SAFEGUARDING ADULTS BOARD BUSINESS PLANS 2017/18

DRAFT MINUTE EXTRACT

The Committee considered a report of the Independent Chairman of the Leicestershire and Rutland Local Safeguarding Board which set out the business plan priorities for the coming year, 2017/18. A copy of the report, marked “Agenda Item 10”, is filed with these minutes.

The Independent Chairman, Mr. Paul Burnett outlined the priorities going forward and advised the Committee that these had been heavily influenced by the Care Act. He drew particular attention to the number of cases of “self-neglect” leading to increasing numbers of adult protection alerts. This remained a challenging issue as cases were not always visible to trained staff or communities.

In response to a comment regarding the engagement of partner organisations, it was noted that there was a good level of engagement, though there remained some issues in the dissemination of important safeguarding messages to frontline staff.

RESOLVED:-

That, subject to the comments now made, the priorities of the Leicestershire and Rutland Local Safeguarding Board in relation to adult safeguarding be supported.
