Application 2023/10047/04 (202/CM/0037/LCC): Bosworth Marina

Comments from Mr. B. Harrison-Rushton CC

Please can you note for the meeting, that I too share the same concerns about this application as those expressed by both Market Bosworth and Carlton Parish Council within the report. Information on the concerns is detailed below:

Market Bosworth Parish Council:

- Lack of wildlife and habitat provision;
- Inconsistent with original landscaping scheme.

Carlton Parish Council

- Area of hardstanding in open countryside is not well related to the existing Marina;
- Inconsistent with landscaping and wildlife provision.
