NUFFIELD TRUST: SHIFTING THE BALANCE OF CARE: ADDITIONAL ANALYSIS

Nuffield Category: “most positive evidence”	Model Reflected in LLR STP Workstream	Model of care supported by Leicestershire BCF funding
Improved GP access to specialist expertise	Integrated Teams & Planned Care	N
Ambulance/paramedic triage to the community	Urgent Care/home visiting service/ Falls non conveyance	Y
Condition-specific rehabilitation	Integrated Teams & Home First	Y
Additional clinical support to people in nursing and care homes	Home First & Primary Care	Y
Improved end-of-life care in the community	Integrated Teams	Y
Remote monitoring of people with certain long-term conditions	Integrated Teams	N
Support for self-care	Prevention	Y
Nuffield Category “emerging positive evidence”	Model reflected in LLR STP	Model of care supported by Leicestershire BCF funding
Patients experiencing GP continuity of care	Integrated Teams	Y
Extensivist model of care for high risk patients	Integrated Teams	Y
Social prescribing	Prevention	Y
Senior assessment in A&E	Urgent Care	N
Rapid access clinics for urgent specialist Assessment	Urgent Care & Integrated Teams	Y

Nuffield Category “mixed evidence, particularly on cost reduction	Model reflected in LLR STP	Model of care supported by Leicestershire BCF funding
Peer review and audit of GP referrals	Planned Care & Primary Care	N
Shared decision-making to support treatment choices	Planned Care & Primary Care	N
Shared care models for the management of chronic disease	Integrated Teams	Y
Direct access to diagnostics for GPs	Planned Care	N
Intermediate care: rapid response services	Home First	Y
Intermediate care: bed-based services	Home First	Y
Hospital at Home (locally this is ICS)	Home First	Y
Case management and care coordination	Integrated Teams	Y
Virtual ward (locally this is ICS)	Home First & Integrated Teams	Y
Nuffield Category Evidence of potential to increase overall costs	Model of care reflected in LLR STP	Model of care supported by Leicestershire BCF
Extended GP opening hours	Primary Care & Urgent Care	Y (partial)
NHS 111	Urgent Care	N
Urgent care centres incl. minor injury units (not co-located with A&E)	Urgent Care	Y (partial)
Consultant clinics in the community	Planned Care	N
Specialist support from a GP with a special interest	Planned Care & Primary Care	N
Referral management centres	Planned Care & Primary Care	N
