| Achieving the vision: Working together across the Council | Principles and approach These will define how we will work as an organisation | | | | |
| | Commissioning Medium term commissioning strategies will be developed against the outcomes | | | | |
| | Service planning Detailed annual plans will be created to direct the work of our service areas with a supporting performance management framework | | | | |
| | Transformation Ensuring we make the most of the resources available to us and that we operate as a modern, effective and efficient organisation | | | | |
