

County Councillor Jewel Miah Annual Report 2022/23

Working for the residents of Loughborough East

Formal Council Committee work

I am in the council's **Adult Social Care and Communities Committee** which oversees and scrutinises the county's social care provision, Libraries, and heritage provisions.

Like all councillors, I attend the full **Council Meetings** where I speak on your local concerns and on wider policies

These meetings and other information are recorded and [webcast](#) for you on You Tube channel *Committee meetings at Leicestershire County Council*.

Local bodies and groups with which I am connected:

Bangladesh Social Association, a local community organisation looking after the community facilities on Ferryman Road.

Fearon Hall Community Association, I'm a council appointed observer.

Equality Action, I'm a council appointed trustee.

Communities Highways Fund

The Vehicle Activated Sign was installed on Wharncliffe Rd and although it is early days, residents report it has slowed traffic down along the road.

Supporting Voluntary and Community Groups

It's been another busy year of helping local community centres and groups with various issues. I am always there to support, give advice or lend a hand when required.

This year amongst my many engagements I had the privilege at speaking to a group of young adults about their aspirations in the community.

I was also took part in a litter pick organised by KFC.

Continuing the help provided during the pandemic I have carried on helping collect as much food as I can for local food banks.

Other Matters

During the year I've been busy dealing with resident's casework which continues to be plentiful. From roads, schools, litter, and anti-social behaviour to supporting local community groups and centres.

Meadow Lane resurfaced
