 and 8 (inspection of documents after meetings) will also apply to the making of decisions by individual members of the Executive. This does not require the disclosure of exempt or confidential information or advice from a political assistant (if any).

[Note: in adopting this Constitution the County Council decided, with the concurrence of the Executive, that no executive decisions will be taken by individual members of the Executive. Therefore, while that decision remains effective and is reflected in Article 7.08, those parts of Rule 23 which relate to such decisions have no practical effect]

RULE 24

Overview and scrutiny committees access to documents

- (1) Subject to paragraph (2) of this Rule, an overview and scrutiny committee (including its sub-committees) will be entitled to copies of any document which is in the possession or control of the Executive or its committees and which contains material relating to
 - (a) any business transacted at a public or private meeting of the Executive or its committees;
 - (b) any decision taken by an individual member of the Executive; or
 - (c) any decision taken by an officer of the authority in accordance with executive arrangements.
- (2) An overview and scrutiny committee will not be entitled to:

- (b) any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision they are reviewing or scrutinising or intend to scrutinise; or
- (c) the advice of a political adviser (if any).

RULE 25***Additional rights of access for members***

- (1) All members of the County Council will be entitled to inspect any document which is in the possession or under the control of the Executive or its committees and contains material relating to any business previously transacted at a private meeting, unless either (a), (b) or (c) below applies:
 - (a) It contains exempt information falling within paragraphs 1, 2, 4, 5 and 7 of the categories of exempt information; or
 - (b) It contains information falling within paragraph 3 of the categories of exempt information and that information relates to any terms proposed or to be proposed by or to the Authority in the course of negotiations for a contract.
 - (c) It contains the advice of a political adviser.
- (2) All members of the County Council will be entitled to inspect any document (except those available only in draft form) in the possession or under the control of the Executive or its committees which relates to any Key Decision unless paragraph (a) or (b) above applies.
- (3) These rights of a member are additional to any other right he/she may have.

8. [In-year changes to Policy Framework](#)
9. [Call-in of decisions outside the Budget or Policy Framework](#)

RULE 1***The Framework for Executive decisions***

The County Council will be responsible for the adoption of its Budget (which includes both the annual revenue budget and the capital programme) and for the adoption of each of the Plans which comprise the Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Executive to implement it.

RULE 2***Process for developing the Policy Framework***

The process by which the Plans comprising the Policy Framework are developed will be:

- (a) The Policy Framework will usually be developed through the work of the *ad hoc* review panels and as a product of the roll-forward of the Plans which form part of the Policy Framework. Those undertaking any review and roll-forward process will canvass the views of local stakeholders as appropriate and in a manner suitable to the matter under consideration. The results of a review or roll-forward process will be presented to the Executive for consideration.
- (b) The Executive's proposals in response to the review or roll-forward process will be referred to the relevant overview and scrutiny committee for any further advice and consideration. The overview and scrutiny committee will canvass the views of local stakeholders if it considers it appropriate in accordance with the matter under consideration, but having particular regard not to duplicate any consultation carried out earlier. The overview and scrutiny committee will report to the Executive on the outcome of its deliberations. The overview and scrutiny committee will have four weeks to respond to the initial proposals of the Executive unless the Executive considers that there are special factors that make this timescale inappropriate. If it does, it will inform the overview and scrutiny committee of the time for response when the proposals are referred to it.
- (c) The Executive, if it considers it appropriate, may amend its proposals having considered the report of the overview and scrutiny committee. If the Executive's final proposals do not require submission to the County Council because they are within the approved Policy Framework and/or Budget, then those proposals may be implemented by the Executive without reference to the County Council. If the

Executive's proposals do require submission to the County Council, then they will be submitted to the County Council for consideration. The Executive will also report to County Council on how it has taken into account any recommendations from the overview and scrutiny committee.

- (d) The County Council will consider the proposals of the Executive and may adopt them, amend them, refer them back to the Executive for further consideration, or substitute its own proposals in their place. In considering the matter, the County Council shall have before it the Executive's proposals and any report from any relevant overview and scrutiny committee.

RULE 3

Process for approving the Budget

The County Council adopts a Medium Term Financial Strategy which sets out the financial proposals for the County Council for a four year period. This will be reviewed and updated annually. The process by which the Budget is approved will be:

- (a) In early December the Executive will consider and determine its budget strategy. This will enable detailed budget proposals to be determined taking into account any developments and particularly any announcement from the Secretary of State concerning local government finance.
- (b) By mid-January the Executive will publish its detailed budget proposals and will refer them to the relevant overview and scrutiny committee(s) for consideration. The overview and scrutiny committee(s) will have at least three weeks to respond to the detailed budget proposals of the Executive unless the Executive considers that there are special factors that make this timescale inappropriate. If it does, it will inform the overview and scrutiny committee(s) of the reasons why and of the time for response when the detailed budget proposals are referred to it.
- (c) The Executive may, if it considers it appropriate, amend its detailed budget proposals in time for submission to the Budget Meeting of the County Council, alerting the Chairman of the Scrutiny Commission to any major changes so that if appropriate and practical these can be the subject of further consideration by the Scrutiny Commission.
- (d) Changes to the Budget and Policy Framework are reserved to the County Council.

RULE 4

Council decision and Leader's objection

- (a) The County Council's decision on the Policy Framework or Budget will be publicised in accordance with Article 4 and a copy shall be given to

the Leader. The notice of decision will be dated and will state either that the decision shall be effective immediately (if the County Council accepts the Executive's proposals without amendment) or (if the Executive's proposals are not accepted without amendment), that the County Council's decision will become effective on the expiry of five working days after the publication of the notice of decision, unless the Leader objects to it in that period.

- (b) If the Leader objects to the decision of the County Council, he/she will give written notice to the Chief Executive to that effect prior to the date upon which the decision is to be effective. The written notification must state the reasons for the objection. Where such notification is received, the Chief Executive will convene a further meeting of the County Council to reconsider its decision and the decision shall not be effective pending that meeting.
- (c) The County Council meeting must take place within 21 working days of the receipt of the Leader's written objection. At that County Council meeting, the decision of the County Council will be reconsidered in the light of the objection, which will be available in writing for the County Council.
- (d) The County Council will at that meeting make its final decision on the matter on the basis of a simple majority. The decision shall be made public in accordance with Article 4, and shall be implemented immediately.
- (e) The Leader may, in respect of a specific decision of the County Council, waive his/her right of objection as described in paragraph (a) above if he/she deems that the interests of the County Council will be better served if the County Council's decision (even though it represents an amendment to the Executive's proposals) is acceptable and should be implemented immediately. The Leader may signify his/her waiver (which will be irrevocable) verbally at any time during the County Council meeting or in writing at any time during the five working days thereafter. If made at the meeting, the Leader's waiver will be recorded in the minutes. If made after the meeting, the Chief Executive will keep the written waiver and its existence will be noted in the minutes of the meeting involved.

RULE 5

Decisions outside the Budget or Policy Framework

- (a) Subject to the provisions of Rule 7 below (virement) and Financial Procedure Rule 8 (Implementation and amendment of approved capital programme) the Executive, committees of the Executive, individual members of the Executive and any officers, area committees or joint arrangements discharging Executive functions may only take decisions which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the

Policy Framework, or contrary to or not wholly in accordance with the Budget approved by full County Council, then that decision may only be taken by the County Council, subject to Rule 6 below.

- (b) If the Executive, committees of the Executive, individual members of the Executive and any officers, area committees or joint arrangements discharging Executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Financial Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework, then the decision must be referred by that body or person to the County Council for decision, unless the decision is a matter of urgency, in which case the provisions in Rule 6 (urgent decisions outside the Budget and Policy Framework) shall apply.

[Note: the County Council decided, with the concurrence of the Executive, that no individual member of the Executive will be authorised to take an executive decision; such decisions will be taken either by the Executive collectively at a properly convened meeting or by professional officers under the published schemes of delegation. While that decision remains effective and is reflected in Article 7.08, those provisions in Rules 5 and 6 which relate to individual members of the Executive have no practical effect]

[Note: the County Council has yet to decide to appoint area committees.]

RULE 6

Urgent decisions outside the Budget or Policy Framework

- (a) The Executive, a committee of the Executive, an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions may take a decision which is contrary to the County Council's Policy Framework or contrary to or not wholly in accordance with the Budget approved by full County Council if the decision is a matter of urgency. However, the decision may only be taken:
- (i) if it is not practical to convene a quorate meeting of the full County Council; and
 - (ii) if the chairman of a relevant overview and scrutiny committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full County Council and the chairman of the relevant overview and scrutiny committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chairman of a relevant overview and scrutiny committee the consent of

the Chairman of the County Council, and in the absence of both, the Vice-chairman, will be sufficient.

- (b) Following the decision, the decision taker will provide a full report to the next available County Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

RULE 7 ***Virement***

Steps taken by the Executive, a committee of the Executive, an individual member of the Executive, officers, area committees or joint arrangements discharging Executive functions to implement County Council policy shall not exceed those budgets allocated. Such bodies or individuals shall be entitled to vire across budget heads in accordance with the Standard Financial Instructions made under the Financial Procedure Rules in Part F.

RULE 8 ***In-year changes to Policy Framework***

The responsibility for agreeing the Budget and Policy Framework lies with the County Council, and decisions by the Executive, a committee of the Executive, an individual member of the Executive or officers, area committees or joint arrangements discharging Executive functions must be in line with it. No changes to any policy and strategy which make up the Policy Framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the Policy Framework in respect of a policy which would normally be agreed annually by the County Council following consultation, but where the existing policy document is silent on the matter under consideration; or
- (d) which relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change.

RULE 9 ***Call-in of decisions outside the Budget or Policy Framework***

- (a) Where an overview and scrutiny committee is of the opinion that an Executive decision is, or if made would be, contrary to the Policy Framework, or contrary to or not wholly in accordance with the County Council's Budget, then it shall seek advice from the Monitoring Officer and/or Chief Financial Officer.
- (b) In respect of functions which are the responsibility of the Executive, the Monitoring Officer's report and/or Chief Financial Officer's report shall be addressed to the Executive, with a copy to every member of the

County Council. Regardless of whether the decision is delegated or not, the Executive must meet to decide what action to take in respect of the report and to prepare a report to County Council in the event that the Monitoring Officer or the Chief Financial Officer conclude that the decision was a departure, and to the overview and scrutiny committee if the Monitoring Officer or the Chief Financial Officer conclude that the decision was not a departure.

- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Financial Officer is that the decision is or would be contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, the overview and scrutiny committee may refer the matter to County Council. In such cases, no further action will be taken in respect of the decision or its implementation until the County Council has met and considered the matter. The County Council shall meet within 21 days of the request by the overview and scrutiny committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Financial Officer. The County Council may either:
 - (i) endorse a decision or proposal of the Executive decision taker as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the County Council be minuted and circulated to all county councillors in the normal way; or
 - (ii) amend the County Council's financial arrangements or policy concerned to encompass the decision or proposal of the body or individual responsible for that Executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the County Council be minuted and circulated to all county councillors in the normal way; or
 - (iii) where the County Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget, and does not amend the existing framework to accommodate it, require the Executive to reconsider the matter in accordance with the advice of either the Monitoring Officer/Chief Financial Officer.

RULE 1
The discharge of Executive functions

The arrangements for the discharge of Executive functions are set out in the Executive Arrangements adopted by the County Council. Article 7.08 prohibits the delegation of Executive functions to individual members of the Executive. Subject to Article 7.08 the Leader may decide how Executive functions are to be exercised. In either case, the Executive Arrangements or the Leader may provide for Executive functions to be discharged by:

- (a) the Executive as a whole;
- (b) a committee of the Executive;
- (c) an individual member of the Executive;
- (d) an officer;
- (e) an area committee;
- (f) joint arrangements; or
- (g) another local authority.

[Note: while the County Council decision reflected in Article 7.08 remains in operation, the provisions in Rules 1 and 2 which relate to an individual member of the Executive will have no practical effect.]

RULE 2
The delegation of Executive functions

- (a) Subject to Article 7.08, at the annual meeting of the County Council, the Leader will present to the County Council a written record of any delegations made by him or her for inclusion in the County Council's scheme of delegation at Part 3 to this Constitution. The document presented by the Leader will contain the following information about Executive functions in relation to the coming year:
 - (i) the extent of any authority delegated to Executive members individually, including details of the limitation on their authority;
 - (ii) the terms of reference and constitution of such Executive committees as the Leader appoints and the names of Executive members appointed to them;
 - (iii) the nature and extent of any delegation of Executive functions to area committees, any other authority or any joint arrangements and the names of those Executive members appointed to any joint committee for the coming year; and
- (b) Where the Executive, a committee of the Executive or an individual member of the Executive is responsible for an Executive function, they may delegate further to an area committee, joint arrangements or an officer.

- (c) Unless the County Council directs otherwise, if the Leader delegates functions to the Executive, then the Executive may delegate further to a committee of the Executive or to an officer.
- (d) Unless the Leader directs otherwise, a committee of the Executive to whom functions have been delegated by the Leader may delegate further to an officer.
- (e) Even where Executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

RULE 3

The County Council's Scheme of Delegations and Executive functions

- (a) Subject to (b) below the County Council's Scheme of Delegations will be subject to adoption by the County Council and may only be amended by the County Council. It will contain the details required in Article 7.07 and set out in Part 3 of this Constitution.
- (b) Subject to Article 7.08, the Leader may amend the Scheme of Delegations relating to Executive functions at any time during the year. To do so, the Leader must give written notice to the Chief Executive and to the person, body or committee concerned. The notice must set out the extent of the amendment to the Scheme of Delegation, and whether it entails the withdrawal of delegation from any person, body, committee or the Executive as a whole. The Chief Executive will present a report to the next ordinary meeting of the County Council setting out the changes made by the Leader.
- (c) Where the Leader seeks to withdraw delegation from a committee, notice will be deemed to be served on that committee when he or she has served it on its chairman.

RULE 4

Conflicts of Interest

- (a) Conflicts of interest for the Leader and/or other members of the Executive should be dealt with having regard to the County Council's Code of Conduct for Members in Part 5 of this Constitution. Dispensation may be granted where appropriate in accordance with any legislation applying for the time being.
- (b) If the exercise of an Executive function has been delegated to a committee of the Executive, an individual member or an officer, and should a conflict of interest arise, then the function will be exercised by the person or body by whom the delegation was made.

RULE 5
Executive Meetings

- (a) The meetings of the Executive will be conducted in accordance with those Standing Orders in the Meeting Procedure Rules in Part 4A of this Constitution which are relevant to the Executive.

[Note: The “Executive” means the Leader and Cabinet, and a meeting of the Executive will usually, in the normal course of the County Council’s business, be referred to as a “Cabinet Meeting”. The relevant Standing Orders are 34 and 35, which in turn apply Standing Orders 15 to 20, 22 to 27 and 29 to 31, with any necessary modification.]

- (b) The Executive will observe those requirements of the Access to Information Procedure Rules in Part 4B of this Constitution.

RULE 6
Consultation

All reports to the Executive from any member of the Executive or an officer on proposals relating to the budget and Policy Framework must contain details of the nature and extent of consultation with stakeholders and relevant overview and scrutiny committees, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

RULE 7
Executive agenda

- (a) The Leader will decide upon the schedule for the meetings of the Executive. He or she may put on the agenda of any Executive meeting any matter which he or she wishes, whether or not authority has been delegated to the Executive, a committee of it or any member or officer in respect of that matter. The Chief Executive will comply with the Leader’s requests in this respect.
- (b) Any member of the Executive may require the Chief Executive to make sure that an item is placed on the agenda of the next available meeting of the Executive for consideration.
- (c) The Chief Executive will make sure that an item is placed on the agenda of the next available meeting of the Executive where a relevant overview and scrutiny committee or the full County Council have resolved that an item be considered by the Executive.

- (d) Any member of the County Council may ask the Leader to put an item on the agenda of an Executive meeting for consideration, and if the Leader agrees the item will be considered at the next available meeting of the Executive. The notice of the meeting will give the name of the County Councillor who asked for the item to be considered. The individual member may attend the meeting in accordance with Standing Order 33 in the Meeting Procedure Rules in Part 4A of this Constitution.
- (e) The Monitoring Officer and/or the Chief Financial Officer may include an item for consideration on the agenda of an Executive meeting and may require the Chief Executive to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Head of Paid Service, Chief Financial Officer and Monitoring Officer are of the opinion that a meeting of the Executive needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of an Executive meeting. If there is no meeting of the Executive soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

RULE 8

Working definition of “Key Decision”

For the purposes of Article 13.03 (Types of decision) and Rule 14 of the Access to Information Procedure Rules (Part 4B), a decision which falls within any of the following working definitions will be deemed to be a Key Decision for the purpose of making decisions and will be dealt with accordingly:

- (i) a report proposing changes or additions to the Plan Framework (as defined in the Constitution), arising from the Plans Roll-forward or otherwise;
- (ii) a report in connection with the preparation of the annual revenue budget;
- (iii) a report in connection with the preparation of the capital programme;
- (iv) a report proposing specific action which is outside the Plan Framework, annual revenue budget or capital programme previously approved by the County Council;
- (v) a report of a Review Panel (which has conducted a review: commissioned by the Executive; or by an overview and scrutiny committee) which requires a decision to be made by the Executive;
- (vi) expenditure or savings which the Chief Financial Officer together with the Director of Law and Governance consider to be significant having regard to the budget for the service or function to which the decision relates;
- (vii) a report proposing action which the originator of the report, in consultation with his or her chief officer, believes may have a

- significant impact on communities living or working in an area comprising two or more County Council electoral divisions;
- (viii)*a report proposing the closure of, or reduction by more than ten percent in the level of service (for example in terms of funding, staffing or hours of operation) provided from, any facility from which County Council services are provided; or
 - (ix) a report which in the opinion of the Chief Executive or Monitoring Officer involves a material departure from a policy or plan previously agreed at elected member level.

*[*Note: Where the closure or reduction is as a result of time-limited external funding coming to an end and there is no reasonable prospect of continuing the service, other than on a transitional basis, this provision does not apply.]*

Part 4E - Overview and Scrutiny Procedure Rules

RULE 1

The number and arrangements for overview and scrutiny committees

The Council will have the overview and scrutiny committees and subcommittees set out in Article 6 and will appoint them as it considers appropriate from time to time. In the case of bodies dealing with County Council functions such committees may appoint subcommittees subject to the approval of the Scrutiny Commissioners. Such references in these rules to an overview and scrutiny committee shall be deemed to include references to subcommittees.

RULE 2

The Scrutiny Commissioners

1. The Scrutiny Commissioners will be appointed by Council in accordance with Article 6 of this Constitution.
2. The Scrutiny Commissioners will exercise the following responsibilities in relation to the overview and scrutiny of the discharge of County Council functions, whilst recognising that scrutiny committees are encouraged to set their own relevant agendas:
 - (a) agree job descriptions for the Scrutiny Commissioners and for the Chairmen, Deputy Chairmen and Spokespersons of the overview and scrutiny committees;
 - (b) to approve an annual overview and scrutiny work programme for the Scrutiny Commission, to ensure that there is efficient use of the committees' time, and that the potential for duplication of effort is minimised;
 - (c) to oversee the work of all other overview and scrutiny committees and scrutiny review panels;
 - (d) where matters fall within the remit of more than one overview and scrutiny committee, to determine which of them will assume responsibility for any particular issue, and to resolve any issues of dispute between overview and scrutiny committees;
 - (e) to receive requests from the Executive and/or the full County Council for reports from overview and scrutiny committees and to allocate them if appropriate to one or more overview and scrutiny committees;

- (f) to put in place and maintain a system to ensure that referrals from Overview and Scrutiny to the Executive, either by way of report or for reconsideration, are managed efficiently;
- (g) at the request of the Executive, to make decisions about the priority of referrals made if the volume of such referrals creates difficulty for management of Executive business or jeopardises the efficient running of County Council business.

RULE 3

Membership of overview and scrutiny committees

1. Membership of the Scrutiny Commission and other overview and scrutiny committees will be determined by full Council
2. All County Councillors except members of the Executive and Cabinet Support Members may be members of an overview and scrutiny committee which deals with County Council functions. No member may be involved in scrutinising a decision with which he/she has been directly involved.

RULE 4

Co-opted members

Each overview and scrutiny committee shall be entitled to recommend to the County Council the appointment of a number of people as co-opted members as set out in the Table below. In the case of voting co-opted members this will be subject to the approval by the Local Authorities (Committees) (England) Regulations 2012.

