Dear Piers

Many thanks for consulting the Parish Council on the formal adoption of the proposed Modification orders for the footpaths through Glen Oaks and the other from Spinney View to Oaks Road.

This matter was discussed at the Parish Council's Planning Committee meeting on the 18<sup>th</sup> July and the committee have asked me to respond as follows;

We are aware that these pathways have been used for many years by walkers and would fully support them both being adopted as Public Rights of Way. (C109 and C109a) on the map provided.

I trust that this is sufficient information but should you require further please do not hesitate to contact me.

Kind regards

Lesley

**Subject:** Proposed Definitive Map Modification Order - Alleged Footpaths C109 and C109A at Glen Oaks, Great Glen, Leicestershire

Dear Sir/Madam,

**CONSULTATION****SECTION 53 – WILDLIFE AND COUNTRYSIDE ACT 1981****Proposed Addition of Public Footpaths C109 and C109a at Glen Oaks, Great Glen**

Public Rights of Way are recorded on the Definitive Map and Statement. The Map and Statement provide conclusive evidence of the existence of public rights. Leicestershire County Council is responsible for the Definitive Map and Statement for Leicestershire and has a duty to amend it when evidence suggests that it is inaccurate or incomplete. Such amendments are made by Modification Orders made under Section 53 of the Wildlife and Countryside Act 1981.

Leicestershire County Council has received an application for a Definitive Map Modification Order, seeking to add two public footpaths. One path runs from Footpath C13 near Spinney View, Great Glen, to Oaks Road (eastern extension). The other path runs from the above mentioned route southwards through Glen Oaks to Oaks Road (southern section). The claimed routes are shown on the attached Plan No. M1134-C.

Before this application is considered by the County Council, I am undertaking preliminary consultations with local Councils, user organisations and interested parties. I would therefore be grateful if you could let me have your comments on this proposal by Friday 16<sup>th</sup> August.

If you have any evidence, either in support or in rebuttal of this application, I should be grateful if you would either email or post it to me. If it is not practicable to do this, please contact me so that appropriate arrangements can be made.

If you require any further information regarding the above matter, please contact me via the above email address or telephone number.

Yours faithfully,

REDACTED

Piers Lindley
