

Proposed Modifications

Key Diagram

Deposit Draft Policy Number and Title	Proposed Modification/New Policy	Reasons for Proposed Modification
Key Diagram Strategy Policy 7: The Location of Green Wedges	To rectify an inconsistency in relation to the Anstey/Groby Green Wedge.	In response to a representation made in relation to the deposit draft Structure Plan.
Key Diagram Strategy Policy 7: The Location of Green Wedges	To include as Green Wedge the land west of the M1 between Narborough, Littlethorpe, Whetstone and Cosby and the land east of the M1 at its intersection with the B4114 and the railway line.	In response to a representation made in relation to the deposit draft Structure Plan.
Key Diagram Strategy Policy 15: Charnwood Forest	To amend the boundary of the Charnwood Forest Area to reflect that identified in the Landscape and Woodland Strategy.	In response to a representation made in relation to the deposit draft Structure Plan.
Key Diagram Strategy Policy 19: Strategic River Corridors	That the Key Diagram should be amended to show the rivers to which Strategy Policy 19 applies and to depict key strategic environmental designations such as Rutland Water.	In accordance with the Panel's recommendations for the reasons given in the Panel's Report (paragraph 6.31).
Key Diagram No Policy	Amend the Blaby District Council boundary on Inset 1 to include more land within Blaby district to the east of Countesthorpe.	In response to a representation made in relation to the deposit draft Structure Plan.
Key Diagram No Policy	Amend the key of the Key Diagram to clarify that the Central Leicestershire Policy Area is coterminous with the Central Leicestershire Local Transport Plan boundary.	In response to a representation made in relation to the deposit draft Structure Plan.
