

Annual Report by Linda Broadley for 2022 – 2023

During 2022/2023 I have continued sending out Focuses within my division together with 2 surveys. Case work has involved grass cutting, highways issues, school placements, fly tipping and drain cleaning/weeds.

Unfortunately due to a serious family crisis I have been unable to attend many meetings since December and thank my Liberal Democrat colleagues for covering for me. I will continue to serve the residents of Wigston North and thank residents for their understanding.

Linda Broadley

County Councillor for North Wigston.
