OVERVIEW OF INTEGRATED CARE SYSTEMS

REPORT OF THE DIRECTOR OF STRATEGY AND
PLANNING – LEICESTER, LEICESTERSHIRE AND
RUTLAND CCGS

Purpose of the Report

1. The purpose of this report is to provide members with an overview of the Leicester, Leicestershire and Rutland Integrated Care System including key components of the recently published *Integrated Care Systems: design framework* which was published by NHS England and the Health and Care Bill and how we are working in partnership to develop our system.

Policy Framework and Previous Decisions

2. The development of Integrated Care System has been set out in the following documents:
 - *Integrating care: next steps to building strong and effective integrated care systems* which was published by NHS England in November 2020.

Equalities and Human Rights Implications

9. The ICS will inherit the CCGs statutory responsibilities around equality. In addition one of the main focus areas for ICS's is how they can reduce inequalities across their populations; impacting on the wider determinants of the health and their impact on the social and economic position of their system. A key driver to this will be the Health and Wellbeing Strategy for each area