[Note: the County Council has determined that it is unnecessary to co-opt people who are not County Councillors to be members of an overview and scrutiny committee, save to the extent required by law as described in Rule 5. However an overview and scrutiny committee may, if it wishes, invite individuals to attend to contribute to the discussion of a specific matter at a specific meeting. Such invitations should be regarded as exceptional and should not become a matter of routine.]

committee/sub-committee	permitted co-options
<i>[not in operation]</i>	

RULE 5***Education representatives***

- (a) Each relevant overview and scrutiny committee dealing with education matters shall include in its membership the following education representatives from schools maintained by the local education authority:
- (i) 1 Church of England diocese representative;
 - (ii) 1 Roman Catholic diocese representative; and
 - (iii) 2 parent governor representatives.
- (b) A relevant overview and scrutiny committee in this Rule is an overview and scrutiny committee of a local education authority, where the committee's functions relate wholly or in part to any education functions which are the responsibility of the authority's Executive. The rights of education representatives to participate in and vote on issues related to education functions will be subject to the provisions of any relevant statutory regulations. If the overview and scrutiny committee deals with other matters, these representatives shall not vote on those other matters, though they may stay in the meeting and speak.

[Note: for the purposes of this Rule the relevant overview and scrutiny committee is the Children and Families Overview and Scrutiny Committee.

There are currently no Roman Catholic schools maintained by the local education authority.]

RULE 6***Chairmanship and meetings of the overview and scrutiny committees***

- (a) The appointment of the Chairman of the Scrutiny Commission and the Chairmen of the other standing overview and scrutiny committees will be made by the Council in accordance with Article 6 of this Constitution.
- (b) The appointment of chairmen of review panels will be a matter for the Scrutiny Commissioners to determine for those relating to County Council functions and for the Health Overview and Scrutiny Committee to determine for those relating to Health Service functions.
- (c) The meetings of the overview and scrutiny committees shall be conducted as set out for committees in the Meeting Procedure Rules (Standing Orders) in Part 4A of this Constitution.

RULE 7
Work programme

The Scrutiny Commission and other overview and scrutiny committees will each be responsible for setting their own work programmes. In formulating their work programmes they shall take into account the wishes of members on that committee who are not members of the current political administration of the County Council.

RULE 8
Policy review and development

- (a) The role of the overview and scrutiny committees in relation to the development of the County Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules in Part 4C.
- (b) In relation to the development of the County Council's approach to other matters not forming part of its Budget and Policy Framework, overview and scrutiny committees may make proposals to the Executive for developments in so far as they relate to matters within their terms of reference.
- (c) Overview and scrutiny committees may investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.
- (d) In respect of the examination of County Council functions the Scrutiny Commissioners shall have power to impose any limitation (general or specific and including a requirement to obtain the prior approval of the Scrutiny Commissioners) upon an overview and scrutiny committee's use of any of the actions specified in paragraph (c) above, in the interests of avoiding action which might lead to expenditure in excess of any budget provision; or which might duplicate other work already being undertaken or planned; or which might be disproportionate to the significance of the review involved, in terms of the Budget and Plan Framework.

RULE 9***Reports from overview and scrutiny committees dealing with County Council functions on proposals for development***

- (a) Once it has formed recommendations on proposals for development, the overview and scrutiny committee will submit these for consideration either by the Executive (if the proposals are consistent with the existing Budget and Policy Framework), or to the County Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework).
- (b) If an overview and scrutiny committee cannot agree on one single response to the County Council or Executive as appropriate, then up to one minority report may be prepared and submitted for consideration by the County Council or Executive alongside the committee's recommendations.
- (c) The basis of any minority report prepared under paragraph (b) above must have been discussed and been the subject of a proposal at the meeting of the committee and must have had the support of more than one member.
- (d) The County Council or Executive shall consider recommendations from the overview and scrutiny committee within two months of them being arrived at.

RULE 10***Reports from overview and scrutiny committees on items scrutinised***

- (a) The agenda for Executive meetings shall include an item entitled 'Issues arising from overview and scrutiny'. The reports of overview and scrutiny committees referred to the Executive shall be included at this point in the agenda (unless they have been considered in the context of the Executive's deliberations on a substantive item on the agenda) within two months of the overview and scrutiny committee completing its report/recommendations.
- (b) Where an overview and scrutiny committee prepares a report for consideration by the Executive in relation to a matter where the Leader or County Council has delegated decision making power to another individual member of the Executive, then the overview and scrutiny committee will submit a copy of their report to that individual for consideration. At the time of doing so, the overview and scrutiny committee shall serve a copy on the Chief Executive and the Leader. If the member with delegated decision making power does not accept the recommendations of the overview and scrutiny committee then he/she must then refer the matter to the next available meeting of the Executive for debate before exercising his or her decision making power and responding to the report in writing to the overview and scrutiny

committee. The Executive member to whom the decision making power has been delegated will respond to the overview and scrutiny committee within four weeks of receiving it. A copy of his or her written response to it shall be sent to the Chief Executive and he/she will attend a future meeting to respond.

[Note: The County Council decided, with the concurrence of the Executive, that no individual member of the Executive will be authorised to take an executive decision; such decisions will be taken either by the Executive collectively at a properly convened meeting or by professional officers under the published schemes of delegation.]

- (c) Overview and scrutiny committees will in any event have access to the Executive's Forward Plan and timetable for decisions and intentions for consultation. Even where an item is not the subject of detailed proposals from an overview and scrutiny committee following consideration of possible policy/service developments, the committee will be able to respond in the course of the Executive's consultation process in relation to any Key Decision.

RULE 11

Rights of overview and scrutiny committee members to documents

- (a) In addition to their rights as County Councillors, members of overview and scrutiny committees have the additional right to documents, and to notice of meetings, as set out in the Access to Information Procedure Rules in Part 4B of this Constitution.
- (b) Nothing in this paragraph prevents more detailed liaison between the Executive and an overview and scrutiny committee as appropriate depending on the particular matter under consideration.

RULE 12

Members and officers giving account

- (a) An overview and scrutiny committee may require any member of the Executive, the Head of Paid Service and/or any Director or Assistant Director of the Council and in the case of an overview and scrutiny committee dealing with Health Services any member or senior employees of a relevant NHS body or member or senior employee of a relevant health service provider, to attend before it to explain in relation to matters within their remit:
 - (i) any particular policy, decision or series of decisions;
 - (ii) the extent to which the actions taken implement the policy of the County Council or relevant health body; and/or
 - (iii) their performance,

and it is the duty of those persons to attend if so required.

- (b) Where any member or officer is required to attend an overview and scrutiny committee under this provision, the chairman of that committee will inform the Chief Executive. The Chief Executive shall inform the member or officer in writing giving (where practical) at least seven working days notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the overview and scrutiny committee may in consultation with the member or officer arrange an alternative date for attendance.

RULE 13

Attendance by others

An overview and scrutiny committee may invite people other than those people referred to in Rule 12 above to address it, discuss issues of local concern and/or answer questions. It may, for example, wish to hear from residents, stakeholders and members and officers in other parts of the public sector and may invite such people to attend. The people invited may decline to accept the invitation.

RULE 14

Call-in

- (a) Call-in should only be used in exceptional circumstances. To ensure that call-in is not abused, nor causes unreasonable delay, it will only apply to Key Decisions and will also be subject to the conditions described in this Rule.
- (b) When a decision is made by the Executive, an individual member of the Executive or a committee of the Executive, or a Key Decision is made by an officer with delegated authority from the Executive or an area committee or under joint arrangements, the decision shall be published, including where possible by electronic means, and shall be available at County Hall normally within 2 days of being made. Chairmen of all overview and scrutiny committees will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.

- (c) Notification of decisions will bear the date on which it is published and will specify that a Key Decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless it has been called in under this Rule. Those decisions which are Key Decisions but which will require further consideration by the Executive at a later stage prior to implementation, may be proceeded with immediately (as in the case for example of a decision to proceed with consultation on a proposal). Those decisions which are not Key Decisions are not subject to call in under this Rule and may be implemented immediately.
- (d) During that period, the Chief Executive shall call in a relevant Key Decision for scrutiny by a relevant overview and scrutiny committee only if so requested in writing by any four members of the Council, at least two of which must be members of the Scrutiny Commission. The written request shall include a cogent explanation of the reasons for the call-in.
- (e) The call-in notice can be withdrawn at any time in writing by the four members who originally invoked the call-in procedure.
- (f) The Chief Executive shall notify the decision taker (where the decision was taken by the Executive, the Leader) of the call-in.
- (g) Where there is a meeting of the relevant overview and scrutiny committee within 10 working days of the call-in, the matter will be included on the agenda for that meeting. Where no such meeting is scheduled, the Chief Executive shall call a meeting of the relevant overview and scrutiny committee within that time frame, where possible after consultation with the chairman of the committee.
- (h) Having considered the call-in, the overview and scrutiny committee may either:
 - (i) refer it back to the decision-making person or body for reconsideration, setting out in writing the nature of its concerns and any alternative recommendations. This will normally be considered at the decision-making body's next scheduled meeting;
 - (ii) if it considers that the decision is outside the Council's Budget or Policy Framework, refer the matter to the full County Council after seeking the advice of the Monitoring Officer and/or Chief Financial Officer; or
 - (iii) decide to take no further action, in which case the original decision will be effective immediately.
- (i) If referred back to the decision-making person or body, he/she/it will then reconsider the decision within a further 10 working days, amending the

decision or not, before adopting a final decision. Once a decision has been reconsidered by the decision-making person or body it may not be the subject of further call-in.

- (j) If referred to the full County Council, the Budget and Policy Framework Procedure Rules (Part 4C of this Constitution) will apply.
- (k) If following a call-in, the overview and scrutiny committee does not meet in the period set out above, the decision shall take effect on the date of the overview and scrutiny meeting, or the expiry of the 10 day period referred to in (h) above, whichever is the earlier.
- (l) Where an Executive decision has been taken by an area committee then the right of call-in shall extend to any other area committee which resolves to refer a decision which has been made but not implemented to a relevant overview and scrutiny committee for consideration in accordance with these provisions. An area committee may only request the Chief Executive to call-in the decision if it is of the opinion that the decision will have an adverse effect on the area to which it relates. All other provisions relating to call in shall apply as if the call in had been exercised by members of a relevant overview and scrutiny committee.

[Note: the County Council decided, with the concurrence of the Executive, that no individual member of the Executive will be authorised to take an executive decision; such decisions will be taken either by the Executive collectively at a properly convened meeting or by professional officers under the published schemes of delegation.]

The County Council has yet to decide to appoint any area committees. The provisions in this Rule will, therefore, not apply to area committees until such time as they are appointed and, even then, only when they are given any delegated powers]

RULE 15

Call-in and urgency

- (a) The call-in procedure set out in Rule 14 shall not apply where a decision which would otherwise be subject to the call-in procedure is urgent. A decision will be urgent if any delay likely to be caused by the call-in procedure would seriously prejudice the County Council's or the public's interests.
- (b) The record of the decision and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in.
- (c) The Chairman of the County Council must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the Chairman, the Vice-

chairman's consent shall be required. In the absence of both, the Head of Paid Service or his or her nominee's consent shall be required. The Chief Executive will obtain the required consent.

- (d) Decisions taken as a matter of urgency must be reported to the next available meeting of the County Council, together with the reasons for urgency.
- (e) Since the call-in procedure can only apply to Key Decisions which should feature in the Executive's Forward Plan, the need for urgent action should be discussed beforehand by the Leader of the Council and the Chairman of the Scrutiny Commission.

RULE 16

The party whip

- (a) In this Rule, "party whip" means any instruction given by or on behalf of a political group to any councillor who is a member of that group as to how that councillor shall speak or vote on the specific matter before the County Council or any committee or sub-committee, or the application or threat to apply any sanction by the group in respect of that councillor should he/she speak or vote in any particular manner.
- (b) When considering any matter in the following categories:
 - (i) any matter referred to the overview and scrutiny committee by the Executive; or
 - (ii) the review of any policy or decision; or
 - (iii) the performance of any member of the Executive,

in respect of which a member of an overview and scrutiny committee is subject to a party whip, the member must declare the existence of the whip, and the nature of it, before the commencement of the committee's deliberations on the matter. The declaration and the detail of the whipping arrangements shall be recorded in the minutes.

RULE 17

Procedure at overview and scrutiny committee meetings

- (a) Overview and scrutiny committees shall consider the following business:
 - (i) minutes of the last meeting;
 - (ii) declarations of interest (including whipping declarations);
 - (iii) consideration of any matter referred to the committee for a decision in relation to call-in of a decision;
 - (iv) responses of the Executive or the relevant health body to reports of the overview and scrutiny committee;

- (v) a referral made to the Committee by a member of the Council which is not an excluded matter; and
 - (vi) the business otherwise set out on the agenda for the meeting.
- (b) Where the overview and scrutiny committee conducts investigations (e.g. with a view to policy development), the committee may also ask people to attend to give evidence at committee meetings which are to be conducted in accordance with the following principles:
 - (i) that the investigation be conducted fairly and all members of the committee be given the opportunity to ask questions of attendees, and to contribute and speak;
 - (ii) that those assisting the committee by giving evidence be treated with respect and courtesy; and
 - (iii) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.
- (c) Following any investigation or review, the committee shall prepare a report, for submission to the County Council, the Executive and/or the relevant NHS body or relevant health service provider and shall make its report and findings public.

Part 4F - Financial Procedure Rules

RULE 1

Application of Rules

- (a) These Rules set out the main financial management requirements of the County Council. They state what these are and who is responsible for preparing, authorising and acting on them. The Rules apply to the Executive and Committees and to officers of the County Council. They also apply to any person acting on behalf of the County Council. Amendments to the Rules will be made by the County Council on the recommendations of the Corporate Governance Committee.
- (b) The Executive shall make arrangements for the proper administration of the financial affairs delegated to it. The County Council or Corporate Governance Committee on its behalf, may make, amend or revoke the Standard Financial Instructions and the Executive will be responsible for ensuring that they are followed. The Standard Financial Instructions will be proposed by the Chief Financial Officer and will not form part of these Rules. The Standard Financial Instructions will cover the more detailed procedures required for the control of capital programme and revenue budgets, contracts, ordering, payments, imprest accounts, stocks and assets, income collection, banking, insurance and unofficial funds.
- (c) Where Special Rules are produced, on for example local management of schools, the financial arrangements should follow the requirements of those Special Rules and the Standard Financial Instructions.

RULE 2

Responsibility of the Chief Financial Officer

- (a) The Chief Financial Officer is responsible for the proper administration of the County Council's financial affairs under the requirements of Section 151 of the Local Government Act 1972 and Section 114 of the Local Government Finance Act 1988.
- (b) Having informed both the Executive and Corporate Governance Committee, the Chief Financial Officer will report to the full County Council if in his or her opinion any significant failure in the proper administration of the Council's affairs is occurring.
- (c) To fulfil their statutory duty the Chief Financial Officer may issue Accounting Instructions to complement these Rules and the Standard Financial Instructions.
- (d) The Chief Financial Officer will be responsible for the provision of corporate budgeting and accounting systems, including the establishment of reserves and provisions.

- (e) The Chief Financial Officer will provide guidance on the control of the delegation of budgets by chief officers.
- (f) In monitoring the application of these Rules and the Standard Financial Instructions, the Chief Financial Officer will identify (and propose) any amendments to them which would enable the County Council to take advantage of developments in electronic methods, provided that any such amendments would retain a degree of security which is similar to that provided by traditional paper-based systems.

RULE 3

Responsibility of chief officers

- (a) Chief officers of departments are responsible for the management of the resources made available to them by the County Council to achieve its objectives and to meet the Annual Plan. When doing this they must act in accordance with these Rules and Standard Financial Instructions. They should also follow any financial requirements laid down in the Contract Procedure Rules and the General Scheme of Delegation to Heads of Departments. Where responsibilities for management of resources are delegated, the chief officer should ensure that the authorised person is familiar with these Rules, the Contract Procedure Rules, the General Scheme of Delegation to Heads of Departments and the Standard Financial Instructions.
- (b) Chief officers should also make authorised persons aware of financial requirements contained in Acts and associated Parliamentary directives specific to the services for which they are responsible.
- (c) The chief officer when deciding to delegate authority to a representative should consider the duties of that representative in relation to the level of delegated authority. They may choose to place financial limits on the authorisation levels allowed.
- (d) Chief officers shall consult and take into account financial advice given by the Chief Financial Officer including guidance on delegation of budgets. They will also be responsible for providing financial information when requested by the Chief Financial Officer.
- (e) Chief officers should ensure that corporate guidance is followed with respect to the governance and financial aspects of partnerships.
- (f) Chief officers must ensure that a financial control framework is in place for the operation of key partnerships.

RULE 4***Application to subsidiary accounts***

These Rules and the Standard Financial Instructions will apply to all accounts maintained by the County Council including subsidiary accounts. The Executive may make special arrangements, however, to take account of the different needs of such accounts.

RULE 5***Changes to service provision***

Where the Executive considers there may be a need to change the policy on provision or delivery of services, it shall consider a written report by the appropriate chief officer. In this the chief officer will be required to set out the need for the change and the resources implications. They will also be required to state whether the change is likely to involve a Key Decision. The expected financial implications should include both part year and full year effects. In addition, if material changes are expected to occur in the longer term a financial assessment of these should be included. If necessary, the statutory authority to incur expenditure or raise income should also be included.

RULE 6***Changes in expenditure levels***

Any new or increased level of expenditure, whether capital or revenue, shall be properly authorised before any commitments are entered into. Funding arrangements must be agreed in accordance with these Rules or the Standard Financial Procedures.

RULE 7***Capital programmes***

- (a) Chief officers will prepare proposals for capital expenditure, in consultation with the relevant technical department, covering the categories and years and within any guidance and guidelines specified to them by the Executive. These proposals will be in a form prescribed by the Chief Financial Officer and will include both the capital costs and an estimate of the full additional annual revenue implications. The Executive will consider these. The Executive's proposals to the County Council will be subject to consultation with the Scrutiny Commission.
- (b) Inclusion of projects in a capital programme shall not override any requirement to obtain approval to new policies or changes in policies.

- (c) When the full County Council has given its approval, and in accordance with Finance Procedure Rule 22 regarding property matters, capital expenditure included in the first year of the programme may commence without further approval unless this is required by Government Departments or other outside bodies.
- (d) Commencement before the planned programme year can be approved by the Chief Financial Officer provided they is satisfied that resources are available within the overall four year programme.

RULE 8

Implementation and amendment of approved capital programme

- (a) When the capital programme has been approved, the designated chief officer will be responsible for controlling expenditure on each project agreed.
- (b) Amendments to the capital programme, including their revenue implications, will be subject to the arrangements outlined in the Standard Financial Instructions. This is unless they are deemed by the Chief Financial Officer to involve a Key Decision, in which case there may be a need for consultation with the Scrutiny Commission, approval by the Executive and possible further approval by the County Council.

RULE 9

The Executive will make arrangements through the Chief Financial Officer to control and monitor total capital spending. The Executive and the Scrutiny Commission will receive financial statements. The plans will be prepared in a form specified by the Chief Financial Officer. The plans will be considered by the Executive and they will include such additional information and explanations as may be required by the Executive. Where the Executive submits proposals to the full County Council, these will be subject to consultation with the Scrutiny Commission.
- (b) Where Government Departments and other bodies require submissions of estimates of expenditure and income in future years, these shall be in accordance with plans and policies approved by the full County Council or the Executive. They must also comply with any guidance given by the full County Council or the Executive. No new expenditure shall be

committed in advance of the approval of the annual budget unless this is agreed by the Executive.

RULE 11

Annual budgets and financial plans

- (a) The chief officer of a department will be responsible for preparing an annual revenue budget of expenditure and income. The budget will be prepared following such guidance and within such limits as specified by the Executive or County Council. The Chief Financial Officer will co-ordinate the production of budgets and ensure they are prepared in a consistent manner.
- (b) The process by which the budget is eventually approved by the County Council is set out in the Budget and Policy Framework Procedure Rules (Part 4C).

RULE 12

Implementation and amendment of approved revenue budgets and plans

- (a) When the annual revenue budget has been approved the appropriate chief will be responsible for ensuring expected income is received and budgeted expenditure is not exceeded.
- (b) The Executive will be responsible for maintaining a control over the total of County Council's revenue expenditure and income.
- (c) Amendments to the approved annual revenue budget will be subject to the virement arrangements specified in the Standard Financial Instructions. RULE 13

The duties of staff concerned with financial transactions should, as far as is practicable, be distributed with regard to the principles of internal control and check. Standard Financial Instructions

(made under Rule 1(b) of the Financial Procedure Rules)

INSTRUCTION 1

Capital - expenditure in excess of approved amount

- (a) Where a specific approval given in the capital programme is likely to be exceeded the appropriate Chief Officer will consult with the Chief Financial Officer.
- (b) The Chief Financial Officer may approve increases in expenditure where compensating savings are being made or funding is available and there is no change in policy. In any particular instance, the Chief Financial Officer may decline to give approval and instead refer the proposal to the Executive. No additional expenditure should be committed prior to the appropriate approval.

INSTRUCTION 2

Changes to the Capital Programme

The Chief Financial Officer may approve requests to add or amend schemes within the capital programme, providing that they are totally funded, there is no overall increase in future revenue costs, there is no change in overall policy and subject to reporting any changes to the Executive and Scrutiny as part of the next MTFS monitoring report. In any particular instance, the Chief Financial Officer may decline to give approval and instead refer the proposal to the Executive.

