

## County Councillor Annual Report 2022/23

**Jonathan Morgan**  
South West Loughborough

## **Electoral Division activities**

### **Main Activities and the impact during the past year:**

Working with residents and local businesses beyond the pandemic, providing support and advice as requested and where available, including signposting to other organisations.

### **Community Leadership Role**

Throughout the last 12 mths I continued to provide advice and help to those that have contacted me.

I continued to support and update residents via my social media account, including community groups and businesses.

### **Engagement with the Council, other statutory bodies and public utility companies (Water, Gas etc) about services in the area**

I continue to resolve queries as quickly as possible, working with the Council's officers to service requests.

### **Priorities for the immediate future are:**

To provide support to residents and local businesses in addition to normal requests for help and support.

## **Council Activities**

### **County Council Committees You Served On**

Chair of Health Overview and Scrutiny and Committee, and Vice-chair of the LLR Joint Health Scrutiny Committee – holding health bodies across the county to account.

Member of Scrutiny Commission – investigating the work of the Cabinet and Council.

## **Local Committee/Outside Bodies**

I am a director of the Loughborough Business Improvement District, which seeks to support local retailers and the town centre.

I have also been involved with Loughborough in Bloom, which continues to promote the town through the Bloom competition, winning national awards and recognition

## **Learning and Development**

I have attended relevant online sessions beyond those provided by LCC, and read material provided on briefings provided by LCC

## **Communications**

I aim to issue regular newsletters to residents, and in addition have supplied material to residents' groups for their notice boards etc. I also run a twitter account (@jono\_morgan) providing local updates etc.
