BOARD

15th DECEMBER 2023

LEICESTERSHIRE COUNTY COMMUNITY SAFETY AGREEMENT

REVIEW

Introduction

1. The Crime and Disorder Act 1998 (C&DA) and subsequent Crime and Disorder (Formulation and Implementation of Strategy) Regulations 2007 and Crime and Disorder Regulations 2012 introduced a statutory requirement to produce an annual 'Community Safety Agreement' (CSA).
2. The document sets out shared priorities and how statutory partners, the police, OPCC, local authorities, fire and rescue authorities, probation service and health intend to work together to reduce crime and disorder in their communities.

Purpose.

3. The current format of the Leicestershire CSA and accompanying update process was presented to and approved by the Board on 18 March 2022. The document takes the form of a single page online document. It is however effectively an information hub with numerous hyperlinks to supporting material.
4. There is a requirement to regularly review the CSA to ensure it remains relevant and current. This report outlines changes made to the document and provides the Board an opportunity to review the document.

- g. Social media links have been checked and relinked and obsolete references amended e.g., references to twitter have been replaced with 'X'.
