Re: Agenda Item 7 Application No. 2022/2260/02

(2022/VOCM/0161/LCC)

As the County Councillor for Quorn and Barrow Division I would like the following comments read out at the meeting.

- a. I have read the very detailed report on this application and thank the officers very much.
- b. I do know the site and have visited many times
- c. I have noted all the comments made by residents
- d. I support the officers' recommendations subject to the conditions as per Appendix A of the agenda pack and the prior completion of a legal agreement
- e. I trust that all conditions will be strictly adhered to
- f. I am sure that the Liaison Committee, comprising of representatives from Parish Councils, borough councillors and residents will be updated on the development in due course.

Thank you very much.
