The Committee considered a report of the Chief Executive inviting the Committee to respond on behalf of the County Council to a consultation paper concerning the Cycle of Local Government Elections in England. A copy of the report and consultation paper marked 'D' is filed with these minutes.

RESOLVED:

- (a) That the report be noted;
- (b) That the following comments be used as the basis of the County Council's response to questions posed in the consultation paper:-
 - (1) Local Government would not benefit from a more uniform pattern of local government electoral cycles in England as this would not allow for local variations reflecting differing local circumstances;
 - (2) Local preferences should be considered of paramount importance when considering future arrangements for local government electoral cycles;
 - (3) The current four year term of office for local councillors should be retained;
 - (4) In areas with more than one tier of local government, elections should continue to be staggered;
 - (5) Local Government elections should not be held on the same date as other national or European elections on the grounds that this would result in a focus on national rather than local issues and therefore weaken local democracy.
- (c) That the Chief Executive be requested to respond accordingly to the Electoral Commission by the deadline of 3rd October, 2003.
