

**Examples of advice and interaction assisting risk mitigation (2023-24)**

- Regular attendance at E&T Management Team to discuss claims data, projects (e.g. Electric vehicle charging), areas of concerns, new Highways Policy any questions on schemes, Ash die back
- In conjunction with H&S and external solicitors providing training to schools and academies accident reporting and investigation.
- In conjunction with colleagues providing guidance and assistance on the volunteer policy and for volunteers under 18.
- Worked with Bosworth Battlefield representatives to ensure full accessibility for all visitors to the event
- Continuous working with E&T fleet team updating processes for quicker better processing of claims and financial implication of hire costs etc
- Supporting colleagues across all services (especially in conjunction with legal and commissioning support) with several procurements to set appropriate insurance limits in order to protect LCC including: -
  - G-Cloud contracts
  - Electric vehicle charging points – collaboration with other LAs
  - Legionella risk assessment consultancy for buildings
  - Substance misuse and alcohol testing
  - Suicide bereavement
  - SEN tutor framework
- Supporting environmental risk issues ensuring contractors adequately covered for invasive tests, survey works, removal of effluent discharge etc
- Supporting colleagues with regards to new school projects by engaging with insurers to make sure that any new builds are future proofed so that insurers requirements are discussed and considered before work commences
