Chairmanships

The Council's Constitution makes provision for

- (a) the Leader of the largest opposition party to be ex officio the Chairman of the Scrutiny Commission;
- (b) the Chairmanship of the Scrutiny Committees to be shared on the basis of 50% to the opposition group(s) and 50% to group(s) forming the current political administration.

The remaining appointments of Chairman and Deputy Chairman are matters to be determined by the bodies themselves, but the nominations are usually reported to the Council, (shown as 'Chairman elect').
