

ENFORCEMENT PROGRAMME FOR AEROSOL PAINT PRODUCTS 2018/19

The Service will:

- Use an 'intelligence led' approach to respond to complaints alleging the sale of aerosol paint products to persons under the age of sixteen years.
- Allied to other enforcement activities, undertake checks for compliance.
- In order to target resources more efficiently and effectively, work in partnership with other enforcement agencies and local authorities, to identify areas suffering from anti-social behaviour involving graffiti, and problem businesses.
- Promote through the media and by other means, information about the controls and penalties.
- Deal with alleged offences in accordance with the Trading Standards Service's Enforcement Policy, including putting matters before the Courts where appropriate.
