

Appendix 1 - Safer Communities Performance Dashboard 2015/16 Q1

Outcomes	Overall Progress RAG	Overall Comment	Supporting Indicators	Previous Year (2014-15)	Latest Data (12 months to Jun 2015 unless stated)	Current Direction of Travel	Progress	County Comparison	District Comparison
Ongoing reductions in crime	A	Following the change to the new police system, crime data is not currently available for performance reporting. Indications are that vehicle crime remains a threat, whilst other areas are stable.	Total Crime rate (per 1,000 population)	45.79	45.79 (2014-15)		A	Top	
			Domestic Burglary rate (per 1,000 population)	3.10	3.10 (2014-15)		A	Bottom	
			Vehicle Crime rate (per 1,000 population)	6.35	6.35 (2014-15)		A	Bottom	
			Violence with Injury rate (per 1,000 population)	3.39	3.39 (2014-15)		A	Top	
Reduce offending and re-offending, with a particular focus on earlier intervention with families that need the most support	A	Reduction in offending by IOM and PPO offenders is greater than the reduction for the previous years cohort. First Time Entrants reduced by 12.7% to their lowest level since the baseline year of 2005. Updated data on youth offending is not yet available.	% Reduction in offending by IOM & PPO Offenders	38.9% (2013-14)	56.1% (2014-15)	→	G	-	
			Rate of re-offending by young offenders (local data)	1.04 (2013-14)	1.00 (Apr-Dec 2014)		A	-	
			Number of first time entrants to the criminal justice system aged 10 - 17	185	185 (2014-15)		A		
Protect and support the most vulnerable in communities, particularly previous and repeat victims of crime and those affected by domestic abuse.	A	Referrals to MARAC continue to increase and the % of repeat referrals remains high, but still in line with the England average. Referrals for support have also increased.	% of domestic violence cases reviewed at MARAC that are repeat incidents	29.2%	28.5%	→	G	Average	
			Number of referrals to domestic abuse support services (adults)	1,264	559 (Apr-Jun 2015)	↑		-	
Continue to reduce anti-social behaviour, particularly in those areas with the highest levels of incidents with a particular emphasis on information sharing and effective partnership response.	A	No Community Based Survey data available yet. ASB approach is to be independently reviewed.	% of people stating that they have been a victim of anti-social behaviour in the past year	5.3%	5.3% (2014-15)		A	-	
			% of people stating that they feel that the police and other local public services are successfully dealing with ASB and crime in their local area	86.1%	86.1% (2014-15)		A	-	
Prevent people from being drawn into terrorism with a particular focus on working in partnership to reduce the risk of radicalisation	A	Appropriate measures for this priority are being considered. Approach for funding to embed Prevent approach across agencies to be considered at September LSCSB meeting.	Reported hate incidents (per 1,000 population)	0.68	0.68 (2014-15)		A	-
