Please note that due to the demerging of Cumbria information from previous years will not reflect the present geographies.

As such, the following adjustments have been made for the pre-populated figures above:
 - Actuals and plans for Cumberland and Westmorland and Furness are using the Cumbria combined figure for all metrics since a split was not available; Please use comments box to advise.
 - 2022-23 and 2023-24 population projections (i.e. the denominator for **Residential Admissions**) have been calculated from a ratio based on the 2021-22 estimates.
