

The County Council's work to mitigate the risks of Child Sexual Exploitation in Leicestershire

Governance Arrangements

Purpose of the Goddard Inquiry

To consider the extent to which State and non-State institutions have failed in their duty of care to protect children from sexual abuse and exploitation; to consider the extent to which those failings have since been addressed; to identify further action needed to address any failings identified; to consider the steps which it is necessary for State and non-State institutions to take in order to protect children from such abuse in future; and to publish a report with recommendations.
