

" **County Councillor Annual Report**

This report summarises the activities of the following member of the County Council during

Name of Councillor Stuart Bray

1) Electoral Division activities

Main Activities and the impact during the past year:

I continue to keep my constituents up to date every month through my regular Focus Newsletter. These are delivered to every house in my division and are paid for by myself and not public funds. These contain a mixture of local issues I have taken up on behalf of residents and news about the latest council tax rises and service cuts being imposed by the County Council. Any resident who hasn't received the latest issue or has any issues they want me to take up on their behalf please contact me directly.

Signed by Councillor Stuart Bray