INSTRUCTION 3

Grants and External Funding

Unless already included in the Medium Term Financial Strategy (MTFS) bids for external funding must be agreed with the Chief Financial Officer. He can approve bids where there is no additional one off or ongoing costs to the Authority for which there is no budget, capital programme or other provision.

Approval must be obtained from the Chief Financial Officer to any contingent liabilities for repayment should any conditions not be met, with any associated agreement being made with the approval of the Director of Law and Governance.

In other cases the approval of the Executive is required.

INSTRUCTION 4
Revenue – virement

- (a) In order to maintain effective and responsive services to meet the needs of the people of the County it is acknowledged that spending on individual budget heads may vary from the approved budget. This is permissible (subject to (b) and (c) below) so long as the total departmental budget is not exceeded.
- (b) Virement (either between individual lines or sections of the approved budget) is allowed except where it would involve:-
- i. a change in an existing policy;
 - ii. a reduction in service;
 - iii. on-going net costs which might not be containable;
 - iv. funding which has been included in that year's budget for service improvements above the limit of £20,000 or 5%, whichever is the greater.
 - v. the situation where the overall Council budget is forecast to be overspent.

The above will require the prior approval of the Executive, may constitute a Key Decision and may require the approval of the County Council. The Executive may consult the Chairman of the Scrutiny Commission if it considers that the nature of the proposal is such that the views of an overview and scrutiny committee should be canvassed.

- (c) Before submitting a virement proposal which falls under (b) above to the Executive for approval, the chief officer shall consult the Chief Financial Officer and shall include in his or her report to the Executive the justification for the change in priorities and any comments of the Chief Financial Officer. If the expenditure proposal is for longer than the current financial year, the chief officer must demonstrate that the proposed corresponding saving will also be continuing. This change will then be built into the ongoing budget.

[Note on Guidelines: The Cabinet at its meeting on 27 June 2006 agreed that the Chief Financial Officer should be allowed to approve carry forwards where the money is to be spent for the purpose for which it was originally allocated in the budget. Where the carry forward is to be used for a different purpose (i.e. effectively comprising virement) the Chief Financial Officer should be allowed to approve items up to £100,000 with the following exceptions, where Cabinet approval is required:-

Where a carry forward would result in an overspending position on the department's budget

Where a carry forward would represent a change in existing policy

Where ongoing costs might result.

The responsible officer may decide that liquidated damages should not be applied. This should be reported to the Executive subject to any guidelines set down by the Executive.

Additional Requirements

- 11.2 Details of oral Quotations must be confirmed in writing.
- 11.3 All procurements proposed over £6,000 including VAT (£5,000 excluding VAT) must be approved before any procurement activity, by the CSU through use of the PID.
- 11.4 All procurements regardless of value must have an approved Purchase Order in place before commencement of work.
- 11.5 The CSU shall advise the Procuring Officer on the appropriate route to market which may include the use of Frameworks or a Corporate Contract prior to the procurement process beginning.
- 11.6 When the Corporate Contract is a Framework, the Procuring Officer must comply with Rule 19 after consulting with a relevant Commercial Specialist on the suitability of the Framework intended for use.

RULE 12. Consideration of Lots

- 12.1 Before commencing a procurement process the Council must consider whether the goods, works or services could reasonably be supplied under more than one Contract to benefit Small to Medium sized Enterprises (SMEs) and reduce risk and if those Contracts could appropriately be awarded by reference to lots.
- 12.2 The Act makes provision in relation to lots at Section 18 (Duty to consider lots), Section 20 (Competitive tendering procedures) and Section 23 (Award criteria).

Part 4G Contract Procedure Rules

- 12.3 The Procuring Officer must provide reasons within the Procurement Initiation Document (PID) for not splitting a procurement into lots for all contracts other than light touch contracts, the reasons must also be provided in the Tender Notice.

REGULATED BELOW THRESHOLD CONTRACTS**RULE 13. *Regulated Below Threshold Contract Requirements***

(over £30,000 including VAT/ £25,000 excluding VAT but below Threshold).

General

- 13.1 A Regulated Below Threshold Contract is a Contract which does not meet the relevant Procurement Threshold as defined by the Procurement Act.
- 13.2 The Council must conduct procurements for Regulated Below Threshold Contracts in accordance with Part 6 of the Procurement Act. The duties to have regard to National Procurement Policy Statements and the duty not to discriminate against a treaty supplier will also apply to Regulated Below Threshold Procurements.

Suitability Assessment

- 13.3 Where the Council invites the submission of quotations in relation to the award of a Regulated Below Threshold Contract, the Council must ensure that the assessment of the suppliers' suitability to perform the Contract doesn't restrict their ability to submit a quotation. A separate suitability stage before the submission of bids cannot be used to reduce the number of suppliers invited to bid, but this does not prevent the council from asking for this information in a bid and then assessing supplier suitability at award stage.
- 13.4 There is an exception to Rule 13.3 (above) detailed at section 85 of the Procurement Act to the rule prohibiting a separate suitability stage in relation to a below-threshold works contract if the contract:
- 13.4.1 has an estimated value of not less than £207,720 including VAT (£173,100 excluding VAT). This is the same as the thresholds for goods and services. This exception is because the works threshold is much higher, and it is appropriate that contracting authorities carrying out procurements for higher value below-threshold works contracts that are still above the goods and services thresholds, can include a separate suitability stage before the award stage, if desired or;
- 13.4.2 is awarded in accordance with a Framework.
- 13.5 Based on criteria laid down by the Executive, the Chief Finance Officer will be responsible for evaluating the financial status of Tenderers and suppliers. The Chief Finance Officer is responsible for setting the criteria for evaluating the financial status of Tenderers and Suppliers which Officers will use.

Notices

- 13.6 The Council must publish a Regulated Below Threshold Tender Notice on the Central Digital Platform if advertising for the purpose of inviting Tenders for Below Threshold Contracts where the Estimated Value of the Contract is no less than £30,000 including VAT (£25,000 excluding VAT).
- 13.7 The requirement set out in Rule 13.6 (above) does not apply where the Council invites Quotes or Tenders from a closed group of pre-selected suppliers, i.e. via a Framework or from one or more targeted suppliers provided it does not advertise the procurement in any other way.

Part 4G Contract Procedure Rules

- 13.8 The Below Threshold Tender Notice must be published on the Central Digital Platform before being published elsewhere via the Councils Electronic Tendering System.
- 13.9 Section 87(3) provides that as soon as reasonably practicable after entering into a notifiable below-threshold contract, a Contract Details Notice must be published on the Central Digital Platform via the Councils Electronic Tendering System. This applies to all notifiable below-threshold contracts, and not just those which require the publication of a below-threshold tender notice.
- 13.10 If a contracts estimated value is below £30,000 including VAT (£25,000 excluding VAT), there is no obligation to publish any notices on the Central Digital Platform.

PUBLIC CONTRACTS**RULE 14. *Competitive Tendering Procedures***

- 14.1 The Council may wish to engage with suppliers prior to commencing any Competitive Tendering Procedure in accordance with Rule 9.
- 14.2 All Public Contracts, including Concession Contracts, Light Touch Contracts and Utilities Contracts the value of which is above a Relevant Procurement Threshold must be procured by a Competitive Tendering Procedure using either:
- a) Open Procedure; or
 - b) Competitive Flexible Procedure.
- as described in more detail in Section 20 of the Procurement Act.
- 14.3 The Council is not required to use the above mentioned Competitive Tendering Procedures for a Public Contract as set out below:
- a) *Direct award* – where justified under Sections 41 or 43 of the Procurement Act; or
 - b) *Call Off Contract* - when awarding a Public Contract under a Framework as set out in Section 45 of the Procurement Act.
 - c) *Provider Selection Regime* – where the applicable procurement must be carried out under the Provider Selection Regime.

RULE 15. *Conditions of Participation*

- 15.1 The Council may set conditions of participation to perform the Contract under a Competitive Tendering Procedure, in accordance with Section 22 of the Procurement Act which relate to:
- a) legal and financial capacity; or
 - b) technical ability to perform the Public Contract
- 15.2 Based on criteria laid down by the Executive, the Chief Finance Officer will be responsible for evaluating the financial status of Tenderers and suppliers. The Chief Finance Officer is responsible for setting the criteria for evaluating the financial status of Tenderers and Suppliers which Officers will use.
- 15.3 Conditions of participation must be a proportionate means of ensuring the relevant capacity or ability, having regard to the nature, complexity and cost of the Public Contract.

Part 4G Contract Procedure Rules

- 15.4 A supplier must meet the conditions of participation in order to be awarded the Public Contract.
- 15.5 Further details on the rules relating to conditions of participation are set out in Section 22 of the Procurement Act.

RULE 16. Award Criteria

- 16.1 In the case of a procurement process with an Estimated Value of £30,000 including VAT (£25,000 excluding VAT) or more the process for identifying the most advantageous Tender, including selection and award criteria, must be agreed in consultation with the appropriate Commercial Specialist and included in the Request for Quotation/Invitation to Tender and a copy retained on file.
- 16.2 The Procuring Officer must notify all Tenderers of the award methodology and evaluation criteria being used in the case of the Contract in question. If weightings are to be applied to the award criteria, then the Procuring Officer must ensure that these are also incorporated into the Request for Quotation/Invitation to Tender.

Procurement Act

- 16.3 A Public Contract may be awarded to a supplier that submits the most advantageous tender in a competitive tendering process which will be considered from the Council's point of view, which:
- a) satisfies its requirements; and
 - b) best satisfies the award criteria.
- 16.4 The Council will need to consider Section 23 of the Procurement Act in relation to setting award criteria for each competitive tendering process.
- 16.5 Award criteria for a Competitive Flexible Procedure may be refined in accordance with Section 24 of the Procurement Act and the Council must modify and republish or re-provide the Tender Notice and any associated documents affected by the refinements in accordance with Section 24(4) of the Procurement Act.

Health Care Services (Provider Selection Regime) Regulations 2023

- 16.6 The Council is required to follow one of the following provider selection processes in awarding contracts for health care services.
- a) *Direct award processes (A, B, and C)* – awarding contracts to providers when there is limited or no reason to seek to change from the existing provider; or to assess providers against one another, because:
 - (i) the existing provider is the only provider that can deliver the health care services direct award process A must be used,
 - (ii) patients have a choice of providers, and the number of providers is not restricted by the Council direct award process B must be used.
 - (iii) the existing provider is satisfying its existing contract, will likely satisfy the new contract to a sufficient standard, and the proposed contracting arrangements are not changing considerably direct award process C may be used.
 - b) *Most suitable provider process* – awarding a contract to providers without running a competitive process, because the Council can identify the most suitable provider.
 - c) *Competitive process* – running a competitive process to award a contract.

Part 4G Contract Procedure Rules

16.7 When procuring under these regulations, the five key criteria as stated within those regulations must all be evaluated. These are:

- Quality and innovation
- Value
- Integration, collaboration, and service sustainability
- Improving access, reducing health inequalities, and facilitating choice; and
- Social value

RULE 17. *Open Procedure*

17.1 Prior to commencing an Open Procedure, the Council may wish to engage with suppliers prior to commencing any Competitive Tendering Procedure in accordance with Rule 9.

17.2 The Open Procedure is a single stage procedure.

17.3 Under the Open Procedure, Procuring Officers must ensure access to Invitations to Tender is available to all suppliers (other than those who are excluded) who respond to the Tender Notice and who meet the requirements stated in the tender documents. Where the opportunity has been advertised via the electronic tendering system the Invitation to Tenders and all supporting documents must be made available in the system for all interested parties to access subject to confidentiality agreement where applicable.

RULE 18. *Competitive Flexible Procedure*

18.1 Prior to commencing a Competitive Flexible Procedure, the Council may wish to engage with suppliers prior to commencing any Competitive Tendering Procedure in accordance with Rule 9.

18.2 The Competitive Flexible Procedure is any other Competitive Tendering Procedure, i.e. multi-staged process that the Council considers appropriate for the purpose of awarding a Public Contract.

18.3 The Council is afforded flexibility as to how to design a Competitive Flexible Procedure but details on how the procedure will be carried out must be set out in the Tender Notice and tender documents. However, when using the Competitive Flexible Procedure, the Council must consider the procurement objectives, such as those relating to time limits and transparency.

18.4 The Competitive Flexible Procedure may allow the Council to reserve the Public Contract to supported employment providers and public service mutual in certain circumstances. See Sections 32 – 33 Procurement Act.

18.5 Before allowing a supplier to participate in a Competitive Flexible Procedure the Council must determine whether the supplier is excluded or excludable in accordance with Section 27 of the Procurement Act. Where an excluded or excludable supplier is identified there must be consultation with CSU before excluding.

Part 4G Contract Procedure Rules**RULE 19. Frameworks**

- 19.1 Frameworks can be established either under the Open Procedure or the Competitive Flexible Procedure.
- 19.2 Frameworks are governed by Chapter 4 of the Procurement Act.
- 19.3 Frameworks must not be awarded for more than four years unless:
- a) It is a utilities Framework;
 - b) It is an Open Framework (see below);
 - c) It is a Light Touch Framework;
 - d) It is considered that due to the nature of the goods, services or works to be supplied that a longer term is required.
- The justifications for awarding for more than four years in any of the above scenarios must be detailed and approved within the Procurement Initiation Document, authorisation must also be sought from the Chief Finance Officer
- 19.4 Call Off Contracts may be awarded following a competitive selection process in accordance with Section 45(3) of the Procurement Act
- 19.5 Alternatively, Call Off Contracts may be awarded without competition, with prior approval from Commercial Specialist, (in accordance with Section 45(4)) of the Procurement Act to suppliers:
- a) in circumstances where only one supplier is party to the Framework; or
 - b) where the Framework sets out:
 - (i) the core terms of the public contract; and
 - (ii) an objective mechanism for supplier selection.
- 19.6 Call Off Contracts are to be awarded in accordance with the terms of the Framework and are not subject to the Competitive Tendering Procedures.

Open Frameworks

- 19.7 An Open Framework is a scheme of Frameworks that provides for the award of successive Frameworks on substantially the same terms.
- 19.8 Open Frameworks must provide:
- a) for the re-opening of a Framework at least once during—
 - (i) the period of three years beginning with the day of the award of the first framework in the scheme, and
 - (ii) each period of five years beginning with the day of the award of the second framework in the scheme;
 - b) for the expiry of one framework on the award of the next;
 - c) for the final framework to expire at the end of the period of eight years beginning with the day on which the first framework under the scheme is awarded.
- 19.9 The rules governing Frameworks are set out in Section 45-49 of the Procurement Act.

Part 4G Contract Procedure Rules

- 19.10 Each Call Off Contract awarded under a Framework must be included on the Contracts Register within 30 days of award as per Rule 36.

RULE 20. *Dynamic Markets*

- 20.1 The Council may wish to establish arrangements (Dynamic Markets) for the purpose of awarding Public Contracts by reference to suppliers' participation in those arrangements which must remain open for new suppliers to join at any time.
- 20.2 The Open Procedure or direct award route cannot be used to award a Public Contract under a Dynamic Market
- 20.3 Dynamic Markets are not permitted for below threshold calls offs.
- 20.4 Procuring Officers must only establish Dynamic Markets with the prior written approval of a Senior Commercial Specialist and the Director of Corporate Resources and in accordance with the requirements of the Procurement Act and these Rules where appropriate.
- 20.5 Sections 34 – 40 of the Procurement Act sets out the rules relevant to Dynamic Markets.

RULE 21. *Direct Awards*

- 21.1 In limited circumstances, the Council may directly award a Public Contract to a supplier without conducting a Competitive Tendering Procedure or compliant Framework call off as more particularly described in Sections 41 – 44 of the Procurement Act and set out in Rule 21.4. This is classed as permitted Direct Awards.
- 21.2 If a Direct Award justification applies, the Council may award a Public Contract directly to a supplier that is not an excluded supplier. The Council may award a Contract to a supplier that is an excluded supplier if the Council considers that there is an overriding public interest in awarding the contract to that supplier.
- 21.3 When making a Direct Award, the Council may carry out a selection process or take other preliminary steps as it considers appropriate for the purpose of awarding a Direct Award Contract.
- 21.4 To be able to award a contract as a Direct Award the following conditions must be met:
- a) **Direct award to protect life** - the Minister of the Crown must consider it necessary in order to protect human, animal or plant life or health, or to protect public order or safety.
 - b) **Switching to direct award** – the Council can switch to awarding directly to a supplier that is not an excluded supplier if we have invited suppliers to submit tenders or request to participate in a competitive tendering procedure, and we have not received any suitable tenders or requests in response (although NB the Council must consider whether the supplier submitted an unsuitable tender or request); and considers that award under section 19 is not possible in the circumstances. A tender or request is not suitable if the Council considers that it would be disregarded in an assessment of tenders under section 19(3)(a) or (c); or it does not satisfy the Council's requirements or the award criteria when assessed by reference to the assessment methodology; or there is evidence of corruption or collusion between the suppliers or between suppliers and contracting authorities; or it materially breaches a procedural requirement in the tender notice (including in relation to the tender). A breach is material if ignoring it would put the tender at an unfair advantage.
 - c) **Production of a prototype, or supply of other novel goods or services** - for the purpose of testing the suitability of the goods or services, researching the viability of

Part 4G Contract Procedure Rules

producing or supplying the goods or services at scale and developing them for that purpose, or other research, experiment, study or development.

- d) **Single suppliers** - due to a particular supplier having intellectual property rights or other exclusive rights, only that supplier can supply the goods, services or works required, and there are no reasonable alternatives to those goods, services or works. Due to an absence of competition for technical reasons, only a particular supplier can supply the goods, services or works required, and there are no reasonable alternatives to those goods, services or works.
- e) **Additional or repeat goods, services or works** - a change in supplier would result in the Council receiving goods, services or works that are different from, or incompatible with, the existing goods, services or works, and the difference or incompatibility would result in disproportionate technical difficulties in operation or maintenance. The existing goods, services or works were supplied under a public contract that was awarded in accordance with a competitive tendering procedure within the period of five years ending with the day on which the transparency notice is published, and the tender notice or any tender document in respect of that earlier contract set out—
 - (i) the Councils intention to carry out a subsequent procurement of similar goods, services or works in reliance on this direct award justification, and any other information specified in regulations under section 95.
- f) **Commodities** - the public contract concerns goods purchased on a commodity market.
- g) **Advantageous terms on insolvency** - the award of the public contract to a particular supplier will ensure terms particularly advantageous to the Council due to the fact that a supplier, whether or not the one to whom the contract is to be awarded, is undergoing insolvency proceedings.
- h) **Urgency** – Where the goods, services or works to be supplied under the public contract are strictly necessary for reasons of extreme and unavoidable urgency, and as a result the public contract cannot be awarded on the basis of a competitive tendering procedure.
 Urgency is unavoidable if it is not attributable to any act or omission of the Council and could not have been foreseen by the Council.
- i) **User choice contracts** - that are of a kind specified in regulations under section 9 (light touch contracts), that are supplied for the benefit of a particular individual. The individual to whom the services are to be supplied or their carer has expressed a preference as to who should supply the services, or the nature of the services to be supplied is such that only one supplier is capable of providing them, and the Council considers that it is not in the best interests of the individual to award the contract under section 19.

21.5 Prior to directly awarding a Public Contract to a supplier the necessary approvals need to be sought by completing a Direct Award request form which will be approved by Appropriate Chief Officer in consultation with Senior Commercial Specialist and for Directs Awards under a) to h) approval must also be sought from the Corporate Procurement Board, with the exception of Directs Awards under b) switching, where the award is for a light touch contract.

21.6 Prior to directly awarding a Public Contract to a supplier a Transparency Notice must be published to inform the market of the proposed direct award and provide transparency on the rationale for the direct award (does not apply to user choice)

21.7 Where the value of the procurement is estimated below threshold but meets the criteria of 21.4 (a-i) a Direct Award request form may also be submitted, which will be approved by Appropriate Chief Officer in consultation with Senior Commercial Specialist. Where the criteria of Rule 21.4(a-i) have not been met, then the direct award of a below Threshold Contract may be considered for approval under Rule 57.

Part 4G Contract Procedure Rules**RULE 22. *Tender Notices and Tender Documents***Tender Notice

22.1 The Council must publish a Tender Notice as follows:

22.1.1 *Open Procedure* – inviting suppliers to submit a tender; or

22.1.2 *Competitive Flexible Procedure*:

- (i) inviting suppliers to submit a request to participate in the procedure; or
- (ii) where no such invitation is made, inviting suppliers to submit their first, or only, tender as part of the procedure.

22.2 The Tender Notice must comply with the requirements of Section 21 of the Procurement Act.

Tender Documents

22.3 The Council is required to provide any tender documents in accordance with the Tender Notice.

22.4 Suppliers are not to be invited to submit Tenders as part of a Competitive Tendering Procedure unless the Tender Notice or the Tender Documents contain:

- a) information sufficient to allow suppliers to prepare a Tender; and
- b) details of the goods, services or works required.

