

REPORTS FOR LEICESTERSHIRE LOCAL ACCESS FORUM OCT 2018**NATIONAL FOREST ACCESS & RECREATION GROUP**

A lot of their endeavours continue to be the Charnwood Forest project but they are working on a new 25-year plan with a large focus on recreation and access

They are looking to fund an as yet unidentified large new plot on the Derbyshire / Leics border

The next National Forest Walking Festival is already being planned for next year and anybody wishing to lead a walk has to get it to them now.

The £1M Black to Green 3-year project is now completed. Part of the project has been the erection of seven large information display hubs in metal.

Roy Denney, National Forest Representative
