

County Councillor Annual Report

This report summarises the activities of the following member of the County Council during 2019/20

Name of Councillor Joe Orson

Electoral Division activities

Main Activities and the impact during the past year:

Supporting people in a wide geographical area. the demographics of the area is varied and includes a large elderly population.

Have been successful in resolving issues for constituents – well known in the area and accessible

Engagement with the Council, other statutory bodies and public utility companies (Water, Gas etc) about services in the area

The division is one of the largest in the County. There are 14 Parish Councils and I aim to attend all if I am able to. I make myself available to all Parish Clerks.

Have had to contact Severn Trent and Western Power to resolve issues that arose during the year

Regular engagement with the NFU as this is a largely agricultural community

Priorities for the immediate future are:

Key Priority is the recovery from the Covid pandemic and providing reassurance to vulnerable and elderly people in the community

Council Activities

Committees you serve on at County Hall

Full Council and Governance

Leader of Melton Borough Council

Supporting and attending the 14 Parish Councils

Being dual hatted I am better able to support and deal with local issues

Communications

Size of the area and sparsity is a major issue and this works against having surgeries. I make myself accessible through Facebook, Twitter, Email and via the phone
