

PROTOCOL FOR FLYING FLAGS AT COUNTY HALL

Introduction

1. Leicestershire County Council recognises the importance of flying flags as a means of marking important events, supporting campaigns, strengthening national identity, promoting community cohesion and demonstrating support to staff. The flag provides a visible symbol to the public and staff about the Council's commitment to certain causes.

Flags Flying at County Hall.

2. There are four flag poles on the County Hall site. Three are at the front of the building and a fourth is located in the inner quadrangle next to the Stand Easy memorial.
3. It has been decided that the three flag poles at the front of County Hall shall be designated as "public facing". The Union Flag and County Flag will fly on two of these poles. The third pole will be used to fly the Commonwealth Flag and, on the anniversary of the invasion of Ukraine, the Ukrainian Flag.
4. At the request of the Lord-Lieutenant, the Lord-Lieutenant's flag will be flown from one of the flagpoles at the front of County Hall when he is present at County Hall in an official capacity.
5. All flags relating to community events and celebration days will be flown from the inner quadrangle. Where flags are proposed to be flown at the same time, the one with the shortest timeframe will take precedence.
6. It is important that the flying of a flag is part of an overall commitment to honouring or marking the community event. There will be internal or external communications to mark and explain why this event is important. There will also be a clear communications plan associated with each campaign, which promotes the initiatives the Council is undertaking alongside flying a flag.

Planning Consent

7. Regulations governing the flying of flags in England are set out in the Town and Country Planning (Control of Advertisements) Regulations 2007, as amended. These regulations limit the number of flags which can be flown without advertisement consent, which in the County Council's case would have to be granted by Blaby District Council. None of the flags proposed to be flown outside the front of County Hall require planning consent.

Lighting Up County Hall

8. It is possible to light up County Hall to mark significant domestic and international events. These events will usually occur on an ad hoc basis. The exception to this is in relation to commemoration for Armistice, where County Hall is lit up in red for a period of two weeks, to coincide with the poppy appeal, prior to the 11th November.
9. Any ad hoc requests for the lighting up of County Hall should be submitted to the Assistant Director, People, Property and Transformation, for Corporate Resources for consideration. In conjunction with the Chief Executive, she will make a recommendation for Group Leaders to consider.

Governance

10. The Corporate Equalities Board will undertake an annual review of the protocol. This will involve consultation with the staff networks to ensure that correct flags have been identified and that each network is satisfied with the level of visibility. Any changes will be reported to Group Leaders for approval.

New Requests

11. All in-year requests to fly additional flags or to light up County Hall will be considered by the Assistant Director, People, Property and Transformation, for Corporate Resources. In conjunction with the Chief Executive, she will make a recommendation for Group Leaders to consider.