22.5 In setting out its requirements, the Council must be satisfied that they are:

- a) sufficiently clear and specific; and
- b) do not breach the rules concerning technical specifications (set out in Section 56 of the Procurement Act).

GENERAL**RULE 23. *Electronic Tendering System***

23.1 All procurement processes equal to or greater than £30,000 including VAT (£25,000 excluding VAT) shall be handled via an Electronic Tendering System where possible. Only in exceptional cases may a procurement process be undertaken not using an Electronic Tendering System. Paper Tenders must be submitted to, addressed to and opened by the Chief Executive (or an officer authorised by the Chief Executive to undertake this task). Where the Estimated value is below £30,000 including VAT (£25,000 excluding VAT), the quotations may be returned directly to the Procuring Officer.

23.2 Where an Electronic Tendering System is not available and paper Tenders are to be received by the Chief Executive, the Procuring Officer must send to the Chief Executive a note of the subject and the closing date and time and (where appropriate) a list of those invited to Tender together with the Estimated Value before the closing date for receipt of Tenders.

Part 4G Contract Procedure Rules**RULE 24. Central Digital Platform**

- 24.1 Under the Procurement Act the Council will be required to publish a variety of notices on the Central Digital Platform. This replaces the requirements under the Public Contracts Regulations 2015 to publish on the Find a Tender Service and Contracts Finder platforms. The Central Digital Platform should be accessible via the Councils Electronic Tendering System.

RULE 25. Time Limits

- 25.1 When setting time limits for Competitive Tendering Procedures, the Council must, where relevant, have regard to:
- a) the nature and complexity of the contract being awarded;
 - b) the need for site visits, physical inspections and other practical steps;
 - c) the need for sub-contracting;
 - d) the nature and complexity of any modification of the tender notice or
 - e) any associated tender documents;
 - f) the importance of avoiding unnecessary delay.
- 25.2 For below threshold procurements there is no set time limit, but all of the same considerations listed under 25.1 should be taken into account.
- 25.3 Section 54 of the Procurement Act sets out the minimum time limits to be set in different circumstances.

RULE 26. Invitations to Tender

- 26.1 Every Invitation to Tender must specify the latest day and hour and the place appointed for the receipt of Tenders and must state the effect of Rule 27.
- 26.2 Procuring Officers must give all Tenderers the same information about the procurement process and in particular information relating to the Tender process, specification, award criteria, award methodology and applicable terms and conditions of the Contract or Framework.
- 26.3 Procuring Officers must also give all Tenderers the same information relating to questions, answers and clarifications raised during the procurement process unless considered to be confidential or commercially sensitive.

RULE 27. Receipt and Opening of Tenders

- 27.1 Rules 27.2 – 27.6 apply only to Tenders where the Estimated Value is equal to or greater than the relevant Procurement Threshold and the Tender is not an E-Tender. Rule 27.7 applies to E-Tenders only.
- 27.2 On receipt of non-electronic Tenders, envelopes containing the Tenders must be date and time stamped by the Chief Executive and shall remain in his or her custody until they are opened.
- 27.3 The Chief Executive must keep a record of all non-electronic Tenders received.

Part 4G Contract Procedure Rules

- 27.4 Tenders must be opened at one time in the presence of not less than two Officers one of whom is not involved in the procurement process and who is designated by the Chief Executive. Each Officer must initial each Tender once opened which must also be date stamped.
- 27.5 Particulars of all Tenders opened must be entered by the Chief Executive upon the record which must be signed by the Officers present at the opening, together with a note of all Irregular Tenders.

- 27.7 E-Tenders must be opened in accordance with the requirements of the Electronic Tendering System used.

RULE 28. *Errors or Discrepancies in Tenders*

- 28.2 Where it is suspected that there has been an error in a Tender and following the closing date for receipt of Tenders but before acceptance of any Tender discussions may take place with Tenderers in order to:
- a) ensure that the Tender is constructed correctly; or
 - b) ensure that the Tenderer has fully understood the specification; or
 - c) seek clarification from Tenderers of cost, quality and performance indicators.
- 28.3 Advice should be sought from the Commissioning Support Unit about whether to seek clarification from Tenderers before any discussions take place with Tenderers in accordance with this Rule. Such clarification will be considered on a case by case basis.

Deputy Chief Officers

- 10 *The appointment is an officer appointment and is made by the Chief Executive or his nominee (the appointer). When the appointer has formed a view who he or she wishes to appoint, the procedure set out in paragraphs 3-7 above will apply, but references to the Appointment Committee should be read as references to the officer responsible for the appointment. The offer of appointment can be made when the position described in paragraph 6 above has been reached.*

Part 5A (1) - Members' Planning Code of Good Practice

Background

This Planning Code of Good Practice reflects the requirements of the Localism Act 2011 and the County Council's Members' Code of Conduct which is set out in the Constitution.

This Code sets out how councillors can get involved in planning in a fair, impartial, and transparent way.

Definitions of interests referred to below are given in the Members' Code of Conduct, Part 5 of the Constitution.

Introduction

The aim of this Code of Good Practice is to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial, or not well founded in any way.

This Code of Good Practice applies to Members at all times when involving themselves in the planning process. This includes both decision-making meetings of the Council when exercising the functions of the Planning Authority (usually at the Development Control and Regulatory Board for development management, referred to here as 'the Board', and at the Cabinet and County Council for development plans) and involvement on less formal occasions, such as at meetings with officers or the public and at consultative meetings. It applies to planning applications, enforcement matters, and policy issues (such as the Minerals and Waste Local Plan).

The key purpose of Planning is to contribute to the achievement of sustainable development, not development at any cost. Planning should ensure that the right development happens in the right place at the right time, benefitting communities and the economy. It plays a critical role in identifying what development is needed and where, what areas need to be protected or enhanced, and in assessing whether proposed development is suitable. It does this by regulating the development and use of land in the public interest.

Your role as a Member of a Planning Authority is to make planning decisions openly, impartially, with sound judgement and for justifiable reasons.

If you have any doubts about the application of this Code to your own circumstances you should seek advice early from the Director of Law and Governance as the County Council's Monitoring Officer or one of their staff, and preferably well before any meeting takes place.

1. Relationship to the Members' Code of Conduct

- **Do** apply the rules in the Members' Code of Conduct first. This must always be complied with.
- **Do** then apply the rules in this Planning Code of Good Practice, which seek to explain and supplement the Members' Code of Conduct for the purposes of your involvement in planning matters. If you do not abide by this Code of Good Practice, you may put:
 - the Council at risk of proceedings on the legality or maladministration of the related decision; and
 - yourself at risk of being in breach of the Members' Code of Conduct and, if the failure is also likely to be a breach of the interest provisions of the Localism Act 2011, a complaint being made to the police to consider criminal proceedings.

2. Development Proposals and Interests under the Members' Code of Conduct

- **Do** disclose the existence and nature of your interest at any relevant juncture, including informal meetings or discussions with officers and other Members.
- **Do** disclose your interest at the beginning of the meeting, or as soon as it becomes apparent. It is good practice to declare your interest again at the start of the relevant item, particularly because members of the public may only be attending for that issue and will not have heard the declaration at the beginning.
- **Do** consider the type of interest you may have and act accordingly.

A. Registerable Interests (those you have included in your register of interests in accordance with the Code of Conduct)

If the matter *directly relates* to one of your Registerable Interests you should declare the existence and the nature of the interest before the item is considered, and

- **don't** get involved in the processing of the application;
- **don't** participate, or give the appearance of trying to participate, in the making of any decision on the matter by the Planning Authority;
- **don't** try to represent local views, get another Member to do so instead;

- **do** withdraw from any meeting prior to consideration of the matter.

If the matter does not *directly relate* to one of your Registerable Interests, then

- **do** consider whether the matter may nonetheless affect your financial interest or wellbeing or that of a friend/relative/close associate;
- **do** carefully consider the extent to which you or your friend/relative/close associate, is affected and whether it might lead to, or could be perceived to lead to, bias on your part;
- **do** be aware that you may attend a Board meeting to make representations, answer questions, or give evidence on the matter provided that public speaking rights also apply;
- **do** ensure that if you decided to make representations on this basis you do not then take part in any discussion or voting on the matter and withdraw from the meeting after you have spoken.

B. Non-Registerable Interests (those not in your register of interests but that may arise with a particular matter)

If the matter directly relates to or affects a financial interest or the wellbeing of yourself or of a friend/relative/close associate (and is not a Registerable Interest) then

- **do** carefully consider the extent to which you or your friend/relative/close associate, is affected and whether it might lead to, or could be perceived to lead to, bias on your part;
- **do** be aware that you may attend a Board meeting to make representations, answer questions, or give evidence on the matter provided that public speaking rights also apply.
- **Do** ask yourself when considering the nature of your interest, whether Registerable or Non-Registerable -

“Is the financial interest or wellbeing of myself or my friend relative/close associate affect to a greater extent than the financial interest or wellbeing of the majority of inhabitants of the ward affected by the decision?”

“Would a reasonable member of the public knowing all the facts believe that this would affect my view of the wider public interest?”

If your answer to either of these questions is “yes” then you must disclose the interest, not take part in discussion or voting on the matter, and leave the meeting during its consideration. As explained above, you may still make representations at the Board meeting provided that public speaking rights apply.

- **Don’t** in any event ever seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment because of your role as a Member. This would include discussing the matter with officers or Members when the public would not have the same opportunity to do so.
- **Do** be aware that whilst you are not prevented from seeking to explain and justify a proposal in which you have an interest to an appropriate officer, you must always declare your interest and the Code places greater limitations on you in representing that proposal than would apply to a member of the public.

3. Predetermination in the Planning Process

Predetermination is also referred to as ‘fettering discretion’. It is not the same as *predisposition*, as explained below.

Predetermination occurs when you are deemed to have made your mind up and will not consider any subsequent information presented. However, you can be *predisposed*, that is, have an initial view on the matter.

As an elected Member you are entitled, and are often expected, to have expressed views on planning issues (*predisposition*). Some Councillors may be elected in part because of their views on such matters. However, if you become involved in the decision making as a member of the Development Control and Regulatory Board then you must be clear that you are prepared to reconsider your position in the light of all the evidence and arguments.

As an elected Member involved in a planning matter:-

- **Don’t** predetermine (fetter your discretion) by approaching the decision with a closed mind.
- **Do** keep at the front of your mind that, particularly if you are predisposed as to how you might decide a particular application, you
 - must keep an open mind at the meeting;
 - must make it clear that you are still willing to listen to all of the evidence and material considerations presented, both the officers’ presentation of the facts and their advice, as well as the arguments from all sides, before deciding how to exercise your vote;

- are not required to cast aside views on planning policy you held when seeking election or otherwise acting as a Member, in giving fair consideration to points raised;
- are only entitled to take account material considerations and must disregard considerations that are irrelevant to the question and legal context at hand; and
- are to come to a decision after giving what you feel is the right weight to those material considerations.

If you have predetermined the application:

- **Don't** participate in the determination of the matter at the Board because if you did take part in the discussion or vote it would put the County Council at risk, because

Firstly, it would probably constitute maladministration in the opinion of the Local Government Ombudsman.

Secondly, the Council could be at risk of a legal challenge, including Judicial Review, on a number of possible grounds:
 - that there was a danger of bias on your part; or
 - you had predetermined the issue; or
 - there was a failure to take into account all of the factors enabling the proposal to be considered on its merits.
- **Don't** speak or vote on the proposal.
- **Do** consider whether you should also withdraw from the meeting during the Board's consideration of that application. Although you are not required to, you may prefer to leave to avoid any complaint that your presence may have influenced the decision.
- **Do**, if you decide to stay in the meeting, explain that you do not intend to speak and vote because you have or you could reasonably be perceived as having predetermined the matter, so that this may be recorded in the minutes.

If you have not predetermined a matter but are predisposed as to how you might decide an application,

- **Do** consider yourself able, for example, to:
 - make public statements on an issue, and
 - campaign on a particular issue;

provided you make it clear when you do this that you do not have a closed mind and are amenable to changing your mind in the light of all the information, advice and evidence which will be presented to you at the time of making a decision.

County Council Proposals

- **Do** be aware that if you have been involved in the preparation, submission or advocacy of a planning proposal on behalf of the County Council (i.e. where it is the landowner, developer or applicant) you should avoid participating in the decision-making process as you could be considered to be biased or have predetermined the matter.

Local Members whose electoral division is directly affected by the application

- **Do** consider whether you should take the opportunity to exercise your separate speaking rights as a Local Member (subject to the consent of the Chairman of the Board under Meeting Procedure Rule 33(2)) where you have represented your views or those of local electors to such an extent that you have, or are likely to be seen as having, predetermined the application. Where you do:
 - advise the proper officer and the Chairman that you wish to speak in this capacity before commencement of the meeting;
 - after you have spoken, remove yourself from the member seating area for the duration of that item, or you may prefer to leave the room entirely as suggested above so as to avoid any complaint that your presence may have influenced the decision; and
 - ensure that your actions are recorded.

Members of another body involved in an application

- **Do** be aware that, although the provisions in the Members' Code of Conduct are applied in such a manner as to recognise that the Code should not obstruct a member's service on:
 - another local or public authority; or
 - a body to which you have been appointed or nominated by the Council as its representative;

you must decide in relation to any planning proposal, whether you have been involved to such an extent in the preparation, submission or advocacy of a planning proposal on behalf of such a body as to make your participation in the decision-making process inappropriate. If you have then you should always disclose this Other Registerable Interest and withdraw from the meeting.

Participation in the discussions of consultee bodies by Members of the decision-making body

- **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (i.e. where you are also a member of the district council as well as being a County Member), provided that:
 - the proposal does not substantially affect the wellbeing or financial standing of the consultee body;
 - you make it clear during the discussion at the consultee body that:
 - (i) you will reserve judgement and the independence to make up your own mind on each separate proposal when it comes before the decision-making body (e.g. the Board) and you hear all of the relevant information;
 - (ii) you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Board for consideration; and
 - (iii) you disclose the personal interest regarding your membership of the consultee body or role when the Board comes to consider the proposal.

4. Contact with Applicants, Developers and Members of the Public

- **Do** exercise caution if approached about a planning application by an applicant, developer or member of the public and refer them to Council Officers for planning, procedural or technical advice.
- **Don't** agree to any meeting with applicants, developers or groups of objectors/supporters where it can be avoided. Where you feel that a formal meeting would be useful in clarifying the issues, it is advisable that you do not seek to arrange that meeting yourself as this may be seen as your promoting one point of view or the other. Instead, you may request the Chief Executive (Head of Planning) to organise it. Officers will then ensure that those present at the meeting are advised from the start that the discussions will not bind the Authority to any particular course of action, that the meeting is properly recorded on the application file, and that the record of the meeting is disclosed when the application is considered by the Board.
- **Do** make it clear that you will only be in a position to make a final decision on the application after having heard all the relevant evidence and arguments at the Board.
- **Do** remember to:
 - follow the rules on lobbying (below);

- consider whether it would be prudent in the circumstances to make notes when contacted and whenever an officer is not present; and
- report to the Chief Executive (Head of Planning) any significant contact with the applicant or other parties, explaining the nature and purpose of the contacts and your involvement in them, and ensure that this is recorded on the planning file.

Presentations by Applicants/Developers

- **Do** feel able to attend public exhibitions or information events held by applicants/developers, but remember -
 - to ask questions only for the purposes of clarifying your understanding of the proposals;
 - that the presentation is not part of the formal process of debate and determination of any subsequent planning application; this will be carried out by the Board;
 - that a presentation can be a form of lobbying and you must not state how you or other members might vote.
- **Don't** attend private presentations from applicants/developers without requesting an officer to be present.

5. Lobbying

Special attention is needed with regard to lobbying in the planning decision-making process. Lobbying in respect of other aspects of members' work is commonplace and it is an accepted part of the democratic process. However, if such lobbying of members of the Development Control and Regulatory Board oversteps the mark (see examples below) it can lead to the impartiality and integrity of members being called into question and decisions taken being referred to the Local Government Ombudsman and/or being subject to legal challenge.

This can be especially difficult for the Local Member who is also a member of the Board. Therefore, care is required when lobbying of and by a member occurs during consideration of a planning application.

A. Lobbying of Members

- **Do** remember that your overriding duty is to the whole community in Leicestershire, not just the people in your electoral division. You need to make decisions impartially and ensure that you do not favour, or appear to favour, any person, company, group or locality.
- **Don't** declare the way you intend to vote.

- **Do** feel able to express an opinion on the merits prior to your formal consideration of the matter at the Board *but only* if you are very clear that you will only make your mind up at the meeting after hearing the officers' presentation and evidence and arguments on both sides.
- **Do** explain to those attempting to lobby you that, whilst you can listen to what is said, you may be open to accusations of predetermination if you express a firm point of view or an intention to vote one way or another, and you would not then be able to participate in the Board's decision-making.
- **Do** pass on any representations you receive and copy or pass on any lobbying correspondence you receive to the Chief Executive (Head of Planning) at the earliest opportunity.
- **Do** refer any offers made to you of planning gain or to restrict the development through a proposed Section 106 planning obligation or otherwise to the Chief Executive (Head of Planning).
- **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum and its acceptance is registered in accordance with the Members' Code of Conduct.
- **Do** indicate that you will pass on that person's views to the Chief Executive and, if necessary, to the Board when it considers the matter, but that you cannot commit yourself to vote in any particular way. If you intend to speak at the Board in this way make it clear at the start of the meeting that this is what you are doing so that this can be recorded.
- **Do** remember that, subject to the advice on interests in Part 2 above you may:
 - Listen/receive viewpoints from residents or other interested parties;
 - Make comments to residents, interested parties, other members or appropriate officers, provided they do not consist of or amount to predetermining the issue and you make it clear that you are keeping an open mind;
 - Seek information through appropriate channels; or
 - Be a vehicle for the expression of opinion or speak at the meeting as a Local Member, provided that, if you are also a member of the Board, you explain your actions at the start of the meeting/item and make it clear that, having expressed the opinion or local view, you will make up your own mind having heard all the facts and listened to the debate.

B. Lobbying by Members

- **Don't** lobby fellow members excessively regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of a meeting of the Board. In this context:

Lobbying is asking fellow members to hear or share one's thoughts and concerns on an issue.

Excessive lobbying is applying such pressure on a fellow member that it amounts to an attempt to obtain a commitment as to how they will vote, whether spoken or unspoken. Pressure of this sort is an attempt to predetermine the outcome of the issue (making the decision potentially unlawful) and may also amount to the Member using their position improperly to confer an advantage or disadvantage (breaching paragraph 2.19 of the Members' Code of Conduct).

If you approach a fellow Member regarding a planning application (or indeed any other issue):

- **Do** be mindful that they may feel under undue pressure more readily in the following situations:
 - a senior member lobbying a less senior colleague;
 - a number of members lobbying an individual;
 - persistent lobbying of a member.
- **Do** always be clear that your lobbying is to solicit interest only and you are not seeking a voting commitment.
- **Do** cease to lobby a member if it appears there is a risk that they will feel subject to pressure as to how he/she votes.
- **Don't** discuss how to vote on a planning proposal at a political group meeting or lobby other members to do so. The Local Government Ombudsman has made it clear that the use of political whips to determine planning applications could amount to maladministration.

Membership of Lobby Groups

- **Don't** lead or act as spokesperson of an organisation or group whose *primary purpose* is to lobby or promote or oppose a planning application.
- **Do** feel able to join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning applications, e.g. The Victorian Society, The Ramblers, CPRE, or a local civic society. However, if you are a member of such an organisation and this is relevant to a particular application, you should make sure that you declare that interest and consider whether it might lead to, or could be perceived to lead to bias on your part.

Undue or Excessive Lobbying

- **Do** inform the Director of Law and Governance if you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality). The Director will ensure that the

appropriate action is taken.

6. Site Visits

- **Do** attend site visits organised by the County Council.
- **Do** ensure that any information which you gained from the site visit is reported back to the Board, so that all members and officers involved in the decision-making have the same information.
- **Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.
- **Do** ask the officers at the site visit questions or seek clarification from them on factual matters which are relevant to the site inspection.
- **Do** have regard to the Council's Site Visit Protocol, in particular noting that all discussion during visits should be conducted through the Chairman and limited to the drawing of attention to facts/features associated with the site.
- **Don't** get involved in discussion with the applicant/developer or any members of the public who may be present during the visit. If you are approached advise them that representations should be made in writing, and direct them to or inform the County Council officer accompanying you.
- **Don't** express firm opinions or views or declare the way you intend to vote.
- **Don't** enter a site which is subject to a planning proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:
 - you feel it is essential for you to visit the site other than through attending the official site visit;
 - you have first spoken to the Chief Executive (Head of Planning) about your intention to do so and why (which will be recorded on the planning file); and
 - you can ensure you will comply with these good practice rules on site visits.

7. Pre-Meetings

Briefing meetings for the Chairman and Spokesmen of the Board are held to facilitate the smooth running of the Board meetings. Discussion will be limited to procedural issues such as the organisation of site visits, arrangements for members of the public to exercise their speaking rights at the meeting, and to ensure that all the relevant paperwork and information is available for the meeting.

