

0REPORT OF THE CHIEF EXECUTIVE AND DIRECTOR OF LAW AND GOVERNANCE

A. POLITICAL BALANCE AND ALLOCATION OF COMMITTEE SEATS

Introduction

1. The purpose of this report is to present the Council's political balance following the results of the local election on 1 May and seek agreement to the allocation of seats on those committees subject to political balance arrangements.

Background

2. Section 15 of the Local Government and Housing Act 1989 requires the County Council, at its Annual meeting, to review the allocation of seats on its committees between political groups and to apply the political balance rules which are set out in paragraph 5 below. Political balance rules have been disapplied for Cabinet and the Health and Wellbeing Board as these are not categorised as '*ordinary committees*' applying the relevant legislation, so these are not included.

Composition of the County Council

3. Following the election on 1 May 2025, the composition of the County Council is as follows:

Political Group	Number of Seats	Proportion of Seats
Reform	25	45.45%
Conservative	15	27.27%
Liberal Democrat	11	20%
Labour	2	3.64%
Green	1	1.82%
Independent	1	1.82%
Total	55	100%

Committee Size and Allocation of Seats

4. In order to reconstitute the Council's committees in accordance with the committee structure set out in the Council's Constitution as currently drafted, the Council must determine the number of members to serve on each committee and the allocation of committee places between the political groups.
5. In accordance with the legislation, the Council is under a duty to apply the following principles to the allocation of seats as far as is reasonably practicable:
 - (a) that not all the seats on the body are allocated to the same political group;

- (b) that the majority of the seats on the body is allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
 - (c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of a relevant authority which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of that authority as is borne by the number of members of that group to the membership of the authority; and
 - (d) subject to paragraphs (a) to (c) above, that the number of the seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of members of that group to the membership of the authority.
6. At the time of writing this report the allocation of seats between the political groups is still subject to discussion. A supplementary report proposing the size of each committee and allocation of seats will be circulated to members of the Council as soon as agreement has been reached.

Membership of Committees

7. The lists setting out membership of the Scrutiny Commission, Boards and Committees (including the naming of Spokesmen/Spokespersons) is the subject of a separate agenda item and will be attached to the Order Paper and tabled on the day of the Council meeting.

9. There are no discernible equality implications arising from the recommendations in this report.

Human Rights Implications
