32. 2021/0600/04 (2021/Reg3Mi/0055/LCC) Leicestershire County Council - Change of use from a dwelling house (C3) to a children's home for over 16-year-olds (C2) 72 Southfield Road, Hinckley.

The Board considered a report of the Chief Executive, a copy of which, marked 'Agenda Item 8', is filed with these minutes.

The Chief Executive reported that the local member Mr. S. Bray CC objected to the planning application due to concerns about on-street parking, noise and anti-social behaviour.

In accordance with the procedures for making representation to the Board Mr. Alan Siviter (Pegasus Group) spoke on behalf of the applicant.

Board members were concerned that there was insufficient carparking at the site for the staff of the proposed children's home and sought to ensure that the existing off-street parking spaces were retained and used so that there was more on-street parking available.

RESOLVED:

That the application be permitted subject to the conditions nos. 1-3 set out in the appendix to the report, subject to an additional condition that ensures that the existing off-street car parking be retained while the use is in operation, the exact wording of which to be delegated to the Chief Executive in consultation with the Chair and Liberal Democrat Group spokesperson.

33. 2020/1073/02 (2020/CM/0042/LCC) - AH Pick & Son -Proposed Erection of Poultry Units and an Anaerobic Digestion Facility Manor Farm, Hungarton Lane, Beeby.

The Board received a verbal update from the Chief Executive regarding a planning application in relation to Manor Farm, Hungarton, Beeby which had been approved by the Board on 11 February 2021. It was explained that subsequent to the Board's decision the planning permission was issued on 18 June 2021 when the required Section 106 Agreement had been completed. Following this a member of the public had, through solicitors, lodged an application with the High Court for Judicial Review of the decision to grant planning permission. The County Council had sought advice from Counsel

regarding the Judicial Review and it was recommended that the County Council accept that the planning permission be quashed and redetermined. This course of action was agreed and the planning permission was quashed on 13 August 2021. The timing of the Judicial Review and the need to respond swiftly meant this was the first opportunity to update the Board. Lessons had been learnt about keeping the local member informed when these types of issues arose. The Board would be reconsidering the application in due course and the Chief Executive gave reassurance that any subsequent report would carefully assess environmental impacts of the development along with all other material planning considerations, including any additional comments from local residents.

RESOLVED:

That the contents of the update be noted.

34. Chairman's announcements.

The Chairman announced that the next meeting of the Board would take place on 14 October 2021 at 2.00pm.