- **Do** use pre-meetings to resolve procedural issues to facilitate the smooth running of the formal meeting.
- **Don't** discuss the determination of applications at either Board briefing meetings or political group meetings.
- **Don't ever** use the political whip on a planning matter. This would leave the decision open to challenge and could give rise to a finding of maladministration by the Local Government Ombudsman.

8. Public Speaking at Meetings

The County Council has a procedure to allow members of the public to make representations at meetings of the Development Control and Regulatory Board. As an elected Member -

- **Do**, if contacted by the public before the meeting, explain that whilst you may express a view you must be seen to be keeping an open mind on the matter, and that you will determine the application on its merits, having regard to material considerations.
- **Don't** allow applicants or members of the public to communicate with you at all during the Board's proceedings (orally, in writing, or by social media) as this may give the appearance of bias.
- **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9. Social Media

- **Do** be aware of the power of social media posts or re-posting and be careful to not to give the impression that you will definitively vote in a certain way or act with a closed mind if you intend to participate in the decision making on behalf of the authority.
- **Don't** participate in social media or exchanges by texting as a member of the committee during the committee's proceedings as this may give the impression of undue external influence and may give the appearance of bias.

10. County Council Officers

- **Don't** put pressure on officers to put forward a particular recommendation as this may be seen as prejudicing their professional integrity and impartiality. This does not prevent you from asking questions or submitting views to the Chief Executive (Head of Planning) which may be incorporated into any Board report.

- **Do** recognise that officers are part of a management structure and you should only discuss a development proposal, outside of any arranged meeting, with a Head of Service or those officers who are authorised by their Head of Service to deal with the proposal at a member level.
- **Do** recognise and respect that officers involved in the processing and determination of planning matters must act in accordance with any appropriate officer and professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, planning officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions, or decisions of elected Members.

11. Decision Making

- **Do** come to Board meetings with an open mind and demonstrate that you are open-minded.
- **Do** make decisions in accordance with the relevant Development Plan unless material considerations indicate otherwise.
- **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or that there is simply insufficient information before you, request that further information. If necessary, the Board may defer or refuse the application.
- **Don't** vote or take part in the decision on a proposal unless you have been present to hear everything that has been said at that meeting, including the officers' introduction to the matter.
- **Do** make sure that if you are proposing, seconding, or supporting a decision that you clearly identify and understand the planning reasons leading to this conclusion/decision. Where a decision is being taken contrary to officer recommendations, reasons for this must be given prior to the vote and these must be recorded. Be aware that the Council may have to justify the resulting decision by giving evidence in the event of any legal challenge.

12. Member Awareness

The planning system involves complex legal and technical issues which require the application of sound judgement in the assessment of planning proposals. A failure to follow proper practice and procedures can lead to serious consequences for the County Council as the Planning Authority.

The County Council has determined that all elected Members must attend a planning training session prior to being involved in the determination of planning decisions. You are strongly encouraged to participate in any further

training on planning matters and this Code of Good Practice to assist you in carrying out your role properly and effectively.

Part 5 A

Members' Code of Conduct

Part 1 - BACKGROUND TO THIS CODE OF CONDUCT

- 1.1 This section sets out general interpretation and background to the Code of Conduct, including definitions used within the Code, the purpose of the Code, the principles the Code is based on and when the Code applies. It does not form part of the Code of Conduct itself and consequently does not contain any obligations for you to follow, as these are contained in the 'Code of Conduct' section below.
- 1.2 All councils are required to have a local Member Code of Conduct.

Definitions

- 1.3 For the purposes of this Code of Conduct, a "member" means a member or co-opted member of Leicestershire County Council ('the Council').
- 1.4 A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who:
- a) is a member of any committee or sub-committee of the Council; or
 - b) is a member of, and represents the Council on, any joint committee or joint subcommittee of the Council;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee".

Purpose of the Code of Conduct

- 1.5 The purpose of this Code of Conduct is to assist you, as a member, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow members, Council officers and the reputation of the Council and local government. It sets out general principles of conduct expected of all members and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of member and local government.

General principles of member conduct

- 1.6 Everyone in public office at all levels (i.e. all who serve the public or deliver public services, including ministers, civil servants, members and council officers) should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles, which are set out in Appendix A.
- 1.7 Building on these principles, the following general principles have been developed specifically for the role of a member and these

underpin the obligations in the Code of Conduct that follows.

1.8 In accordance with the public trust placed in you, you should:

- act with integrity and honesty;
- act lawfully;
- treat all persons fairly and with respect; and
- lead by example and act in a way that secures public confidence in the role of member.

1.9 In undertaking your role you should:

- impartially exercise your responsibilities in the interests of the local community;
- not improperly seek to confer an advantage, or disadvantage, on any person;
- avoid conflicts of interest;
- exercise reasonable care and diligence;
- ensure that public resources are used prudently in accordance with your Council's requirements and in the public interest; and
- uphold high standards of conduct, show leadership at all times and not misuse your position when acting as a member.

Application of the Code of Conduct

1.10 This Code of Conduct applies to you as a member or co-opted member of the Council. It applies as soon as you sign your declaration of acceptance of the office of member or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a member.

1.11 This Code of Conduct applies to you when you:

- act in your capacity as a member or co-opted member of the Council; and
- conduct the business of the Council (which, in this Code, includes the business of the office to which you are elected or appointed).

1.12 Where you act as a representative of the Council:

- on another relevant authority, you must, when acting for that other authority, comply with that other authority's code of conduct; or
- on any other body, you must, when acting for that other body, comply with this Code of Conduct, except and insofar as it conflicts with any other lawful obligations to which that other body may be subject.

- 1.13 The Code applies to all forms of communication and interaction, including:
- at face-to-face meetings;
 - at online or telephone meetings;
 - in written communication;
 - in verbal communication;
 - in non-verbal communication;
 - in electronic and social media communication, posts, statements and comments.
- 1.14 Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct. It is your responsibility to comply with the provisions of this Code and to ensure all its obligations are met. You are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct which you are unsure of.

Part 2 - THE CODE OF CONDUCT

Standards of member conduct

- 2.1 This section sets out your obligations, which are the minimum standards of conduct required of you as a member. Should your conduct be perceived to fall short of these standards or the Nolan Principles, a complaint may be made against you, which may result in action being taken.
- 2.2 Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

Respect

- 2.3 **As a member:**
- 2.3.1 I will treat other members and members of the public with respect.**
- 2.3.2 I will treat council officers, employees and representatives of partner organisations and those volunteering for the council with respect and respect the role they play.**
- 2.4 Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a member, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

- 2.5 In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in members.
- 2.6 In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and notify them to the Council, the relevant social media provider or the police. This also applies to fellow members, where action could then be taken under the Member Code of Conduct, and council officers where concerns should be raised in line with the council's member-officer protocol.

Bullying, harassment and discrimination

2.7 **As a member:**

2.7.1 I will not bully any person.

2.7.2 I will not harass any person.

2.7.3 I will promote equalities and will not discriminate unlawfully against any person.

- 2.8 The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.
- 2.9 The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.
- 2.10 Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 2.11 The Equality Act 2010 places specific duties on local authorities. Members have a central role to play in ensuring that equality issues are integral to the Council's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

Impartiality of officers of the Council

- 2.12 As a member I will not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the Council.**
- 2.13** Officers work for the Council as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

Confidentiality and access to information**2.14 As a member:****2.14.1 I will not disclose information:**

- a. given to me in confidence by anyone;**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless:**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. The disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. The disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the Council; and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

2.14.2 I will not improperly use knowledge gained solely as a result of my role as a member for the advancement of myself, my friends, my family members, my employer or my business interests.

2.14.3 I will not prevent anyone from getting information that they are entitled to by law.

- 2.15** Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in

certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the Council must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

Disrepute

- 2.16 **As a member I will not bring my role or the Council into disrepute or conduct myself in a manner which could reasonably be regarded as bringing my role or the Council into disrepute.**
- 2.17 As a member, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other members and/or the Council and may lower the public's confidence in your or the Council's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute.
- 2.18 You are able to hold the Council and fellow members to account and are able to constructively challenge and express concern about decisions and processes undertaken by the Council whilst continuing to adhere to other aspects of this Code of Conduct.

Use of position

- 2.19 **As a member:**
- 2.19.1 **I will not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.**
- 2.19.2 **I will not place myself under a financial or other obligation to outside individuals or organisations that might seek to influence me in the performance of my official duties.**
- 2.20 Your position as a member of the Council provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.
- 2.21 As a member you need to be able to act impartially in the exercise of your responsibilities and ensure that you make decisions in the interests of the local community. You should therefore avoid any financial or other obligations to outside individuals or organisations whose influence may prevent you from acting impartially.

Use of Council resources and facilities**2.22 As a member:****2.22.1 I will not misuse Council resources.****2.22.2 I will, when using the resources of the Council or authorising their use by others:**

- a. act in accordance with the Council's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the Council or of the office to which I have been elected or appointed.**

2.23 You may be provided with resources and facilities by the Council to assist you in carrying out your duties as a member. Examples include:

- office support;
- stationery;
- equipment such as phones, iPads, dongles computers etc.
- transport;
- access and use of Council buildings and rooms.

2.24 These are given to you to help you carry out your role as a member more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the Council's own policies regarding their use.

Making decisions**2.24 As a member:**

2.24.1 When reaching decisions on any matter I will have regard to any relevant advice provided to me by officers and professional third parties.

2.24.2 I will give reasons for all decisions in accordance with any statutory requirements and any reasonable additional requirements imposed.

2.24.3 I will make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits, on individual and independent merit.

2.24.4 I will be as open as possible about my decisions and actions and the decisions and actions of the Council and

will be prepared to give reasons for those decisions and actions, notwithstanding my other obligations under this Code.

- 2.25 To assist members in acting lawfully, officers may give advice from time to time. It is important that as a member you have due regard to any such advice given and consider it fully, even if (for good reason) you may choose not to follow that advice.
- 2.26 In making any decisions, giving reasons helps instil public confidence in the role of the member and can be a legal requirement in certain situations. You should ensure that you always give reasons in accordance with any specific requirements and having regard to the benefits of transparency generally.
- 2.27 As a member you must act impartially and not improperly seek to confer an advantage, or disadvantage, on any person. It is therefore important that when you are making decisions that involve choosing one party over another, that you do so based on independent merit. You should be open and transparent about the decisions that you have made and the actions of the Council.

Complying with the Code of Conduct

2.28 As a Member:

- 2.28.1 I will undertake Code of Conduct training provided by my Council.**
 - 2.28.2 I will cooperate with any Code of Conduct investigation and/or determination.**
 - 2.28.3 I will not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.**
 - 2.28.4 I will comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**
- 2.29 It is extremely important for you as a member to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the Council or its governance. If you do not understand or are concerned about the Council's processes in handling a complaint you should raise this with the Monitoring Officer.

Protecting your reputation and the reputation of the CouncilInterests

- 2.30 **As a member I will register and disclose my interests in accordance with the provisions set out in Appendix B.**
- 2.31 Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the Council.
- 2.32 You need to register your interests so that the public, Council employees and fellow members know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other members when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.
- 2.33 You should note that failure to register or disclose a disclosable pecuniary interest as defined in Appendix B, is a criminal offence under the Localism Act 2011.
- 2.34 The provisions of paragraph 2.30 and Appendix B shall be applied in such a manner as to recognise that this Code of Conduct should not obstruct a member's service on more than one local authority. For the avoidance of doubt, participation in discussion and decision-making at one local authority will not by itself normally prevent you from taking part in discussion and decision-making on the same matter at another local authority. This is on the basis that a reasonable member of the public will see no objection in principle to such service or regard it as prejudicing a member's judgement of the wider public interest and will only regard a matter as giving rise to prejudice to a member's judgement in exceptional circumstances.
- 2.35 Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from the Monitoring Officer.

Gifts and hospitality

- 2.36 **As a member:**
- 2.36.1 I will not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of**

influence on my part to show favour from persons seeking to acquire, develop or do business with the Council or from persons who may apply to the Council for any permission, licence or other significant advantage.

2.36.2 I will register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.

2.36.3 I will register with the Monitoring Officer any significant gift or hospitality with an estimated value of at least £50 that I have been offered but have refused to accept.

2.37 In order to protect your position and the reputation of the Council, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a member. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a member, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a member. If you are unsure, do contact the Monitoring Officer for guidance.

Dispensations

2.37 **As a member:**

2.38.1 I may request a dispensation from the Proper Officer for one meeting only.

2.38.2 I must make the request in writing detailing what my interest is, why the dispensation is required and for what meeting.

2.38.3 I must make my request 5 days prior to the meeting at which the Dispensation is required.

2.38.4 If I wish to make a further request for dispensation, this must be made to the Relevant Officer/Committee.

2.38.5 I will only be granted a Dispensation where there are reasonable grounds for doing so and where such grounds are in the public interest.

2.39 Appendix B sets out the situations where a member's interest in a matter may prevent them from participating in the decision-making process. In certain circumstances, however, there may be reasonable grounds to allow a member to participate in decision-making on that

matter where it would be in the public interest to do so. Where you consider that there may be good grounds for you to continue to participate you should request a dispensation from the Monitoring Officer.

Appendix A

The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour and treat others with respect. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B**Interests****1. Definitions**

“Disclosable Pecuniary Interest” means any interest described as such in the [Relevant Authorities \(Disclosable Pecuniary Interests\) Regulations 2012](#) and includes an interest of yourself, or of your Partner (if you are aware of your Partner's interest) that falls within the descriptions set out in the following table. - * 'director' includes a member of the committee of management of an industrial and provident society.
- * 'securities' means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description, other than money deposited with a building society.

"Other Registerable Interest" is a personal interest in any business of your authority which relates to or is likely to affect:

- b) any body:
 - (i) exercising functions of a public nature;
 - (ii) any body directed to charitable purposes; or
 - (iii) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union).

of which you are a member or in a position of general control or management.

"Registrable Interests" are interests that you are required to register in accordance with this Code of Conduct and include both Disclosable Pecuniary Interests and Other Registerable Interests.

"Non-Registrable Interests" are interests that you are not required to register but need to be disclosed in accordance with section 3.3.

A **"Dispensation"** is agreement that you may continue to participate in the decision-making process notwithstanding your interest as detailed at section 2.37 of the Code of the Conduct and this Appendix B.

A **"Sensitive Interest"** is as an interest which, if disclosed, could lead to the member, or a person connected with the member, being subject to violence or intimidation. In any case where this Code of Conduct requires to you to disclose an interest (subject to the agreement of the Monitoring Officer in accordance with paragraph 2.2 of this Appendix regarding registration of interests), you do not have to disclose the nature of the interest, if it is a Sensitive Interest. In such circumstances you just have to disclose that you have an interest.

A matter **"directly relates"** to one of your interests where the matter is directly about that interest. For example the matter being discussed is an application about a

particular property in which you or somebody associated with you has a financial interest.

A matter “**affects**” your interest where the matter is not directly about that interest but would still have clear implications for the interest. For example, the matter concerns a neighbouring property.

2. Registering Interests

- 2.1. Within 28 days of becoming a member or co-opted member or your re-election or re-appointment to office you must register with the Monitoring Officer any Disclosable Pecuniary Interests and any Other Registerable Interests.
- 2.2. Where you have a Sensitive Interest you must notify the Monitoring Officer with the reasons why you believe it is a Sensitive Interest. If the Monitoring Officer agrees they will withhold the interest from the public register.
- 2.3. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.

3. Declaration at and Participation in Meetings

If you are present at a meeting and you have either a Registerable or Non-Registerable Interest in any matter to be considered or being considered, and the interest is not a Sensitive Interest, you must disclose that interest to the meeting (whether or not it is registered).

To determine whether your interest affects your ability to participate in a meeting, you must first determine what type of interest you have and, if necessary, go on to apply the tests as set out below.

3.1. Disclosable Pecuniary Interests

Where a matter arises at a meeting which **directly relates** to one of your Disclosable Pecuniary Interests subject to paragraph 2.34:

- a. you must disclose the interest;
- b. not participate in any discussion or vote on the matter; and
- c. must not remain in the room unless you have been granted a Dispensation.

3.2. Other Registerable Interests

Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests subject to paragraph 2.34:

- a. you must disclose the interest;
- b. may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter; and
- c. must not remain in the room unless you have been granted a Dispensation.

- 3.3 The provisions of paragraph 3.1 and 3.2 shall be applied in such a manner as to recognise that this Code of Conduct should not obstruct a member's service on more than one local authority. For the avoidance of doubt, participation in discussion and decision-making at one local authority will not by itself normally prevent you from taking part in discussion and decision-making on the same matter at another local authority. This is on the basis that a reasonable member of the public will see no objection in principle to such service or regard it as prejudicing a member's judgement of the wider public interest and will only regard a matter as giving rise to prejudice to a members' judgement in exceptional circumstances.

3.4. Non-Registerable Interests

Where a matter arises at a meeting which **directly relates** to a financial interest or the well-being of yourself or of a friend, relative or close associate (and is not a Registerable Interest):

- a. you must disclose the interest;
- b. may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter; and
- c. must not remain in the room unless you have been granted a Dispensation.

- 3.5 Where a matter arises at a meeting which does not directly relate to but **affects**:

- a. a financial interest or the well-being of yourself or of a friend, relative or close associate; or
- b. a financial interest or wellbeing of a body included in those you need to disclose under Other Registerable Interests;

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test in paragraphs 3.6 and 3.7 should be applied.

3.6 Where a matter under paragraph 3.5 **affects** the financial interest or well-being or body:

- a. to a greater extent than it affects the financial interests or wellbeing of the majority of inhabitants of the ward affected by the decision; and
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest;

you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a Dispensation.

3.7 Where a matter under paragraph 3.5 does not affect the financial interest or well-being or body:

- a. to a greater extent than it affects the financial interests or wellbeing of the majority of inhabitants of the ward affected by the decision; and/or
- b. a reasonable member of the public knowing all the facts would not believe that it would affect your view of the wider public interest;

you may remain in the room, speak if you wish to and take part in any discussion or vote on the matter, provided you have disclosed your interest under paragraph 3.5.

Appendix C

The Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring members to comply with any formal standards investigation and prohibiting trivial or malicious allegations by members.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both members and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to

review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish member towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing its Model Code on an annual basis to ensure it is still fit for purpose.

EMPLOYEE CODE OF CONDUCT

Part 1 *General Provisions*

Purpose

- 1.1 This Code of Conduct defines the responsibilities, standards and behaviour required of you as a Leicestershire County Council employee. It reflects the fact that members of the public expect you, as a public servant, to demonstrate the highest levels of integrity and professionalism at all times. This is necessary to enable the County Council to deliver services of high quality which are value for money and reflect the Council's organisational values.
- 1.2 It is your responsibility to read this Code and to make sure your conduct meets its provisions at all times.
- 1.3 Breaches of this Code will be investigated and may result in disciplinary action being taken which could lead to dismissal. You must engage in any investigations about actual or potential breaches of this Code.

Scope

- 1.4 This Code of Conduct applies to all County Council employees, apprentices and casual workers. Volunteers, agency workers and others who work, whether paid or unpaid, for and on behalf of Leicestershire County Council are expected to comply with this Code.
- 1.5 You are required to comply with this Code when carrying out your duties as an employee or representative of Leicestershire County Council.

Principle 4 - Accountability

You are accountable to the public for your decisions and actions and must submit yourself to the scrutiny necessary to ensure this.

Principle 5 - Openness

You should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Principle 6 - Honesty

You should be truthful.

Principle 7 - Leadership

You should exhibit these principles in your own behaviour. You should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Part 3 *Standards*

- 3.1.5 Be aware that actions in your off-duty hours can impact on your employment with the Council as it may result in disciplinary action being taken against you. Examples include, but are not limited to, involvement in racist incidents, criminal actions and acts of violence.

In addition you have a duty to take care of your own health and safety and that of others who may be affected by your actions and to co-operate with the Council and co-workers to help everyone meet their legal requirements;
 - 3.2.2 If you have a specific query or concerns about health and safety in your workplace you should in the first instance talk to your line manager.

Part 4 *Adherence to Council Constitution, Policies, Procedures, Operating Guidelines and Service Standards*

- 4.1 You have an individual responsibility to work within Leicestershire County Council's Constitution, service requirements, policies, procedures, operational guidelines and standards, legislation and other professional standards which may apply to your role from time to time and to be aware of and keep up to date with those requirements and standards. Adherence to these ensures that:
 - The Council meets its statutory requirements;
 - Service standards are maintained;
 - Proper monitoring and auditing processes can be applied.
- 4.2 If you do not follow these (whether intentionally or inadvertently) it will be regarded as a disciplinary matter. Whilst managers will assist you, you have a personal responsibility to make sure that you are familiar with your responsibilities under the Council's Constitution and other policies, procedures and guidelines, in particular:-
 - HR Policies;
 - Equalities Policies;
 - Financial Procedure Rules;

Part 6 *Relationships*

- 6.1 The County Council expects that you:-
- 6.1.1 Treat all co-workers (whether paid or unpaid) equally, fairly and with dignity and respect regardless of their circumstances or personal characteristics;

with the local community), agencies, contractors, suppliers, and service partners, without offering or inferring any advantage to any external suppliers or contractors;

6.2 Elected Members

- 6.2.1 Mutual confidence and trust between employees and elected members is essential to the effective operation of the County Council. Any close personal relationships which develop between you and an elected member should be declared in the same way as a relationship with another employee.

