

Appendix A - Safer Communities Performance 2012/13 Quarter 2

| SCS Outcome | Overall Progress RAG | Overall Comment | Supporting Indicators | Target | Latest Data (Quarter 2 2012/13 unless stated) | Current Direction of Travel | Target RAG | Comparison (Quartile) |
|--|----------------------|---|--|--------|---|-----------------------------|------------|-----------------------|
| An ongoing reduction in anti-social behaviour, particularly in those areas with the highest levels of incidents | G | Anti-social behaviour and criminal damage continue to reduce in the county. This reduction has been supported by campaigns to promote considerate behaviour, including a safer summer campaign which received significant publicity, and a Halloween campaign just launched. | % of people stating that they have been a victim of anti-social behaviour | 9.5% | 9.3% (Qtr 1) | → | G | |
| | | | Criminal damage rate (per 1,000 population) | 9.62 | 4.04 | ↑ | G | Ave |
| | | | <i>ASB Re-offending (under development)</i> | | | | | |
| Reoffending is reduced, and there is a particular focus on earlier intervention with troubled families and those at risk of becoming troubled families | A | Adult re-offending remains low, and overall crime continues to reduce. Local data shows that re-offending by young people and First Time Entrants to the Youth Justice System have increased following significant reductions in previous years. Following analysis further targeted work is being developed for those on Youth Rehabilitation Orders. | Total Crime rate (per 1,000 population) | 52.37 | 23.69 | ↑ | G | Ave |
| | | | % of adult and juvenile offenders re-offending within 12 months | 21.70% | 21.50% (Oct '10 to Sept '11) | → | G | Top |
| | | | Number of first time entrants to the criminal justice system aged 10 - 17 | 303 | 85 (Qtr 1) | → | A | Ave |
| The most vulnerable in communities are protected, particularly previous and repeat victims of crime | A | Reports of domestic abuse and hate incidents continue to reduce against targets to increase these. The Domestic Abuse Strategy Board and Hate Incident Steering Group are analysing these trends and will act accordingly. The Keep Safe Place project providing safe places in town centres for vulnerable people has been launched across the county. | <i>Repeat vulnerable victims of crime (under development)</i> | | | | | |
| | | | % of domestic violence cases reviewed at MARAC that are repeat incidents | 28% | 19% | → | G | |
| | | | Reported hate incidents (per 1,000 population) | 1.12 | 0.26 (Qtr 1) | ↓ | R | |
| | | | Reported domestic abuse incident rate (per 1,000 population) | 11.32 | 2.72 (Qtr 1) | ↓ | R | |
| Substance related crime and disorder is reduced | G | Assaults are reducing. Further work is being carried out to identify the best measure of alcohol related crime. A joint approach to licensing conditions across the county is being developed. | Assault rate (per 1,000 pop'n) - Proxy for alcohol related crime | 6.92 | 3.16 | ↑ | G | Ave |
| | | | Acquisitive crime rate (per 1,000 population) | 26.69 | 12.51 | ↑ | G | Ave |
| Improve public confidence, especially in local crime and disorder services, and especially in priority neighbourhoods | G | This is supported by the joint communications and campaign plan for ASB, and local initiatives to address crime. | % of people stating that they feel that the police and other local public services are successfully dealing with ASB and crime in their local area | 68.5% | 70.4% (Qtr 1) | ↑ | G | |
