

Annual Report by Linda Broadley for 2020 – 2021

Firstly I would like to thank all the residents of my division (North Wigston) who re-elected me as their County Councillor. I will continue to serve all the residents regardless of whether you supported me or not.

2020/2021 has been a difficult year for all with the restrictions of Covid 19. I have still managed to send out the Focus on a regular basis to try to keep you all informed. All these newsletters and their delivery have been paid for by me personally and not public funds.

Some of the issues I have dealt with over the last year include:-

- Weeds and Grass cutting
- Grit bins
- Street signs
- Bollards
- Parking issues
- Traffic signals
- Potholes and pavements.

Since the election I remain as Adult and Communities Spokesperson as well as sitting on the Employment Committee

Linda Broadley

Liberal Democrat County Councillor for North Wigston.
