

**Cabinet – 22 November 2019**

**Item 7 – Barrow Road/Poole Farm, Quorn Development - Solar Farm  
and Light Industrial Units**

I would like the following comments to be considered:

- (a) Quorn Parish Council will be consulted but Barrow upon Soar Parish Council should also be consulted.
- (b) Although the site is within the boundary of Quorn Parish there would be a major impact of such a development on the residents of Barrow upon Soar.
- (c) Both Parish Councils should be consulted as part of the planning application process.

***Hilary Fryer***

County Councillor for Quorn and Barrow
