

HEALTH AND WELLBEING BOARD: 11 JULY 2019

REPORT OF HEALTHWATCH LEICESTERSHIRE

ANNUAL REPORT 2018-19

Purpose of report

1. The purpose of this report is to present Healthwatch Leicestershire's Annual Report for 2018/19 which provides a summary of the activity it has undertaken in its first contract year as a jointly commissioned contract with Healthwatch Leicester.

Policy Framework and Previous Decisions

2. The County Council, following the Health and Social Care Act 2012, is required to directly commission a local Healthwatch. The local Healthwatch in turn has a set of statutory activities to undertake, such as gathering local views and making these known to providers and commissioners, monitoring and scrutinising the quality of provision of local services and a seat on the Health and Wellbeing Board.

Recommendation

3. It is recommended that Healthwatch Leicestershire's Annual Review 2018 -19 be noted.

Background

4. The purpose of HWL is to promote improvements in local health and social care services – improving outcomes for local people in Leicestershire. HWL believes that the best way to do this is by designing local services around the needs and experiences of local people.
5. The Annual Report contains details on the statutory activities undertaken over the last year and demonstrates the impact that these activities have made on the commissioning, provision and management of local health and social care services.
6. The report gives examples of the work done with statutory partners and illustrates how Healthwatch has worked to support the public in accessing information about Health and Social Care services.