More information is contained within the Protocol on Member Officer Relations, in Part 5C of this Constitution.

Part 7 *Personal, Business, Financial or Other Interests*

- 7.1 For the most part, your off-duty hours are your personal concern; however you should not subordinate your employment relationship with the Council to your private interest or put yourself in a position where there is a conflict of interests.

- 7.3 You are required to declare and register any potential or actual personal, financial, business, other employment or interest which may impact on your work, conflict with the impartial performance of your duties, put you under suspicion of improper behaviour or that would cause damage to the Council's reputation or services.

In order to avoid any possible accusation of bias, you should not be involved in an appointment where you are related to an applicant, or have a close personal relationship outside work with them;
- 7.4.2 In the same way, you must not be involved in decisions about discipline, promotion or pay for any employee you have a close personal relationship with.
- 7.5 Relationships which develop during the course of Employment
- 7.5.1 You are responsible for declaring, in writing to your line manager, any personal relationships that develop with another Council employee, which may conflict with the impartial performance of your duties.

Part 8 *Bribery, Fraud and Corruption*

8.1 Bribery

- 8.1.1 Bribery is defined as “an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage”.
- 8.1.2 Under the Bribery Act 2010, both individuals and organisations are liable for conviction in court, imprisonment and/or fines if found guilty of an offence.
- 8.1.3 It is useful for all employees to remember that it is unacceptable to:
- Give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a business advantage will be received, or to reward a business advantage already given;
 - Give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to ‘facilitate’ a routine procedure;
 - Accept payment from a third party that you know or suspect is offered with the expectation that it will obtain a business advantage for them;
 - Accept a gift or hospitality from a third party if you know or suspect that it is offered or provided with an expectation that a business advantage will be provided by us in return;
 - Take any action against or threaten a person who has refused to commit a bribery offence or who raises any concerns.
- 8.1.4 The responsibility to control the risk of bribery occurring should reside at all levels. If you have a concern regarding a suspected instance of bribery please speak up.

8.2 Fraud and Corruption

- 8.2.1 Fraud is defined as “deliberate deception intended to provide a direct or indirect personal gain”.
- 8.2.2 Corruption is defined as the “deliberate use of one’s position for direct or indirect illegitimate personal gain”.
- 8.2.3 The Council’s general belief and expectation is that all those associated with it will act with honesty and integrity. In particular, officers will lead by example and be accountable for their actions.
- 8.2.4 As an employee of the County Council you are expected to:
- Take the risk of fraud seriously;
 - Secure all passwords, information, documents, money and equipment in your control which can be stolen or used to perpetrate fraud;

Part 5B

Officers' Code of Conduct

Page 8

- Make yourself aware of corporate and departmental documented procedures, regulations or other instructions and ensure, where possible, that they are adhered to;
- Strive to achieve value for money in your use of the Council's financial resources;
- Only incur costs to the Council in accordance with your authorised limits;
- Declare any conflicts of interest that arise;
- Only accept gifts and hospitality in accordance with the County Council's Policy;
- Bring any concern you have on the adequacy of control measures to the attention of your line manager;

8.2.5 Concerns raised will be treated in accordance with the Council's Whistleblowing policy.

Part 9 *Protecting the Council's Business Interests*

- 9.1 The Council retains the intellectual property rights for work created in the course of your normal duties e.g. research, reports, designs, drawings, software developments or similar work. No property of the Council should be removed from Council premises or passed on by you or another person acting on your behalf to a third party, without the express consent of the Council.
- 9.2 Similarly, you are not permitted to use any work which you or others have created, whilst in the employment of County Council, for personal or financial gain without the express consent of the Council.

Part 10 *Whistleblowing*

- 10.1 The County Council is committed to achieving high standards of integrity and accountability and expects the same commitment from those working for the Council. Experience shows that employees are often the first to realise that there may be something seriously wrong within the Council or often have worries or suspicions and could, by reporting their concerns at an early stage, help put things right and stop potential wrongdoing.
- 10.2 The Council's Whistleblowing Policy provides a framework for you to raise concerns which you believe are in the public interest and may relate to illegal, improper or unethical conduct. You are encouraged to bring to the attention of management, knowledge of any such activity. You should be able to do so without fear of victimisation.

Part 11 *Disclosure of Information*

- 11.1 You have a contractual responsibility to maintain confidentiality and to comply with the Council's guidance on Data Protection and Information Security and Acceptable Use Policy.

- 11.2 Confidential information includes, but is not limited to, any information regarding staff, service users, financial information, information regarding business plans or other commercially sensitive information and any information or matter which relates to the affairs and/or services of the County Council that should not be in the public domain and information about County Council Service Users and Customers.
- 11.3 You must:
- 11.3.1 Not disclose information (oral, written or electronic) given to you in confidence by anyone, or information acquired which you believe is of a confidential nature, without the consent of a person authorised to give it, or unless you are needed to do so by law, or until it becomes public in the course of the Council's business;
 - 11.3.2 Not prevent another person from gaining access to information to which that person is entitled by law;
 - 11.3.3 Not use any information received during your employment for personal gain or benefit, or pass it on to others who might use it in a way other than might reasonably be expected in the normal course of their duties;
 - 11.3.4 Where applicable, be aware of the guidance on when you make confidential information available to Elected Members. Part 4B – Access to Information Procedure Rules.
 - 11.3.5 Respect political confidences as provided for in the protocol on Member/Officer Relations, Part 5C of this Constitution.
- 11.4 If you are unsure if an individual has the right to receive the information they have asked for, you must seek advice from your line manager.

Part 12 *Political Neutrality*

- 12.1 Employees serve the whole County Council as a single, statutory corporate body and not simply the political administration in power. It follows, therefore, that you must provide support to all members of the Council, regardless of the political party they represent. This is particularly important in relation to their local or representational role.

This is explained in more detail in the Protocol on Member/Officer Relations, Part 5C of this Constitution.

12.2 Politically Restricted Posts

- 12.2.1 Some employees hold posts that have been designated as politically restricted. If you hold this type of post you are prevented from taking an active political role either in or outside work. You must not stand as a candidate, or hold, elected office (other than to a Parish Council), canvass at elections, speak, or write publicly demonstrating support for a political party.

Part 5B

Officers' Code of Conduct

12.2.2 The restrictions which apply to Political Assistants are slightly different.

Annex - [Statutory Officers Protocol](#)

Purpose

1. The purpose of this protocol is to define the respective roles of members and officers and to provide guidance on what the relationship between those roles should be.
2. The protocol is intended to support effective working relationships and promote high standards of behaviour. It sits alongside the Members' Code of Conduct, Planning Code of Good Practice and the Officers' Code of Conduct and reflects the principles and objectives that underpin those Codes.

Principles

3. The fundamental principles underpinning this protocol are:
 - (a) The County Council is a democratically elected local authority delivering a range of services to the people of Leicestershire.
 - (b) The County Council is a single entity, a statutory corporate body. This relates to both the officer structure and the different areas of activity (Cabinet, Regulatory and Overview and Scrutiny) that members can be involved in.
 - (c) In everything they do, elected members and officers of the County Council are obliged to act within the law and in compliance with relevant standards and codes of conduct.
 - (d) All elected members of the County Council are ultimately accountable to the people of Leicestershire through the ballot box for their actions as County Councillors.
 - (e) The Political Administration of the day, whether single or joint, is ultimately politically accountable for the effectiveness and delivery of its policies and plans which have been approved by the County Council and will, therefore, have an interest in ensuring that services are delivered by the officers in accordance with those approved policies and plans.
 - (f) The officers serve the whole County Council as a single statutory corporate body.
 - (g) The Head of Paid Service (Chief Executive), Monitoring Officer, Chief Financial Officer (Section 151 Officer) and Scrutiny Officer are all statutory roles with responsibilities as set out in the Articles of this Constitution. A Statutory Officers Protocol which establishes shared expectations and appended role protocols for each Statutory Officer is attached and forms part of this Protocol.

- (h) The officers will provide adequate support to all elected members in their local or representational role.
 - (i) Dealings between elected members and officers should be based on mutual trust and respect.
 - (j) Senior members, including the Leader and Group Leaders, and senior officers, including the Chief Executive and Directors, are expected to actively model the behaviours and standards set out in this protocol. Through their conduct, they have a key role in reinforcing clear roles, mutual respect and constructive working relationships, and in promoting a culture where this protocol is understood and applied in practice.
4. The effective operation of this protocol depends on a shared understanding of the respective roles, responsibilities and standards of behaviour expected of members and officers.
 5. Appropriate training, guidance and induction will be provided to elected members and officers to support awareness of this protocol and the standards of conduct that underpin it, and this protocol will be referenced as part of member induction and relevant development activity.

Role of Members and Officers

6. Members and officers are both servants of the public and indispensable to one another, although their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council as a whole, and they are accountable to the Chief Executive. Their role is to give advice to members (individually and collectively) and to carry out the Council's work as determined by the Cabinet and full Council under the direction of the Chief Executive and the Council's Corporate Management Team.
7. Members should not get involved in the day to day operational management of services, although this does not preclude Members from raising constituency related operational issues. Equally, officers should not get involved in politics.
8. Members will take decisions in their role as members of the Cabinet and other decision-making bodies detailed in the Constitution, including the full Council. They will do this in the light of appropriate professional advice from officers, which will ensure that all decisions comply with the law and relevant standards or codes of conduct. Officers have the right to have their advice recorded, so that elected members are fully aware of the implications of their decisions.
9. The advice given by officers will aim to serve the interests of the County Council as a whole. It should be fearless, factual, honest,

objective and politically neutral. Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive. Officers must be aware of the implications for the Council and its members, and for the community as a whole.

Relationships between Members and Officers

10. The relationship between members and officers should be one of mutual trust and respect. Members and officers should behave courteously to each other and neither party should seek to take advantage of their position. Close personal familiarity between individual members and officers can harm professional relationships and prove embarrassing to other members and officers. Situations should be avoided that could give rise to the suspicion or appearance of any improper conduct, or the perception that a member and an officer treat one another differently from others due to the nature of a personal relationship between them. Officers are required to declare any close personal relationships with members in the same way as they would declare a relationship with another employee.
11. Dealings between elected members and officers should at all times reflect the Council's commitment to dignity, respect and fairness at work in their interactions with one another. Behaviour which undermines professional dignity, respect or courtesy is incompatible with the principles of this protocol and the shared objective of promoting high standards of behaviour across the Council.
12. Members should not raise matters relating to the conduct or capability of officers, either individually or collectively, at meetings held in public or in the press. Officers have no means of responding to such criticism in public. If Members feel that they have not been treated with proper respect and courtesy or have any concern about the conduct or capability of an officer they should raise it using the process outlined at paragraph 51 of this protocol.
13. Members will not publish any material which criticises, disparages or undermines officers, either directly or indirectly, including through anonymised references or comments which could reasonably identify an individual or group of officers, including through their agents or political groups. This applies equally to communications and interactions conducted through digital and online channels, including email, messaging platforms and social media.
14. Officers must maintain professional and politically neutral conduct in all communications with elected members and should avoid conduct and communications, including online discussion, which could reasonably give rise to perceptions of partiality, impropriety or political alignment.
15. Members should respect the confidence of officers and, when information is shared with them, should not share it more widely,

especially with the press, parish councils or members of the public, without seeking the consent of the relevant Head of Service or Assistant Director beforehand. More details of how to engage with the media are set out in the Media Relations Protocol.

Information and the political perspective

16. For the proper functioning of the County Council as a whole, officers will normally be permitted to share information freely between themselves, irrespective of whether the officer's role is connected with the Cabinet, Overview and Scrutiny or the regulatory aspects of the County Council. Where the information has been supplied/received subject to a request for party political confidentiality, an officer will only be permitted to share that information with other officers if they believe that to be necessary - for example for the purpose of verifying the legality, financial probity or procedural regularity of any proposed course of action disclosed by that information. The request for party political confidentiality will be confirmed to, and honoured by, any officers with whom the information is shared.
17. Appropriate and regular liaison between elected members and officers connected with the Executive and Overview and Scrutiny aspects of the County Council should avoid the relationship between Scrutiny and the Executive becoming adversarial and polarised. This liaison, combined with the politically balanced nature of Overview and Scrutiny, should reduce the number of occasions on which it is necessary for information to be supplied by elected members to officers on a party political confidential basis at Executive/Overview and Scrutiny level.
18. On request and where appropriate, officers will provide a briefing on a policy matter or individual topic to a particular political group, provided that the same offer is also made to the other political groups. There will be times when officers consider it more appropriate to brief all members at the same; this will be discussed with the political group making the request. For the avoidance of doubt, this section does not apply to Cabinet Briefings (a confidential weekly meeting between Cabinet Members and Chief Officers) or to other Executive-only briefings convened to support the discharge of Executive functions.
19. Where information is supplied to officers on a party political confidential basis, the officers will respect that confidentiality unless the officers believe that the proposed course of action appears to be in conflict with the law, or any relevant standards or codes of conduct, or would amount to an abuse of the processes of the County Council.
20. Where party political confidentiality would be maintained in accordance with the preceding paragraph, the officers may, nonetheless, seek to persuade the elected members requesting the confidentiality to agree to that information being shared with the other political groups on the grounds that it would assist the more effective functioning of the County

Council; however, in the absence of any such agreement to waive the confidentiality, the officers would continue to respect it.

21. Where there is a change in Political Administration, the officers will act in relation to the new Administration and Opposition party or parties in the same way as they did for the old; and will continue to respect any continuing party political confidentiality.

Relationship between the Cabinet and Overview and Scrutiny

22. Given the nature and purpose of the County Council and the respective roles of elected members and officers, it is accepted that the officers, while remaining politically neutral, will inevitably give advice on a wider range of issues and on a more regular basis to the Cabinet. For their part, Cabinet members will continue to respect the political neutrality of the officers and accept that officers are obliged to respond positively to any requests from Overview and Scrutiny for appropriate information and advice relevant to the issue being considered by Overview and Scrutiny. When a committee requests it, the Executive will provide an appropriate Lead Member to attend an overview and scrutiny meeting to explain an Executive's decision and the reasons for it.

Decisions under delegated powers

23. No executive powers will, as a matter of policy, be delegated to individual members, either as the Leader or as a member of the Cabinet. Although neither the Leader nor individual members of the Cabinet will have any personal delegated executive powers, they may, nevertheless, develop, a personal special interest in specific areas of County Council activity. The term "Lead Member", rather than "Portfolio Holder", is used to describe members with any such special interest, to avoid creating any misleading impression that the member concerned does have personal delegated powers. The Leader may decide that there should be more than one Lead Member for any particular area of special interest.
24. The role of a Lead Member will include:
 - (a) Providing a leadership role in their particular area, demonstrating familiarity and understanding of their brief.
 - (b) providing a point of reference for a chief officer who wishes to sound out the elected member perspective before taking an executive decision under powers delegated to that chief officer.
 - (c) Providing a better-informed elected member perspective and opinion on any relevant proposals before (or likely to come before) the Cabinet.
 - (d) Appearing, as appropriate, before any relevant overview and scrutiny committee on behalf of the Executive.

- (e) Making position statements or responding to questions on the relevant area of activity, on behalf of the Executive, at any meeting of the County Council.
- (f) Speaking to the media to publicise and explain relevant decisions made at and policy proposals emerging from meetings of the Cabinet.

The role of the Lead Member for Children's Services is a statutory role and as such holds political accountability for all local authority children's services, including education and social care.

25. Where a chief officer decides (rather than volunteers) to consult a Lead Member before exercising his or her delegated powers, both will understand, and accept, that the final decision (and the responsibility which goes with it) remains with the chief officer; and that the process of reference to a Lead Member is not intended to operate as a delegation of power to the Lead Member.
26. The same principles apply where authority to take a decision has been specifically delegated to a chief officer "after consultation with" one or more elected members, whether Lead Member or local member or both. Although the process of consultation is required by the specific delegation of authority, this does not change the fact that the process is still one of consultation with, not specific approval by, the member(s) concerned. If the consultation process was handled as if it was one of specific approval, then that could reasonably be regarded as tantamount to *de facto* personal delegation to the member concerned.
27. Since consultation alone is involved, a chief officer can, theoretically, decide to proceed with his or her proposed course of action even in the face of some degree of objection from the member(s) consulted. However, in some circumstances it may be prudent for the chief officer to decline to exercise the delegated authority and refer the decision back to the body which conferred the authority on the chief officer.
28. In implementing any process of consultation, if the view of the Lead Member is not in conformity with the professional view of the chief officer and the difference of view is material and cannot be reconciled, then the chief officer should consider:
 - (g) seeking advice from the Chief Executive, Monitoring Officer or Chief Financial Officer as appropriate; and
 - (h) referring the issue to a meeting of the Cabinet or the body which conferred the delegated power -

to protect the interests of the Lead Member, the chief officer and, ultimately, the County Council.

29. Chief officers should be careful about the methods they use to record, for internal purposes, that the process of consultation has taken place

and its result. There should be mutual trust and understanding between chief officers and Lead Members - a degree of trust which should be sufficient so that a formalised process whereby a chief officer expects Lead Members to sign written confirmation that they have read and understood the relevant material supplied to them and that they agree its content is usually inappropriate.

Keeping Members informed of matters affecting their electoral division

30. To enable members to carry out their representative and divisional role effectively, they should be fully informed as early as possible about matters affecting their division, especially where it can be anticipated that members will become involved, for example in the case of the likelihood of complaints. Residents expect their County Council representative(s) to be aware of all the activities which they may believe are in some way the responsibility of the County Council. This arrangement does not extend to individual service-related complaints.
31. Members have an important role to play in representing the County Council in their electoral division by responding to the concerns of their constituents.
32. Members must be invited to any event that has been organised in their electoral division, which is relevant to their role as a County Councillor, for example the opening of a new facility from which County Council services are being delivered. If the facility or the service provides services to adjoining electoral divisions the additional members should also be invited.
33. Whenever a public meeting is organised by the Council to consider an issue, all the members representing the electoral division(s) affected should be invited to attend the meeting as a matter of course.
34. If a member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, they should inform the relevant officer(s).
35. Similarly, whenever the Council undertakes any form of consultative exercise, the relevant member(s) should be notified immediately prior to the outset of the exercise.
36. Where a report to the Cabinet, Scrutiny or Regulatory Body includes a sensitive issue affecting one or more electoral divisions, report authors must draw this to the attention of the relevant member(s) concerned, whether or not they are a member of that body. This does not apply to reports considered by informal panels or working parties.
37. Members may attend as observers at meetings of the Cabinet, Overview and Scrutiny Committee and Regulatory Bodies (Standing

Order 34), including those parts of the meetings from which the public has been excluded. Subject to the consent of the Chairman a member so attending may speak (but not vote) on any matter. Representations may also be made by members in writing, particularly if they are not able to attend the meeting.

38. Where Members have notified that they have a particular interest in a matter to be considered by the Cabinet or some other body, but they are not the local member, officers are still expected to provide them with the relevant information. Care must be taken on matters on which a member has an interest, as defined in the Member Code of Conduct. Members have a common law right to inspect documents and attend meetings if they can demonstrate a “need to know” for the purposes of their duties as a Councillor (if in doubt seek advice from the Monitoring Officer).
39. Further circumstances where it would be appropriate to notify individual members include, for example:
 - An issue arising from the exercise of a Chief Officer delegated power relating to their division;
 - An approach being made to a Chief Officer by the press for comments on a particular matter relating to their division;
 - A partnership body, which includes the County Council; proposing to take action on a matter relating to their division
 - A Freedom of Information request covering a controversial issue relating to their division;
 - Where officers have received significant complaints from residents in their division, likely to lead to adverse media coverage (excluding individual service-related complaints);
 - A potentially controversial operational matter that will have a significant impact on the community in their division such as major road works, changes in opening hours, closure of a facility etc;
 - Where a major incident has taken place.

In most cases notification via a short e-mail or simple phone call is all that is required.

40. There may be times when, in addition to the local member(s), it would be appropriate for the officer concerned to notify other members, for example the Leader, Deputy Leader or Cabinet Lead Member.

Guidance to Elected Members on providing advice and support to Officers

Constituent Issues

41. A member may be asked for advice and support by an officer who is one of their constituents. Officers are entitled to seek such assistance in the same way as any other member of the public. However, members should be aware of the Officer Employment Procedure Rules in Part 4 of this constitution and be careful not to prejudice the County Council's position in relation to disciplinary procedures or employment matters in respect of an officer. A member approached for help in such circumstances should first seek advice from the Monitoring Officer.

