

Examples of advice and interaction assisting risk mitigation (2022-23)

- Regular attendance at E&T Management Team to discuss claims data, projects (e.g. Electric vehicle charging), areas of concerns, new Highways Policy any questions on schemes, Ash die back
- Food training support - claims process, court process, team work risk assessment, claims data with costing question and answer session
- In conjunction with H & S and Legal attended every DMT to discuss the Oadby barrier incident and possible consequences for each dept along with reminder of notifiable conditions
- Ran training with H & S re report writing and protecting LCC position on a claim
- Continuous working with E&T fleet team updating processes for quicker better processing of claims and financial implication of hire costs etc
- Supporting colleagues across all services (especially in conjunction with legal and commissioning support) with a number of procurements to set appropriate insurance limits in order to protect LCC including: -
 - Highways – Melton Bypass
 - Decarbonisation Framework
 - Zouch Bridge Works
 - SEN Diagnostic Online Tool
 - Parent Pay (School Food Support)
 - Biodiversity Net Gain Contract
- Supporting environmental risk issues ensuring contractors adequately covered for invasive tests, survey works, removal of effluent discharge etc
- Supporting Public Health Procurements including
 - Workplace Health Programme
 - 11-19 Health Outcomes
 - Substance Misuse Project
 - Health Checks in the Community
- Supporting colleagues with regards to new school projects by engaging with insurers to make sure that any new builds are future proofed so that insurers requirements are discussed and considered before work commences
