2016/17 MAINTENANCE AND IMPROVEMENTS PROGRAMMES

REPORT OF THE DIRECTOR OF ENVIRONMENT AND TRANSPORT

Purpose of Report

1. The purpose of this report is to provide an update on progress in delivering the 2016-2017 programmes of maintenance and improvement works. Progress is summarised in the attached appendix which includes details of the following programmes:

Works Programmes
Capital Maintenance – Principal Roads
Capital Maintenance – B&C Roads
Capital Maintenance – Unclassified Roads
Surface Dressing
Footway Treatments
Flood Alleviation
Bridge Maintenance
Safety Barrier Repair and Renewals
Street Lighting Renewals
Traffic Signal Renewals
Improvement Works

Equal Opportunities Implications

2. The completion of the maintenance programme will improve the condition of the network for the convenience of all users, whilst causing an element of localised disruption during construction work.

Recommendation

3. It is recommended that Members note the contents of this report.