Employment Issues

42. A member should generally treat officers as they would a member of the public in relation to the personal receipt of council services and deal with the issue accordingly.
43. Although employees are not encouraged to do so, elected members may occasionally find themselves being approached by employees on matters relating to their personal circumstances as a member of the Council's staff.
44. This puts the elected member in some difficulty because they will potentially have a conflict of interest. On the one hand the member may well want to offer assistance to the employee, particularly if they reside in their electoral division. On the other hand, as a member of the County Council, all elected members have responsibilities as "the employer".
45. It is advised in such circumstances that the member concerned should limit their role to the following:-
 - listening to the nature of the issue;
 - offering advice about where the employee can get assistance and support e.g. trade union, HR staff, manager, website;
 - pointing to the various mechanisms which the Authority has in place for resolving issues and disputes with groups of employees and individuals. (These are explained below);
 - satisfying themselves that the Council's procedures (including the Whistleblowing Procedure where appropriate) are being followed correctly in that case and receiving details of the outcome. If there is concern that this may not be the case the member should seek

advice from a relevant officer (i.e. Monitoring Officer, Head of Democratic Services, Head of Law or Head of People Services).

46. Beyond the above, it would not be wise for an elected member to pursue any particular case on behalf of the employee. To do so could prejudice any procedures which are already underway and would not be in the Council's or public's interests.
47. There are a number of policies and procedures available for employees to raise individual issues in relation to their employment, in line with the Employee Code of Conduct which forms Part 5B of this Constitution.
48. The Whistleblowing Procedure is available to raise issues of bad practice, possible fraud or corruption or other matters which seem to be against the interests of the public, the Council or its staff.

Process for Raising and Resolving Member–Officer Conduct Concerns

49. Wherever possible, concerns should be raised early and addressed informally and constructively, recognising that not all issues require formal escalation.

Procedure for Officers to raise concerns about Members

50. Where a member of staff has a concern about the conduct, behaviour, or interactions of an elected member, and where it is not appropriate or comfortable to resolve the matter directly with the member concerned, the following escalation route will apply:

- (a) Discussion

The staff member may raise the issue in confidence with their Director or, if preferred, with the Chief Executive or the Monitoring Officer. No member shall be involved at this stage.

- (b) Confidential Management Meeting

Upon receiving such a concern, the Chief Executive, relevant Director and Monitoring Officer will discuss the matter with the staff member to understand the issue, provide support, and assess whether informal resolution may be appropriate.

- (c) Engagement with the Relevant Group Leader

Where the concern relates to an elected member's behaviour, and where informal resolution appears possible, the Chief Executive or Monitoring Officer may, with the staff member's agreement, raise the matter with the Leader of the relevant political group. This engagement is intended to support early, constructive resolution and uphold positive member–officer relations, while maintaining the impartiality and safety of officers.

(d) Protection of Officers

Officers must be able to raise such concerns without fear of criticism, retaliation or political pressure. Members must respect that such concerns are handled through senior management and the Monitoring Officer, not directly with the staff member.

(e) No Interference with Formal Processes

Where the matter may amount to a potential breach of the Members' Code of Conduct, and informal resolution under this procedure is not considered appropriate, the Monitoring Officer will advise whether it should instead be considered under the formal Code of Conduct complaints process, in which case members must not seek to influence or interfere with the investigation.

(f) Record and Follow-Up

A confidential note of the concern and action taken will be kept by the Monitoring Officer, who will ensure appropriate follow-up and support for the staff member, and, where relevant, engage with the group leader or member involved to reinforce expected standards.

Procedure for Members to Raise Concerns About Officers

51. Where an elected member has a concern about the conduct, behaviour, or interactions of an officer, which has not been possible or is not appropriate to resolve directly with that officer, the following escalation route will apply:

- (a) Where a member considers that they have not been treated with proper respect or courtesy by an officer, they should raise the concern without delay with the officer's line manager or relevant Director.
- (b) If, after consideration by the relevant manager or Director, the concern remains unresolved, the member may escalate the issue to the Chief Executive. The Chief Executive will determine whether the matter indicates a potential breach of the Officers' Code of Conduct or other standards expected of employees under the Constitution. The Chief Executive will also decide what further action is appropriate, which may include formal management action, referral to HR processes, or other steps necessary to preserve the integrity of member-officer relations.
- (c) At every stage of this process, members should refrain from engaging directly with the officer in a way that could be perceived as undue pressure or interference in employment matters. Equally, officers will be expected to cooperate fully and professionally with any enquiries arising from such concerns. This approach ensures that concerns are dealt with promptly, fairly and in accordance with established governance and employment frameworks.

Review and Maintenance of the Protocol

52. This protocol will be kept under review to ensure it remains effective, up to date and consistent with relevant legislation, codes of conduct and national good practice. Any proposed changes will be considered in accordance with the Council's constitutional arrangements.

[end of Protocol on Member/Officer Relations]

STATUTORY OFFICERS PROTOCOL

This Protocol forms part of the Member/Officer Relations protocol and is intended to sit alongside Article 12 of the Constitution, the Members' Code of Conduct, Employee Code of Conduct and the Council's procedure rules. It establishes shared expectations and appended role protocols for each Statutory Officer.

1. Status and Purpose

1.1 This Protocol forms part of the Council's Constitution. It sets out how the Council, its Members, and its officers will support and work with the Council's Statutory Officers so they can discharge their statutory and professional responsibilities effectively. Nothing in this Protocol is intended to fetter the statutory or professional judgement of a Statutory Officer, or to prevent the exercise of any statutory reporting power or duty.

1.2 The Council recognises the importance of the 'golden triangle'—the Head of Paid Service, the Monitoring Officer and the Chief Finance Officer—working collaboratively to support lawful decision-making, effective governance and financial resilience in the public interest.

1.3 The Protocol:

- (a) establishes shared principles for Member/officer relationships involving Statutory Officers;
- (b) sets minimum working arrangements, access rights and resourcing expectations;
- (c) provides routes for early advice, issue escalation and dispute resolution; and
- (d) appends role-specific protocols for the Chief Executive/Head of Paid Service, the Monitoring Officer and the Chief Finance Officer (s151 Officer).

2. Scope, Definitions and Interpretation

2.1 "Statutory Officers" for the purposes of this Protocol are:

- (a) the Head of Paid Service (the Chief Executive), designated under section 4 of the Local Government and Housing Act 1989;
- (b) the Monitoring Officer, designated under section 5 of the Local Government and Housing Act 1989; and
- (c) the Chief Finance Officer (the "s151 Officer"), responsible for the proper administration of the Council's financial affairs under section 151 of the Local Government Act 1972.

2.2 References in this Protocol to “Members” include the Leader, Cabinet Members, Committee Chairs and all elected Members of the Council.

2.3 This Protocol is to be read alongside: the Members’ Code of Conduct; the Employee Code of Conduct; the Member/Officer Relations Protocol; the Council’s decision-making, financial and contract procedure rules; and any statutory guidance and professional standards applicable to Statutory Officers.

3. Core Principles

3.1 The Council, Members and officers will:

- (a) promote a culture of legality, high ethical standards, good governance and effective financial management;
- (b) engage Statutory Officers early in the development of proposals and decisions with legal, constitutional, ethical, governance or financial implications;
- (c) respect the impartiality and independence of Statutory Officers and avoid placing inappropriate pressure upon them;
- (d) ensure Statutory Officers have timely access to information, reports, meetings and decision-makers so they can provide advice and, where necessary, discharge statutory reporting duties;
- (e) act with mutual respect, trust, honesty and courtesy in all dealings;
- (f) handle disagreements constructively and resolve tensions swiftly; and
- (g) avoid any conduct that could bring the Council into disrepute or undermine Member/officer relationships.

3.2 Statutory Officers will:

- (a) provide professional, impartial advice to support lawful and effective decision-making;
- (b) seek, where possible, to resolve issues informally and constructively at an early stage, including by identifying lawful alternative courses of action; and
- (c) escalate matters formally only where necessary to discharge their statutory or professional duties.

4. Working Arrangements – Access, Information and Early Involvement

4.1 The Council will ensure each Statutory Officer has:

- (a) sufficient staff, accommodation, training and other resources to discharge their statutory duties;

(b) prompt access to the Leader, Cabinet, Committee Chairs and the Corporate Management Team (CMT);

(c) advance notice of and access to agendas, reports and minutes for meetings and key officer decision-making forums where issues relevant to their responsibilities may arise; and

(d) unimpeded access to relevant records, information and officers necessary for them to carry out their functions, subject to lawful restrictions, including timely cooperation and explanation where requested, and subject to lawful restrictions (including data protection, legal professional privilege and exempt/confidential information requirements).

4.2 Directors and other senior officers must ensure Statutory Officers (or their nominated deputies) are consulted at an early stage on:

(a) new policy or service delivery models;

(b) significant governance or constitutional changes;

(c) procurement and contract models that create significant legal/financial risk;

(d) partnerships, companies, trusts and other bodies where the Council's risk exposure may be material; and

(e) reports and decisions that may be (or be perceived to be) unlawful, procedurally defective, unethical or financially unsustainable. Where Statutory Officer advice is material to the decision, reports should fairly summarise that advice (and any material residual risks), and identify mitigations and lawful alternatives considered.

4.3 Appropriate deputising arrangements will be maintained and kept under review so that statutory functions can be discharged during absence, vacancies or peaks in demand.

5. Statutory Officers' Co-ordination

5.1 The Statutory Officers will meet regularly (or ensure appropriate regular liaison) to consider corporate governance, legality, standards and financial resilience issues and to co-ordinate advice to Members and CMT.

5.2 Where a matter engages more than one statutory remit (e.g. legality and financial sustainability), the Statutory Officers will co-ordinate advice and escalation wherever practicable, while preserving their separate statutory duties.

6. Escalation, Dispute Resolution and Protecting Statutory Roles

6.1 Where a Statutory Officer raises a concern, the relevant Director and report author must respond promptly and constructively and must not

progress a proposal in a way that frustrates the Statutory Officer's ability to discharge statutory duties. In these circumstances the report should not be finalised until the relevant statutory officer input is obtained (or the report explicitly records that it was not provided and why).

6.2 If disagreement remains, escalation should normally follow this route:

- (a) report author/Director and Statutory Officer discussion;
- (b) CMT discussion;
- (c) discussion with the Leader (and relevant Cabinet Member/Committee Chair as appropriate); and
- (d) if necessary, formal written advice appended to the report and/or statutory reporting routes.

6.3 No Member or officer shall threaten, attempt to coerce or disadvantage a Statutory Officer (or their staff) for raising concerns or for performing statutory functions.

7. Conflicts of Interest and Independent Advice

7.1 Where a Statutory Officer has a conflict (actual or perceived) in relation to a matter these should be declared as early as possible and the Council will ensure alternative arrangements are made (e.g. deputy officer or independent external support) so the statutory function can be discharged.

7.2 The Council will meet reasonable costs of independent professional advice required by a Statutory Officer to discharge their statutory responsibilities

7.3 Where a Statutory Officer has previously provided material advice or otherwise been materially involved in a matter, and it later becomes contentious such that an actual or perceived conflict of interest may reasonably arise, the Council will ensure alternative arrangements are made (for example, by referral to a nominated deputy or by obtaining independent external support) so that the relevant statutory function can be discharged, and confidence in the independence of that function is maintained.

8. Training and Awareness

8.1 The Council will support regular training and briefings for Members and relevant officers on:

- (a) statutory officer roles and escalation routes;
- (b) decision-making, probity, ethical standards and financial management; and
- (c) lessons learned from governance, audit and standards findings.

9. Monitoring, Review and Breach

9.1 Each Statutory Officer will keep this Protocol and their appended role protocol under review.

9.2 The Statutory Officers will provide assurance updates to the Corporate Governance Committee or other relevant oversight committee as required and will bring forward proposed amendments in the light of issues arising.

9.3 Alleged breaches:

(a) by Members may be handled under the Members' Code of Conduct and/or referred to Group Leaders/Whips and/or conduct arrangements as appropriate; and

(b) by officers may be referred to the Chief Executive and/or relevant Director and may be dealt with under HR procedures.

Appendix A – Chief Executive / Head of Paid Service Protocol**1. Purpose and Status**

1.1 This Protocol sets expectations for the working relationship between the Chief Executive (as Head of Paid Service) and:

- (a) the Leader;
- (b) the Cabinet; and
- (c) Committee Chairs and
- (d) all Members.

2. Shared Principles

2.1 Dealings will be conducted with mutual respect, trust, honesty and courtesy.

2.2 The Chief Executive will serve the Council as a whole, irrespective of political affiliation, and will demonstrate political sensitivity and an ability to interpret democratic will.

2.3. The Chief Executive will provide frank, impartial advice to all Members.

2.4 The Leader, Cabinet Members or any Member will not place inappropriate pressure on the Chief Executive. Any tensions will be addressed early and resolved swiftly and amicably wherever practicable.

3. Roles and Responsibilities – Summary

3.1 The Leader and Cabinet and Members (collectively) will provide democratic leadership, set policy direction and make decisions within the

Constitution, and respect the distinction between political decision-making and officer management responsibilities.

3.2 The Chief Executive (as Head of Paid Service) has overall corporate management and strategic responsibility for the Council's delivery of services; provides professional and impartial advice across decision-making; is accountable to the Council for implementation of strategies and decisions; and discharges Head of Paid Service responsibilities, including reporting on co-ordination of functions and staffing matters as required by law.

4. Relationship with the Leader

4.1 A successful working relationship between the Leader of the Council and the Chief Executive is critical to the Council's success, the achievement of its policies and strategies, and its relationships with partners. It is central to the Council's good governance and reputation and should set the tone for constructive Member/officer relations throughout the authority.

Regular Liaison and Communication

4.2 The Leader and Chief Executive will maintain regular scheduled liaison (weekly or as agreed), supplemented by informal contact as needed.

4.3 The Chief Executive supports all groups and will also maintain appropriate liaison with the Cabinet collectively, chairs of scrutiny and key committees, and opposition group leaders (in an impartial manner) to support effective governance.

5. Advice, Briefings and Early Engagement

5.1 The Chief Executive will ensure the Leader, Cabinet and Members receive timely advice and information to enable informed decisions.

5.2 Members will have regard to professional advice, including advice on legality, governance, risk, affordability and deliverability.

5.3 Major, sensitive or high-risk issues should be flagged early so that options and mitigations can be developed.

6. Management of Officers and Access to Staff

6.1 Members have no line management responsibility for officers. Concerns about officer performance or conduct should be raised with the Chief Executive (or with the appropriate Statutory Officer where relevant).

6.2 The Chief Executive is responsible for the organisation, management and conduct of the officer workforce and for ensuring officers support the Council's agreed priorities and decision-making.

7. Working with Political Groups

7.1 The Chief Executive (and officers) will not be drawn into party political business.

7.2 Officer attendance at political group meetings may occur only where it is permitted by the Council's Member/Officer Relations Protocol and where it supports the Council's business (e.g. to brief on Council policy, not party matters).

8. Public Communications and Media

8.1 The Leader is the Council's principal political spokesperson. The Chief Executive may speak on managerial, operational and corporate matters and will support the Leader in communicating agreed Council policy.

8.2 Public statements will be handled professionally, consistently and in accordance with applicable communications protocols.

9. Dispute Resolution and Escalation

9.1 If a serious disagreement arises between a member(s) and the Chief Executive:

- (a) it should be discussed privately at the earliest stage;
- (b) if unresolved, it should be escalated to a meeting involving the Leader and the Chief Executive (and, if helpful, another Statutory Officer); and
- (c) where necessary, the matter may be referred to the Council's established governance routes.

9.2 The Chief Executive will frequently be involved at an early stage in advising on or shaping proposals, particularly where issues are major, sensitive or high risk. Where the Chief Executive has previously provided material advice or otherwise been materially involved in a matter, and the matter later becomes contentious such that an actual or perceived conflict of interest may reasonably arise (for example, where the matter involves allegations about senior officer conduct, employment processes, or the discharge of statutory roles), the Council will ensure alternative arrangements are made so that the relevant process can be progressed independently and with appropriate confidence. Such arrangements may include referral to an appropriate nominated deputy, or the use of independent external support, as appropriate to the circumstance. In such cases, the Chief Executive will take steps to ensure that decision-making, investigation or dispute resolution is handled by an officer (or external adviser) who has not been materially involved in the earlier advice, save where this is impracticable and the reasons are recorded.

10. Review

10.1 The Chief Executive will review this Protocol periodically and may recommend amendments to the Council.

Appendix B – Monitoring Officer Protocol

1. Introduction and Purpose

1.1 This Protocol explains the role of the Monitoring Officer and the arrangements in place for ensuring the role is carried out effectively.

1.2 The effectiveness of the Monitoring Officer depends on excellent working relationships with Members and officers, a strong flow of information and access to debate at the earliest stage.

2. Statutory Context and Functions

2.1 The Monitoring Officer is designated under section 5 of the Local Government and Housing Act 1989.

2.2 The Monitoring Officer's core functions include:

- (a) reporting on contravention of law or maladministration ("reportable incidents");
- (b) functions relating to Members' conduct and ethical standards; and
- (c) responsibilities as proper officer and other constitutional functions.

2.3 The Monitoring Officer may not also be the Head of Paid Service.

3. Working Arrangements – Discharge of Functions

3.1 The Monitoring Officer will:

- (a) meet regularly with the Head of Paid Service and the Chief Finance Officer;
- (b) maintain liaison with Internal Audit and External Audit;
- (c) keep the Council updated on relevant legal developments; and
- (d) promote lawful and ethical decision-making and high standards of governance.

3.2 Directors and senior officers will ensure the Monitoring Officer (or deputy) is consulted early on proposals with significant legal, constitutional, procedural or ethical implications and is informed of emerging issues of concern.

4. Resolving Potential Reportable Incidents

4.1 The Monitoring Officer will seek to resolve potential reportable incidents by avoiding illegality/procedural defects and/or identifying lawful alternative means of achieving the Council's objectives.

4.2 A statutory report will normally be made only if the matter cannot be resolved through advice and corrective action, or the Monitoring Officer considers the seriousness requires formal reporting.

5. Rights of Access and Information

5.1 To discharge functions effectively, the Monitoring Officer will be a member of the Council's Corporate Management Team and also has the right:

- (a) to receive advance notice of any relevant meetings of the Council and to attend and speak;
- (c) to access documents and information held by/on behalf of the Council (subject to law) and require explanations;
- (d) to report to the Council and its committees; and
- (e) to access the Head of Paid Service and the Chief Finance Officer.

6. Referral to Police, Auditors and Regulators

6.1 After consultation with the Head of Paid Service and the Chief Finance Officer, the Monitoring Officer may notify the Police, the external auditor and/or regulators of concerns and provide information to assist their statutory functions.

7. Obtaining Independent Legal Advice

7.1 The Monitoring Officer may obtain legal advice (internal or external) at the Council's expense where reasonably required in relation to a potential reportable incident or other governance matter.

8. Conflicts

8.1 Where the Monitoring Officer has an actual or perceived conflict, the Head of Paid Service will be consulted and the matter may be referred to the Deputy Monitoring Officer and/or an external Monitoring Officer from another authority, as appropriate.

8.2 The Monitoring Officer will often be involved at an early stage in advising on proposals so as to avoid reportable incidents and to identify lawful alternatives. Where the Monitoring Officer (or Deputy Monitoring Officer) has previously given material advice or otherwise been materially involved in a matter, and the matter later becomes contentious such that an actual or perceived conflict of interest could reasonably arise, the Monitoring Officer will consult the Head of Paid Service and ensure that the statutory function is discharged through alternative arrangements. This may include referral to the Deputy Monitoring Officer and/or an independent external Monitoring Officer from another authority, as appropriate, so as to maintain confidence in the independence of the statutory function. This includes circumstances where the Monitoring Officer has previously advised a Member or officer on the subject matter of a later complaint or investigation, or has been otherwise involved such that their continued involvement could reasonably be said to undermine confidence in the fairness or independence of the process.

9. Insurance and Indemnity

9.1 The Chief Finance Officer will ensure adequate insurance and indemnity arrangements are maintained to protect the Council and support the proper discharge of the Monitoring Officer function.

10. Breach and Sanctions

10.1 Alleged breaches by Members may be addressed under the Members' Code of Conduct and standards arrangements. Alleged breaches by officers may be referred to the relevant Director and/or Chief Executive and addressed under HR procedures.

11. Monitoring and Review

11.1 The Monitoring Officer will review this Protocol periodically and may recommend amendments to the Council.

Appendix C – Chief Finance Officer (s151) Protocol**1. Introduction**

1.1 The Chief Finance Officer ("CFO"/ "s151 Officer") is the statutory officer responsible for the proper administration of the Council's financial affairs.

1.2 This Protocol sets out how the Council will support the CFO to discharge statutory responsibilities and professional duties, including providing timely advice on financial sustainability, governance and risk.

2. Statutory and Professional Framework

2.1 Section 151 of the Local Government Act 1972 requires the Council to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has responsibility for the administration of those affairs.

