

Level of intervention from Hearing Support Service	Description – to be delivered by Qualified teacher of the hearing impaired/ Educational Audiologist/ Audiological technician	Funding implications
Bank	<p>Schools universal offer and responsibility to develop understanding of SEN and appropriate high quality teaching interventions. ref. C of P 6:26/6:36</p> <p>The child/ young person will not currently require direct involvement from HSS and will offer generic information and telephone advice. An assessment with advice and recommendations to the school may have carried out previously.</p>	<p>These are based on one child in the school. If there are more than one, then the cost per pupil would be proportionately less.</p> <p>School to commission suitable training and whole school development in deaf awareness training</p> <p>HSS cost: £83</p>
	<p>Recommended training</p> <p>Whole school refresher basic deaf awareness training (to meet universal local offer hearing impairment requirements) is recommended to be renewed every two years.</p> <p>SENCO may attend primary/secondary/ special school Hearing impairment INSET as part of their CPD</p>	<p>HSS Cost £83</p> <p>Half day: £27</p> <p>Full Day: £54</p>
REFERRAL	<p>Where HSS has received a referral of hearing loss (Usually from NHS) and it meets Service thresholds, hearing support teacher assigned to the child and conducts a school referral visit. Where it is identified that the needs of the child can be met as part of the schools universal offer advice and recommendations will be submitted to the setting/parents. If the school demonstrates that it has fulfilled the expectations at the universal level OR the assessment indicates a requirement for intervention the child/ young person support levels will be determined using the National Eligibility Framework (for Sensory Impairment) and professional judgement.</p> <p>For children with complex needs where a functional assessment will take in excess of an initial visit this will form part of the subsequent support package will be at a higher level in the initial year.</p>	<p>School visit /Assessment</p> <p>No charge.</p> <p>Usually will write assessment report</p>
	<p>Recommended training</p> <p>Whole school refresher basic deaf</p>	<p>HSS cost: £83</p>

	<p>awareness training (to meet universal local offer hearing impairment requirements) is recommended to be renewed every two years.</p> <p>OR</p> <p>Appropriate training based on the level of need identified.</p>	<p>Either child specific training at setting</p> <p>HSS Cost: £124 per hour</p> <p>Or other specific training price to be confirmed</p>
Statutory Advice	Statutory advice is provided on request across the different levels of involvement	No charge
