Electoral Division activities

Main Activities during the past Year

- ✓ Attendance: All Full Council Meetings.
- ✓ Worked with residents on Russell St regarding parking issues
- ✓ Regular meetings with local community centre managers regarding cuts to funding and securing alternative funding
- ✓ Continued working with Limehurst to secure its future and work with Rendell and Cobden schools regarding local issues.
- ✓ Work with residents for CCTV coverage around Rendell Park.
- ✓ Liaise with residents and police around anti-social behaviour and crime.
- ✓ Worked with Loughborough Mosque regarding its redevelopment and fundraising.

- ✓ Worked with Bangladesh Social Association regarding new committee to represent the Bangladeshi community.
- ✓ Regular newsletters to residents and ward walks.
- ✓ School and Community Centre visits.
- ✓ See also my various questions to council throughout the year.

Priorities for the immediate future are:

- Residents Preference Parking Scheme for the train station area and the redevelopment of the Eastern Gateway area link road.
- Work with Sidings Park around a community centre for the Sidings area.
- Defend community centre funding so local people have access to the variety of services that they provide.
- Work with Hastings community association regarding development of the Heritage classification for the Hastings ward area.
- More provisions for the youths in our area
- Work with officers to ensure new criteria for Adult Social care does not have an adverse effect on too many people in our area.

Other matters:

Significant casework load concerning parking, highways, town centre, planning, footpaths, traffic, schools, including work with residents and community groups.

Responding to press enquiries and issuing letters to the Loughborough Echo

Please note also that the above campaigning work only covers that with the County Council. Much additional work is not mentioned here because it relates to my work as a Borough Councillor.