2.2 The CFO has a fiduciary duty to local taxpayers and the public interest and is expected to exercise professional judgement and independence.

2.3 Where it appears that expenditure is unlawful or a balanced budget cannot be achieved/maintained, the CFO has statutory reporting duties, including those under section 114 of the Local Government Finance Act 1988.

2.4 The Council expects the CFO role and arrangements to align with CIPFA's Statement on the Role of the Chief Financial Officer in Local Government, including the "five principles" for the CFO role in public service organisations.

3. CIPFA "Five Principles" – Expectations for the Council

3.1 The Council will ensure:

- (a) the CFO is a key member of the Council's leadership arrangements, supporting strategy and sustainable delivery in the public interest;
- (b) the CFO is actively involved in, and can influence, all material business decisions so risks and implications are fully considered;
- (c) the CFO leads and promotes good financial management across the organisation so public money is safeguarded and used appropriately, economically, efficiently and effectively;
- (d) the CFO leads and directs a finance function resourced to be fit for purpose; and
- (e) the CFO is professionally qualified and suitably experienced.

4. Working Arrangements – Resources

4.1 The CFO will advise the Council where resources are insufficient to discharge statutory functions; ensure appropriate deputising arrangements; and, where conflicted, ensure suitable independent arrangements are put in place.

5. Working Arrangements – Access to Information and Meetings

5.1 To discharge statutory responsibilities, the CFO will be alerted promptly to emerging issues around financial management, accounts, audit, proposed expenditure, funding risk or matters likely to lead to loss, deficit or unplanned liabilities.

5.2 The CFO will receive advance notice of relevant meetings and delegated decisions and has the right to attend and be heard at meetings of the Council, Cabinet and relevant committees on matters with financial implications.

5.3 The CFO will have access to CMT meetings, agendas and reports, and the right to attend and speak on matters with financial implications.

5.4 The CFO will have access (subject to law) to information and officers necessary to carry out fiduciary and statutory functions.

6. Working Arrangements – Relationships and Liaison

6.1 The CFO will maintain close liaison with the Head of Paid Service and the Monitoring Officer and will support joined-up corporate governance and risk management.

6.2 The CFO will maintain effective working relationships with Internal Audit and External Audit to support assurance and early warning.

7. Advice and Recording

7.1 The CFO (or deputy) is available to advise Members and officers on financial powers and duties, affordability, sustainability, value for money and financial risk.

7.2 The CFO will ensure appropriate recording of advice given on material matters.

7.3 The Chief Finance Officer will often provide early advice on affordability, financial sustainability, value for money and financial risk to support lawful and effective decision-making. Where the Chief Finance Officer (or deputy) has previously provided material advice or otherwise been materially involved in a matter, and the matter later becomes contentious such that an actual or perceived conflict of interest may reasonably arise, the Council will ensure that appropriate alternative arrangements are put in place so the statutory function can be discharged independently. Such arrangements may include the use of a nominated deputy with appropriate authority, and/or independent external support, as appropriate to the circumstances. Where alternative arrangements are adopted under this paragraph, the reasons for doing so should be recorded, together with the arrangements put in place to ensure continuity of the Council's statutory financial assurance and reporting functions.

8. Section 114 and Early Escalation

8.1 If the CFO considers a section 114 report may be required, the CFO will engage early with the Head of Paid Service and Monitoring Officer, inform the Leader and Cabinet as appropriate to enable corrective action, and liaise with the external auditor as appropriate.

8.2 The Council recognises issuing a statutory report is a serious step and expects early engagement, transparency (as lawful), and prompt action planning to restore balance.

9. Member and Officer Responsibilities

9.1 Members and officers must comply with the law and the Constitution, take account of the CFO's advice on affordability and risk, notify the CFO promptly of significant budget pressures and governance concerns, and ensure the CFO is involved at the earliest stages of material business decisions.

10. Monitoring and Review

10.1 The CFO will review this Protocol periodically and may recommend amendments. Assurance updates will be provided to the Corporate Governance Committee in accordance with paragraph 9.2 of the main Protocol.

11. Breach and Sanctions

11.1 Alleged breaches by officers may be referred to the relevant Director and/or the Chief Executive and addressed under HR procedures. Concerns about Member conduct will be addressed under the Members' Code of Conduct and related standards arrangements.

These are known as "duty days". (Please note this provision is an authorisation to carry out an approved duty of member's own choice on 15 occasions of whatever duration and not 15 duty days which could be interpreted for instance as 30 half days.)
 - (ii) Attendance by each Group Leader and any member of the Cabinet of the Council or Cabinet Support Member at County Hall or other County Council establishments for any purpose which he/she considers to be necessary in connection with the discharge of the County Council's functions.

(B) CONFERENCES

Overnight accommodation and conference fees are normally booked by or on behalf of the Chief Executive and paid for by the Authority direct. Travel and subsistence allowances are payable for conferences organised by other bodies. Attendance must be approved beforehand by or on behalf of the relevant body and the rates for conference travelling and subsistence are the same as for other duties.

(C) OTHER BODIES

Attendances by individual members at meetings of outside bodies to which the County Council makes appointments or nominations qualify for travel and subsistence allowances. The approval relates to meetings of the bodies concerned, its standing committees and subcommittees but not to other activities of the body except in the case of the Local Government Association where the approval extends to all its activities including service on other bodies on the appointment or nomination of the Association.

Where travel arrangements are made by the County Council on a member's behalf and the member is able to claim travel/subsistence from the body concerned, the member shall ensure that the County Council is reimbursed in full. Wherever possible the member should arrange for the County Council to be reimbursed directly by that body.

USE OF OFFICIAL CAR

The County Council has the ability to provide an official car and driver to certain members on occasions, particularly the Chairman and Vice Chairman. This is on a strictly regulated basis and on the following conditions:-

- (a) The duties must relate to the discharge of the County Council's functions or as an appointed representative of the County Council. Under no circumstances can they be used for private or party political purposes;
- (b) The activities of the Chairman will take precedence over any others;
- (c) All such transport will be managed by the Civic Affairs Team within the Chief Executive's Department.

TRAVEL AND SUBSISTENCE RATES

In all cases expenditure must have been actually and necessarily incurred.

Travel

Travelling expenses are limited to the actual journey from home or a members' regular place of work except in exceptional circumstances approved by the Constitution Committee or Chief Executive on the Committee's behalf (for definition of exceptional circumstances see note below).

Long journeys such as travelling back from holiday to attend a meeting do not qualify other than the amount equivalent to the local journey. If a member's home is outside the County the distance and time used for any claim is from the point where the journey to County Hall crosses the County boundary. If a member's usual business address is outside the County the full journey may be claimed on the basis that a person's work venue is not always within an individual's control.

(i) Air

Air fare may be paid if the rate compares reasonably with the cost of alternative means of travel having regard to the likely savings in time, subject to the agreement of the Chief Executive.

Applications must be raised with the Chief Executive as soon as possible prior to the date the duty is to be performed.

(ii) Mileage Rates

Where a member uses his own private car or one belonging to a member of his family or otherwise provided for his use the rate claimed shall be laid down in the Council's Scheme of Allowances.

Where a member uses a lease car the rate claimed shall not exceed the relevant rates specified for the Council's officers.

(iii) Rail

The rate of travel by rail shall be by reference to the second class fare. Tickets may be obtained from the Members' Secretariat.

(iv) Taxis

The rate for travel by taxi cab shall not exceed:

- (a) In cases of urgency or where no public transport is reasonably available, the amount of the actual fare;

- (b) In any other case, the amount of the fare for travel by appropriate public transport.

(v) **Other Expenses**

Actual expenditure incurred on buses, tolls, ferries or parking fees.

Definition of Exceptional Circumstances

The Constitution Committee, or the Chief Executive on the Committee's behalf, will normally only be prepared to consider granting exceptions to the general policy of the County Council in relation to the payment of travelling allowances for long journeys where the following circumstances apply:-

Nature of Duty

1. Attendance at a meeting to consider a "sensitive" issue which will have a substantial impact on the member's particular electoral division whether or not the member serves on the body concerned; or
2. Attendance at a meeting of the County Council where non-attendance, taken together with that of other members, might upset the elected party balance to such an extent that the decision is likely to be affected; or
3. In other cases where it would not be appropriate or reasonable to expect a substitute to act on the member's behalf; and

Exceptional Circumstances

4. Illness or bereavement in respect of a close family member; or
5. Unplanned and/or unavoidable absence due to unusual work commitments.

General

Applications must be raised with the Chief Executive as soon as possible prior to the date on which the duty is to be performed.

The making of any payments retrospectively will not normally be considered.

Subsistence

The amount of subsistence claimed relates to the period of time a member is engaged on an approved duty.

Rates and qualification periods are specified in the Council's Scheme of Allowances.

Petitions Scheme for Leicestershire County Council

1. Leicestershire County Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns. Anyone who lives, works or studies in the local authority area and/or is a recipient of County Council services and is associated with the petition, including under 18's, can sign or organise a petition.
2. All petitions sent or presented to the Council will be acknowledged. We will treat something as a petition if it is identified as being a petition, or if it seems to us that it is intended to be a petition.
3. Paper petitions can be sent to:

**Head of Democratic Services
Room 200A, Chief Executive's Department
County Hall, Glenfield
Leicestershire, LE3 8RA**

Or, a petition can be created, signed and submitted online as an 'e-petition' by following this weblink: <https://www.leicestershire.gov.uk/about-the-council/how-the-council-works/public-involvement/petitions>

(Note: Detailed guidance on the process for submitting, signing and processing an e-petition (which does not form part of the Petitions Scheme) is attached as an appendix to this Scheme.

4. If you chose to use an alternative petition system other than the Council's own system (e.g. Change.org), you will either need to print a copy of the petition statement and corresponding signatures and send it to us by post to the above address, or email an electronic copy to democracy@leics.gov.uk.
5. Once a petition has been received and verified, no further signatures will be accepted.
6. Further information on the information contained within the Petitions Schemes is available from Democratic Services, (telephone 0116 305 2583) or by emailing democracy@leics.gov.uk.

Other ways of making your views known

7. Petitions are not the only, or necessarily the quickest way to resolve an issue or make your views known. You could also:
 - a) Contact the Council's Customer Service Centre raising a concern about a service provided by the Council (see <https://www.leicestershire.gov.uk/about-the-council/contact-us/opening-times-and-contact-information> for more information); or

- b) Raise the matter with your local County Councillor and ask him/her to take up the matter on your behalf (more details are at <https://www.leicestershire.gov.uk/about-the-council/how-the-council-works/councillors-and-conduct/find-your-county-councillor>).

What are the guidelines for submitting a petition?

8. Petitions submitted (whether by post or online) to the Council must:

- have a clear and concise statement setting out the subject of the petition and the action the County Council is being asked to take in response (i.e. either do something or stop doing something). Each page of the petition should include the statement as evidence each signatory has read and understood it;
- contain the name, signature and qualifying address (residential, work, or study (as applicable) in Leicestershire) of any person supporting the petition. E-petitions should also include signatories' email addresses;
- have full contact details of the petition organiser (lead petitioner). This is the person we will contact to explain how we will respond to the petition. This should be where they live, study or a business address within Leicestershire. If the petition does not identify a petition organiser, we will contact the first signatory on the petition to agree who should act as the petition organiser. These details will not be placed on the website;
- have a minimum of 100 signatures;
- be received by the Chief Executive's Department eight clear days before the relevant meeting at which it is to be presented, if it is to be considered at a meeting.

Exceptions to the Petitions Scheme

9. The following will not be accepted as petitions within the scope of the scheme:

- Submissions which are vexatious, abusive or otherwise inappropriate;
- Submissions relating to matters which would usually be dealt with through the corporate complaints process;
- Submissions that are substantially similar to a petition considered by the County Council within the last six months;
- Issues raised by staff related to their employment;
- Petitions that are handled through alternative means or where other procedures apply, such as those referring to:
 - i. Planning Applications;

- ii. Parking Policies;
 - iii. Decisions for where there is an existing right of appeal;
 - iv. Statutory petitions (for example requesting a referendum on having an elected mayor).
10. In the period immediately before an election or referendum we may need to deal with your petition differently – if this is the case we will explain the reasons and discuss the revised timescale which will apply. If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

What will the Council do when it receives my petition?

11. An acknowledgement will be sent to the lead petitioner within 10 working days of receiving the petition. It will confirm whether the petition has been accepted or the reasons for not accepting it, let them know what we plan to do with the petition and when they can expect to hear from us again.
12. Before organising a petition, it would be advisable to first check with your local County Councillor or with the County Council to see if action is already being taken in relation to your concerns and to determine if the Council is the most appropriate organisation to receive your petition.
13. If your petition is about something over which the Council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body. The Council works with many local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example, if what the petition calls for conflicts with Council policy), then we will set out the reasons for this to you. You can find more information on the services for which the Council is responsible here <https://www.leicestershire.gov.uk/>
14. If the petition is received in response to, or during a relevant and ongoing Council consultation it will be considered as part of the consultation process and referenced in the relevant Cabinet report. The lead petitioner will be informed of this by the Service Director.

How will the Council respond to petitions?

15. If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If this is not possible our response to a petition will depend on what it asks for and how many people have signed it, but may include one or more of the following:

Response from the Service Director

16. The Service Director, following consultation with the relevant Cabinet Lead Member and Local Member, will respond to the Lead Petitioner in the circumstances outlined below:

- If the petition has less than 100 signatures, a written response will be provided within 56 days (2 months) following acknowledgement of the petition. As petitions of this size do not qualify under this Scheme, the matter will then be deemed to be dealt with.
- If the petition has more than 100 signatures and relates to an issue in a single electoral division, where possible a written response will be provided within 28 working days following acknowledgement of the petition. If it is not possible to respond in that timeframe, the lead petitioner will be notified of the reasons for this. The response will be copied to the Chairman and Spokesmen of the relevant Commission, Committee or Board. If the lead petitioner and/or one or more of the relevant elected members feel that the petition has not been dealt with properly they can ask for the matter to be referred to the relevant Commission, Committee or Board for consideration.

Referral to the relevant Committee or Board.

17. Petitions with more than 1000 signatures and affecting two or more electoral divisions can be considered by the relevant Commission, Committee or Board. The Lead Petitioner can, however, choose to have the petition dealt with by the Service Director, following consultation with the Cabinet Lead Member and Local Member, where appropriate, should they prefer.
18. Petitions relating to an issue that affects a single electoral division will not be considered at a meeting unless they have 10,000 or more signatures, in which case the relevant Commission, Committee or Board will be asked for its views prior to the matter being considered by the full Council (see paragraph 21 below).
19. If the lead petitioner chooses for the matter to be referred to the relevant Commission, Committee or Board, it will be considered at the next available meeting (where that meeting is more than 10 working days from the date the petition is received). Alternatively, if the matter of the petition is already on the work programme the Lead Petitioner will be invited to the meeting to submit representations about their petition under the agenda item it relates to.
20. When presenting a petition at a meeting, the Lead Petitioner, or their local County Councillor (if preferred) will be asked to read the wording of the petition and state the number of signatories. The Chairman of the meeting can invite the Lead Petitioner to explain the background to the issue where he/she believes it would be helpful to do so. Please note that you will not be able to join in the subsequent debate at the meeting.
21. The meeting will discuss the matter raised in the petition. If the meeting is more than 28 days following receipt of the petition, the Service Director will present a report responding to the petition. Otherwise, Members can request a report outlining the response to be submitted to the next meeting. Once the

Commission, Committee or Board has all the necessary information, it will come to a view as to how the petition should be addressed.

22. A maximum of two petitions can be submitted to the Commission, Committee or Board at any one time.

Referral to full Council

23. If a petition has been signed by at least 10,000 persons living, working or studying in the Authority area, or if a County Council body decides it is appropriate, the petition will be debated by the full Council. This means that the issue raised in the petition will be discussed at a meeting which all councillors can attend. The Council will consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting.
24. Councillors will discuss the petition and the Council will decide how to respond to it at this meeting. They may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example, by a relevant scrutiny committee. Where the issue is one on which the Cabinet is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The Cabinet itself may propose a response to the Council when the petition is considered. The lead petitioner will receive written confirmation of the Council's decision. This confirmation will also be published on our website.

What can I do if I feel my petition has not been dealt with properly?

25. If you feel that we have not dealt with your petition properly, the lead petitioner has the right to request that the Council review the steps taken in response to the petition. The lead petitioner will be required to provide an explanation of the reasons why the petition has been dealt with is not considered to be adequate. The Council will consider the request and respond accordingly within 10 working days. Any request for an review should be submitted to Democratic Services by emailing democracy@leics.gov.uk.

Guidance for E-Petitions

[Note: the following Guidance for E-Petitions was formally approved by the County Council when adopting the Petitions Scheme for Leicestershire County Council for the first time. Future amendments to these instructions will be made by the Chief Executive in accordance with the agreement made by the Constitution Committee on 10 September 2010. Although, unlike the Constitution itself, this Guidance does not require formal approval of the County Council, it is nevertheless included here for the sake of completeness and will be updated as necessary, to reflect any amendments made.]

Who can submit an e-petition?

If you live, work or study in Leicestershire and/or receive a service provided by the County Council you can organise an e-petition and the County Council will consider the matter.

What issues can my e-petition relate to?

A petition should involve a call for action and be relevant to some question over which the Council has authority, or which otherwise affects the County.

Who can sign an e-petition?

Anyone who lives, works or studies in Leicestershire and/or receives a County Council service can sign an e-petition. You will need to be a registered user of the County Council's online Political Management System and provide your name, residential/work/study address, and valid email address for verification purposes.

How do I start an e-petition?

When starting an e-petition, access the County Council's e-petitions homepage (<https://democracy.leics.gov.uk/mgePetitionListDisplay.aspx?bcr=1>) and select the 'Submit a new e-petition' option.

You will then be prompted to do one of the following:

- register as a new user by submitting your contact details and creating a user name and password. In order that we can ascertain you are a 'real user' you will be required to enter a validation code of letters/numbers at the bottom of the registration form and, having submitted your details, be requested to validate your account via a link sent to your registered email address;
- if you are an existing user, simply type in your user name and password.

Then enter a title and the system will automatically check against existing e-petitions to allow you to see if a similar one has been received recently. You will then need to fill in the online form.

PLEASE NOTE: *If you chose to use an alternative petition system other than the Council's own system e.g. Change.org, you will either need to print a copy of the petition statement and corresponding signatures and send it to us by post, or email a pdf copy to democracy@leics.gov.uk.*

What information should my e-petition contain?

Your e-petition will need to include the following:

- Subject matter;
- A statement setting out what action you would like the Council to take;
- A short name, to generate a direct weblink to the e-petition – e.g. by typing 'road' this would generate politics.leics.gov.uk/road as a weblink.

Your petition will then be submitted to the Democratic Services Section of the Chief Executive's Department. A member of staff will then contact you prior to the petition being signed off and going live on the system. Your local County Councillor and the Director of the relevant Department concerned will be notified of the details of the petition.

What happens to an e-petition that has been submitted?

An officer from the Democratic Services Section will contact the lead petitioner to discuss when you wish your e-petition to go live on the website and the appropriate time for when you wish to stop collecting signatures. Following the end date for signatories the e-petition will be dealt with in accordance with the County Council's Petition Scheme.

Can I still submit a paper petition?

Yes, paper petitions can still be submitted via your local County Councillor or directly to the Chief Executive (see contact details below).

Petitioners can gather names both on paper and via the online form, although repeat names will be removed. Where a dual exercise occurs, both forms of petition should be run for the same period of time and must be submitted together. Please inform Democratic Services if you intend to do this.

How do I sign an active e-petition?

Anyone wishing to sign an e-petition has to click on a link on one of the Active Petitions via the homepage (<https://democracy.leics.gov.uk/mgePetitionListDisplay.aspx?bcr=1>).

Unless you are already a user and can log on to the system with your existing user name and password you will be prompted to register as a new user with your contact details (and, so we can ascertain you are a 'real user', enter a validation code of letters/numbers at the bottom of the registration form). As a new user you will then be requested to validate your account via a link sent to your registered email address before being able to sign the petition. You will only be allowed one signatory per email address to ensure that the process is not abused. Where people share the same

email address, the second or further signatories are invited to indicate in writing (contact details below) that they support the petition.

Please note, once a petition has been received and verified, no further signatures will be accepted.

Data Protection

The details you give us are needed to validate your support for the e-petition and is the same information you would be required to give for a paper petition, but these details will not be published on the Council's website. The Council will not contact you unless you are the lead petitioner, or it needs to clarify matters regarding the specific petition you have submitted/signed. Your details will not be passed on to any third party.

Contact Details

To discuss submitting an e-petition or for further general information and advice, you can contact the Democratic Services Section via:

NOTE

1. The Council reserves the right to refuse to accept any e-petition that is frivolous, vexatious, discriminatory or otherwise inappropriate. However, the Democratic Services Section will, where possible, suggest to the lead petitioner an amended form of words that is considered acceptable.
2. The Council accepts no liability for the content of petitions on the Council's webpages. The views expressed should not be considered as those of the Council.
